Supplemental Indenture with respect to 2026 Notes

On August 28, 2018, Qorvo, Inc. (the “Company”) completed an offering of an additional \$130 million aggregate principal amount of its 5.50% Senior Notes due 2026 (the “Additional Notes”). The Company previously completed the offering of the initial \$500 million principal amount of the 5.50% Senior Notes due 2026 (the “Existing Notes”) on July 16, 2018. The Additional Notes were sold in the United States to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), or outside the United States pursuant to Regulation S under the Securities Act.

The Additional Notes were issued pursuant to a supplemental indenture, dated as of August 28, 2018 (the “Supplemental Indenture”), by and among the Company, the Company’s domestic subsidiaries that guarantee the Company’s obligations under its existing credit facility, as guarantors (the “Guarantors”), and MUFG Union Bank, N.A., as trustee (the “Trustee”), supplementing that certain indenture, dated as of July 16, 2018 (the “2018 Indenture”), by and among the Company, the Guarantors and the Trustee. The Company used the net proceeds of the offering of the Additional Notes, together with cash on hand, to finance the Tender Offer (as defined below).

The Additional Notes are governed by the 2018 Indenture, as supplemented by the Supplemental Indenture, and have the same interest payment terms and redemption terms as the Existing Notes. The 2018 Indenture contains customary events of default, including, among other things, payment default, exchange default, failure to provide certain notices thereunder and certain provisions related to bankruptcy events. The 2018 Indenture also contains customary negative covenants.

The Additional Notes have not been registered under the Securities Act, or any state securities laws, and, unless so registered, may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state securities laws.

The description of the Supplemental Indenture, the 2018 Indenture and the Additional Notes in this Current Report on Form 8-K (this “Report”) is a summary and is qualified in its entirety by reference to the text of (i) the Supplemental Indenture, which is filed as Exhibit 4.1 to this Report and (ii) the 2018 Indenture, which is filed as Exhibit 4.1 to the Company’s Current Report on Form 8-K filed with the Securities and Exchange Commission on July 16, 2018, each of which are incorporated herein by reference.

Registration Rights Agreement

In connection with the offering of the Additional Notes, the Company entered into a Registration Rights Agreement, dated as of August 28, 2018 (the “Registration Rights Agreement”), with the Guarantors party thereto, on the one hand, and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as representative of the initial purchasers of the Additional Notes (the “Initial Purchasers”), on the other hand. The Registration Rights Agreement contains terms substantially identical to the registration rights agreement, dated July 16, 2018, between the parties with respect to the Existing Notes, except that under the Registration Rights Agreement, the Company and the Guarantors have agreed to cause the registered exchange offer to exchange the Additional Notes for a new series of the

Company's exchange notes having terms substantially identical in all material respects to, and in the same aggregate principal amount, as the Additional Notes to be consummated no later than the 360th day after August 28, 2018 (or if such 360th day is not a business day, the next succeeding business day).

The description of the Registration Rights Agreement in this Report is a summary and is qualified in its entirety by reference to the complete text of the Registration Rights Agreement, which is filed as Exhibit 4.2 to this Report and incorporated herein by reference.

The Company has various relationships with the Initial Purchasers of the Additional Notes. Certain of the Initial Purchasers and their affiliates have engaged, and may in the future engage, in investment banking, commercial banking and other financial advisory and commercial dealings with the Company and its affiliates. In addition, certain of the Initial Purchasers, or their respective affiliates, have a lending relationship with the Company. These Initial Purchasers, or their respective affiliates, have received, and may in the future receive, customary fees and expenses for those services.

This SUPPLEMENTAL INDENTURE, dated as of August 28, 2018 (this “Supplemental Indenture”), is among Qorvo, Inc., a Delaware corporation (the “Company”), the Subsidiary Guarantors listed on the signature pages hereto (the “Subsidiary Guarantors” and, collectively with the Company, the “Qorvo Parties”), and MUFG Union Bank, N.A., as trustee (the “Trustee”) under the Indenture referred to below.

