### **I. Committee Purpose**

The Board of Directors (the “Board”) of Qorvo, Inc. (the “Company”) has established the Compensation Committee (the “Committee”) to exercise the Board’s authority concerning compensation of the Company’s officers, as well as equity-based and incentive compensation paid to employees and service providers generally, subject to the limitations and requirements of Section 141 of the General Corporation Law of the State of Delaware (the “DGCL”) and the provisions of this Charter. To carry out this purpose, the Committee will: (1) evaluate the compensation of the officers of the Company and its subsidiaries and, if applicable, its controlled affiliates and fix their compensation in accordance with the Company’s compensation philosophy; (2) prepare the Committee report that the rules of the Securities and Exchange Commission (the “SEC”) require be included in the Company’s annual report on Form 10-K or in the Company’s timely filed annual proxy statement; (3) evaluate and make recommendations to the Board concerning compensation of directors; (4) discharge certain responsibilities relating to the Company’s incentive and employee benefit plans generally; and (5) have the authority to undertake such other specific duties as the Board from time to time prescribes. For the purpose of this Charter, the term “officer” means (1) all officers of the Company who from time to time are treated by the Company as “officers” within the meaning given that term in Rule 16a-1 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and (2) all other officers of the Company who report directly to the Chief Executive Officer.

### **II. Committee Membership and Procedure**

The Committee will consist of no fewer than three members. Each member of the Committee will meet the director and committee member independence requirements of Rule 10C-1(b)(1) under the Exchange Act and The NASDAQ Stock Market LLC (“NASDAQ”) and, unless otherwise determined by the Board, will meet the definition of “non-employee director” set forth in Rule 16b-3 under the Exchange Act and the definition of “outside director” set forth in Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”).

Each member of the Committee shall be free of any relationship or affiliation that, in the judgment of the Board, would interfere with the exercise of the director’s independent judgment as a member of the Committee. In affirmatively determining the independence of a member of the Committee, the Board shall consider all factors specifically relevant to whether the member has a relationship with the Company that is material to the member’s ability to be independent from management in connection with Committee duties, including, but not limited to: (i) the source of compensation of such member, including any consulting, advisory or other compensatory fee paid by the Company to such member; and (ii) whether such member is affiliated with the Company, a subsidiary of the Company or an affiliate of a subsidiary of the Company.

The Board will appoint the members of the Committee annually. The members will serve until their successors are appointed or until their earlier death, resignation, disqualification or removal. Each member of the Committee will serve at the pleasure of the Board and may be removed at any time with or without cause. Vacancies in the membership of the Committee by means of death, resignation, disqualification or removal shall be filled by a majority vote of the Board. The Board will designate the Chairman of the Committee or, if the Board fails to do so, the members of the Committee will elect a Chairman by majority vote. The Committee may form and delegate authority to subcommittees in its sole discretion.

The Committee will meet at least two times in each year and at such other times as are necessary to carry out the Committee's responsibilities. The Chairman of the Committee, the Chairman of the Board or the Chief Executive Officer may call meetings of the Committee. The Committee may invite the Chief Executive Officer or any officer desired by the Committee or its Chairman to attend meetings of the Committee, provided however that no such person may be present during voting or deliberations of the Committee regarding such person's compensation.

The Committee will record and maintain minutes of its meetings. The Chairman of the Committee or a Committee member designated by the Chairman will make a report to the Board of the Committee's meetings, actions taken at meetings or by consent, and recommendations made since the most recent Board meeting at or before the next meeting of the Board, unless the Committee has previously circulated an interim report addressing the matter or matters.

The Committee may condition its approval of any compensation on ratification by the Board if Board action is required to comply with applicable law, including the DGCL or Section 162(m) of the Code.

#### **IV. Consultants and Advisers**

The Committee shall have the authority, in its sole discretion, to retain (or obtain the advice of) and terminate a compensation consultant, independent legal counsel or other adviser ("Compensation Adviser") to assist the Committee with the discharge of its duties under this Charter. The Committee shall be directly responsible for the appointment, compensation and oversight of the work of any Compensation Adviser retained by the Committee. The Company shall provide for appropriate funding, as determined by the Committee, for payment of reasonable compensation to any Compensation Adviser engaged by the Committee.

The Committee may select or receive advice from a Compensation Adviser only after taking into consideration such factors and criteria as are required by NASDAQ Listing Rule 5605(d), Item 407 of Regulation S-K and other applicable laws, regulations and listing requirements. After considering these factors and criteria, the Committee may select or receive advice from any Compensation Adviser it prefers, including ones that are not independent.

If the Committee determines that the work performed by a Compensation Adviser retained by the Committee has raised any conflict of interest, the Committee shall disclose to the Board the nature of such conflict of interest and how it is being addressed. In determining whether a conflict of interest exists, the Committee shall consider the factors described above and the other requirements of Item 407(e)(3)(iv) of Regulation S-K.
