## TriQuint to Present at the 15th Annual Needham Growth Conference

HILLSBORO, Ore.--(BUSINESS WIRE)-- TriQuint Semiconductor, Inc. (NASDAQ:TQNT), a leading RF solutions supplier and technology innovator, announced that Chief Financial Officer Steve Buhaly is scheduled to present at the 15<sup>th</sup> Annual Needham Growth Conference on Thursday, January 17, 2013, at 8:40 a.m. ET in New York City at the New York Palace Hotel.

A live audio webcast of this presentation will be available on the investor relations page of the Company's web site at the following URL: [invest.triquint.com](http://invest.triquint.com). Following the live webcast, an archived version will be available on the TriQuint website.

### FACTS ABOUT TRIQUINT

Founded in 1985, TriQuint Semiconductor (NASDAQ:TQNT) is a leading global provider of innovative RF solutions and foundry services for the world's top communications, defense and aerospace companies. People and organizations around the world need real-time, all-the-time connections; TriQuint products help reduce the cost and increase the performance of connected mobile devices and the networks that deliver critical voice, data and video communications. With the industry's broadest technology portfolio, recognized R&D leadership, and expertise in high-volume manufacturing, TriQuint creates standard and custom products using gallium arsenide (GaAs), gallium nitride (GaN), surface acoustic wave (SAW) and bulk acoustic wave (BAW) technologies. The company has ISO9001-certified manufacturing facilities in the U.S., production in Costa Rica, and design centers in North America and Germany.