WHEREAS, the Company, the Subsidiary Guarantors and the Trustee have executed and delivered an indenture, dated as of July 16, 2018 (the “Base Indenture” and, together with this Supplemental Indenture, the “Indenture”), providing for the issuance by the Company of an unlimited aggregate principal amount of its 5.50% Senior Notes due 2026 (the “2026 Notes”);

WHEREAS, on July 16, 2018, the Company issued \$500,000,000 aggregate principal amount of 2026 Notes (the “Initial Notes”) pursuant to the Base Indenture;

WHEREAS, Sections 2.02 and 9.01 of the Base Indenture provide that, without notice to or consent of the Holders, the Company may, from time to time and in accordance therewith, create and issue Additional Notes (subject to the Company’s compliance with Article Four of the Indenture), and such Additional Notes (as defined in the Indenture) shall be consolidated with and form a single class with the Initial Notes and shall have the same terms as to status, redemption or otherwise as the Initial Notes;

WHEREAS, each of the Qorvo Parties desires to execute and deliver this Supplemental Indenture for the purpose of issuing \$130,000,000 in aggregate principal amount of additional 2026 Notes (the “Additional Senior Notes” and, together with the Initial Notes, the “Notes”);

WHEREAS, the Additional Senior Notes shall constitute Additional Notes pursuant to the Indenture; and

WHEREAS, pursuant to the satisfaction of the conditions set forth in Section 9.06 of the Base Indenture, the Trustee is authorized and directed to execute and deliver this Supplemental Indenture.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, in order to establish the terms of the Additional Senior Notes, the Qorvo Parties and the Trustee mutually covenant and agree for the equal and ratable benefit of the Holders of Additional Senior Notes as follows:

(1) Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Base Indenture.

(2) Reference to and Effect on Base Indenture. Upon the date hereof, each reference in the Base Indenture to “this Indenture,” “hereunder,” “hereof,” or “herein” shall mean and be a reference to the Base Indenture as supplemented by this Supplemental Indenture, unless the context requires otherwise. This Supplemental Indenture shall form a part of the Base Indenture for all purposes.

(3) Additional Senior Notes. As of the date hereof, the Company will issue, and the Trustee is directed to authenticate and deliver, the Additional Senior Notes in the manner contemplated by the Base Indenture. The Additional Senior Notes shall be consolidated with and form a single class with the Initial Notes and shall have the same terms and conditions in all respects with the Initial Notes, except that the issue date of the Additional Senior Notes shall be August 28, 2018 and the Additional Senior Notes shall be subject to the Registration Rights Agreement, dated August 28, 2018, among the Company, the Subsidiary Guarantors and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as representative of the several initial purchasers. Each of the Subsidiary Guarantors reaffirms its Guarantee, in each case, as set forth in Article 10 of the Base Indenture with regard to such Additional Senior Notes.

Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

(6) Governing Law. THIS SUPPLEMENTAL INDENTURE AND ANY CLAIM, CONTROVERSY OR DISPUTE RELATING TO OR ARISING OUT OF THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED IN SUCH STATE WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES THEREOF.

The exchange of copies of this Supplemental Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Supplemental Indenture as to the parties hereto and may be used in lieu of the original Supplemental Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

(8) Headings. The Headings of the Sections of this Supplemental Indenture have been inserted for convenience of reference only, are not to be considered a part of this Supplemental Indenture and shall in no way modify or restrict any of the terms or provisions hereof.

(9) The Trustee. The Trustee shall not be responsible in any manner whatsoever for or in respect of the validity or sufficiency of this Supplemental Indenture or the Notes or for or in respect of the statements or recitals contained herein or in the Notes, all of

Qorvo, Inc.

5.50% Senior Notes due 2026

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. Interest. QORVO, INC., a Delaware corporation (such corporation, and its successors and assigns under the Indenture hereinafter referred to, being herein called the “Company”), promises to pay interest on the principal amount of this Note at 5.50% per annum from July 16, 2018. The Company shall pay interest semiannually in arrears on January 15 and July 15 of each year, commencing January 15, 2019 or, if any such day is not a Business Day, on the next succeeding Business Day. Interest on the Notes shall accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from July 16, 2018; *provided* that if there is no existing Default or Event of Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding semiannual interest payment date (but after January 15, 2019), interest shall accrue from such next succeeding semiannual interest payment date, except in the case of the original issuance of the Notes, in which case interest shall accrue from the date of authentication. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The Company shall pay interest on overdue principal at the rate borne by the Notes plus 1% per annum, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful. Interest shall be computed on the basis of a 360-day year comprised of twelve 30-day months. The interest rate on this Note will in no event be higher than the maximum rate permitted by New York law as the same may be modified by United States law of general application.

