

## TriQuint Announces Details of Investor and Analyst Day

October 28, 2013

HILLSBORO, Ore.--(BUSINESS WIRE)-- TriQuint Semiconductor, Inc. (NASDAQ: TQNT), a leading RF solutions supplier and technology innovator, will hold its Investor and Analyst Day in New York on October 31, 2013 from 8:00 a.m. to approximately 11:30 a.m. EDT. The link to the audio webcast along with the presentation materials will be made available prior to the event on the Investors' section of the company's website at <http://invest.triquint.com/>.

### FACTS ABOUT TRIQUINT

Founded in 1985, TriQuint Semiconductor (NASDAQ: TQNT) is a leading global provider of innovative RF solutions and foundry services for the world's top communications, defense and aerospace companies. People and organizations around the world need real-time, all-the-time connections; TriQuint products help reduce the cost and increase the performance of connected mobile devices and the networks that deliver critical voice, data and video communications. With the industry's broadest technology portfolio, recognized R&D leadership, and expertise in high-volume manufacturing, TriQuint creates standard and custom products using gallium arsenide (GaAs), gallium nitride (GaN), surface acoustic wave (SAW) and bulk acoustic wave (BAW) technologies. The company has ISO9001-certified manufacturing facilities in the U.S., production in Costa Rica, and design centers in North America and Germany.