2. Method of Payment. The Company shall pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders at the close of business on January 1 or July 1 immediately preceding the Interest Payment Date even if Notes are canceled after the record date and on or before the Interest Payment Date. Holders must surrender Notes to a Paying Agent to collect principal payments. The Company shall pay principal, premium, if any, and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Notes represented by a Global Note (including principal, premium and interest) shall be made by wire transfer of immediately available funds to the accounts specified by the Depositary or any successor depositary. The Company will make all payments in respect of a Definitive Note (including principal, premium, if any, and interest), at the office of the Paying Agent, except that, at the option of the Company, payment of interest may be made by mailing a check to the registered address of each Holder thereof. Any payments of principal of and interest on this Note prior to Stated Maturity shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not noted hereon. The amount due and payable at the maturity of this Note shall be payable only upon presentation and surrender of this Note at an office of the Trustee or the Trustee’s agent appointed for such purposes.

3. Paying Agent and Registrar. Initially, MUFG UNION BANK, N.A. (the “Trustee”) will act as Paying Agent and Registrar. The Company may appoint and change any Paying Agent or Registrar without notice. The Company or any of its domestically incorporated Restricted Subsidiaries may act as Paying Agent or Registrar.

4. Indenture. The Company issued the Notes under an Indenture dated as of July 16, 2018, among the Company, the Subsidiary Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. §§ 77aaa-77bbb) as amended (the “TIA”). Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all terms and provisions of the Indenture, and Holders (as defined in the Indenture) are referred to the Indenture and the TIA for a statement of such terms and provisions.

The Notes are senior unsubordinated unsecured obligations of the Company. The Indenture imposes certain limitations on the ability of the Company and its Restricted Subsidiaries to, among other things, make certain Investments, make Restricted Payments, incur Indebtedness, enter into consensual restrictions upon the payment of certain dividends and distributions by such Restricted Subsidiaries, enter into or permit certain transactions with Affiliates and make Asset Dispositions. The Indenture also imposes limitations on the ability of the Company and each Subsidiary Guarantor to consolidate or merge with or into any other Person or convey, transfer or lease all or substantially all of its property.

To guarantee the due and punctual payment of the principal, premium, if any, and interest on the Notes and all other amounts payable by the Company under the Indenture and the Notes when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Notes and the Indenture, the Subsidiary Guarantors have, jointly and severally, unconditionally guaranteed the Guaranteed Obligations on a senior unsubordinated unsecured basis pursuant to the terms of the Indenture.

5. Optional Redemption.

(a) Except as set forth in this Section 5, the Notes may not be redeemed at the option of the Company.

(b) At any time and from time to time prior to July 15, 2021 the Company may redeem, on one or more occasions, up to a maximum of 35% of the original aggregate principal amount of the Notes, calculated after giving effect to any issuance of Additional Notes, with the Net Cash Proceeds of one or more Qualified Equity Offerings at a redemption price equal to 105.500% of the principal amount thereof, plus accrued and unpaid interest thereon to the redemption date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date; *provided, however*, that after giving effect to any such redemption:

(i) at least 65% of the original aggregate principal amount of the Notes, calculated after giving effect to any issuance of Additional Notes, remains outstanding immediately after such redemption; and

(ii) any such redemption by the Company must be completed within 90 days of completion of such Qualified Equity Offering and must be made in accordance with the applicable procedures set forth in the Indenture.

(c) At any time and from time to time prior to July 15, 2021, the Company may redeem on all or part of the Notes at a redemption price equal to the sum of (i) 100% of the principal amount thereof, plus (ii) the Applicable Premium as of the date of redemption, plus (iii) accrued and unpaid interest to the date of redemption, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date.

(d) At any time and from time to time on or after July 15, 2021, the Company may redeem the Notes, in whole or in part, at the following redemption prices, expressed as percentages of principal amount, plus accrued and unpaid interest thereon to the redemption date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date, if redeemed during the twelve-month period commencing on July 15 of the years set forth below:

<u>Year</u>	<u>Percentage</u>
2021	102.750%
2022	101.833%
2023	100.917%
2024 and thereafter	100.000%

6. Mandatory Redemption. The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

7. Notice of Redemption. Notice of redemption will be mailed by first-class mail at least 30 days but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at his or her registered address. Notes may be redeemed in part in integral multiples of \$2,000 or any whole multiple of \$1,000 in excess thereof. If notice of redemption has been given, the Notes or portions of Notes specified in such notice shall become due and payable on the date and at the place stated in such notice at the applicable redemption price, together with interest accrued to the date fixed for redemption, and on and after said date (unless the Company shall default in the payment of such Notes at the redemption price, together with interest accrued to said date) interest on the Notes or portions of Notes so called for redemption shall cease to accrue.

Any notice of redemption in connection with any Qualified Equity Offering or other securities offering of any financing, or in connection with a transaction (or series of related transactions) that constitutes a Change of Control, may, at the Company's discretion, be given prior to the completion thereof and be subject to one or more conditions precedent, including completion of the related Qualified Equity Offering, securities offering, financing or Change of Control.

8. Repurchase at Option of Holder. Upon a Change of Control Triggering Event, each Holder will have the right, subject to certain conditions specified in the Indenture, to cause the Company to repurchase all or any part of the Notes of such Holder at a purchase price equal to 101% of the principal amount of the Notes to be repurchased plus accrued and unpaid interest to the date of repurchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date that is on or prior to the date of purchase) as provided in, and subject to the terms of, the Indenture; *provided, however*, the Company shall not be obligated to purchase the Notes upon a Change of Control Triggering Event in the event that it has optionally redeemed all the Notes. In accordance with Section 4.10 of the Indenture, the Company will be required to offer to purchase Notes upon the occurrence of certain events.

If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Company, or any third party making a Change of Control Offer in lieu of the Company as described above, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company or such third party will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to such Change of Control Offer, to redeem all Notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of such redemption.

9. Denominations, Transfer, Exchange. The Notes are in fully registered form, without coupons, in minimum denominations of \$2,000 and any whole multiple of \$1,000. A Holder may transfer or exchange Notes in accordance with the Indenture. Upon any transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Company will not be required to transfer or exchange any outstanding Notes selected for redemption or purchase or to transfer or exchange any outstanding Notes for a period of 15 days prior to the selection of Notes to be redeemed or purchased or within 15 days of an Interest Payment Date.

10. Persons Deemed Owners. The registered Holder of this Note will be treated as the owner of it for all purposes.

11. Unclaimed Money. Subject to the applicable abandoned property laws, if money for the payment of principal or interest remains unclaimed for two years, the Trustee and the Paying Agent shall pay the money back to the Company at its written request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look to the Company for payment as general creditors and the Trustee and the Paying Agent shall have no further liability with respect to such monies.

12. Discharge and Defeasance. Subject to certain conditions, the Company at any time may terminate some of or all its obligations under the Notes and the Indenture if the Company deposits with the Trustee money or U.S. Government Obligations for the payment of principal and interest on the Notes to redemption or maturity, as the case may be.

13. Amendment, Waiver. Subject to certain exceptions set forth in the Indenture, the Indenture or the Notes may be amended with the written consent of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding and any past default or compliance with any provisions may be waived with the consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for the Notes). Subject to certain exceptions set forth in the Indenture, without the consent of any Holder, the Company, the Subsidiary Guarantors and the Trustee may amend the Indenture to (i) convey, transfer, assign, mortgage or pledge any property or assets to the Trustee as security for the Notes; (ii) evidence the succession of another Person to the Company or any Subsidiary Guarantor, or successive successions, and the assumption by the successor Person of the covenants, agreements and obligations of the Company or any Subsidiary Guarantor under the Indenture pursuant to the provisions described under Article Five of the Indenture; (iii) add to the covenants of the Company and the Subsidiary Guarantors such further covenants, restrictions, conditions or provisions for the protection of the Holders of Notes; (iv) cure any ambiguity or correct or supplement any provision contained in the Indenture that may be defective or inconsistent with any other provision contained in the Indenture, or make such other provisions in regard to matters or questions arising under the Indenture as the Board of Directors may deem necessary or desirable and that shall not materially and adversely affect the interests of the Holders of Notes; (v) evidence and provide for the acceptance of appointment under the Indenture by a successor Trustee with respect to the Notes and add to or change any of the provisions of the Indenture as shall be necessary to provide for or facilitate the administration of the trusts under the Indenture by more than the one Trustee pursuant to the requirements of the Indenture; (vi) provide for uncertificated Notes in addition to or in place of certificated Notes; *provided, however*, that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code; (vii) add additional Subsidiary Guarantees with respect to the Notes and release any Subsidiary Guarantor in accordance with the Indenture; (viii) provide for the issuance of Additional Notes; (ix) conform the text of the Indenture or the Notes to any provision of the Description of Notes in the offering memorandum related to the Initial Notes; or (x) comply with any requirement of the SEC in connection with the qualification of the Indenture under the TIA.

14. Defaults and Remedies. If an Event of Default (other than an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Company) occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the outstanding Notes by notice to the Company (and the Trustee if given by the Holders) may declare the principal of and accrued but unpaid interest on all the Notes to be due and payable. Upon such a declaration, such principal and interest will be due and payable immediately. If an Event of Default relating to certain bankruptcy provisions occurs, the principal of and interest on all the Notes will become immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. Under certain circumstances, the Holders of a majority in principal amount of the outstanding Notes may rescind any such acceleration with respect to the Notes and its consequences.

No Holder of any Notes shall have any right, by virtue or by availing of any provision of this Indenture or the Notes, to institute any action or proceeding at law or in equity or in bankruptcy or otherwise with respect to this Indenture or the Notes, or for the appointment of a trustee, receiver, liquidator, custodian or other similar official or for any other remedy hereunder, unless such Holder previously shall have given to the Trustee written notice of an Event of Default and of the continuance thereof and the Holders of not less than 25% in aggregate principal amount of the Notes shall have made written request upon the Trustee to institute such action or proceedings in its own name as Trustee hereunder and shall have offered to the Trustee security or indemnity reasonably satisfactory to it as it may require, against the costs, expenses and liabilities to be incurred therein or thereby and the Trustee for 60 days after its receipt of such notice, request and offer of security or indemnity shall have failed to institute any such action or proceeding and no direction inconsistent with such written request shall have been given to the Trustee during such 60-day period by Holders of a majority in principal amount of the Notes then outstanding; it being understood and intended, and being expressly covenanted by the Holder of every Notes with every other Holder of a Note and

the Trustee, that no one or more Holders of Notes shall have any right in any manner whatever, by virtue or by availing of any provision of this Indenture, to affect, disturb or prejudice the rights of any other such Holder of Notes, or to obtain or seek to obtain priority over or preference to any other such Holder or to enforce any right under this Indenture, except in the manner herein provided and for the equal, ratable and common benefit of all Holders of the Notes.

15. Trustee Dealings with Company. Subject to certain limitations imposed by the TIA, the Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

16. No Recourse Against Others. No director, officer, employee, incorporator, stockholder, member, manager or partner of the Company or any Subsidiary Guarantor, as such, will have any liability for any obligations of the Company or the Subsidiary Guarantors under the Notes, the Indenture, the Subsidiary Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

17. Authentication. This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Note.

18. Abbreviations. Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

19. Governing Law. THIS SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

20. CUSIP and ISIN Numbers. The Company has caused CUSIP and ISIN numbers to be printed on the Notes and has directed the Trustee to use CUSIP and ISIN numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

(a) *Transfer Restricted Securities.* The securities entitled to the benefits of this Agreement are the Transfer Restricted Securities.

(b) *Holders of Transfer Restricted Securities.* A Person is deemed to be a holder of Transfer Restricted Securities (each, a “Holder”) whenever such Person owns Transfer Restricted Securities.

SECTION 3. *Registered Exchange Offer.*

(a) Unless the Company determines in good faith after consultation with counsel that the Exchange Offer shall not be permissible under applicable law or Commission policy (after the procedures set forth in Section 6(a) hereof have been complied with), each of the Company and the Guarantors shall use its commercially reasonable efforts to (i) file with the Commission a Registration Statement under the Securities Act relating to the Exchange Securities and the Exchange Offer, (ii) cause such Registration Statement to be declared effective by the Commission under the Securities Act and (iii) cause the Exchange Offer to be Consummated no later than the 360th day after the Closing Date (or if such 360th day is not a Business Day, the next succeeding Business Day). In connection with the foregoing, the Company and the Guarantors will (A) file all pre-effective amendments to such Registration Statement as may be necessary in order to cause such Registration Statement to become effective, (B) if applicable, file a post-effective amendment to such Registration Statement pursuant to Rule 430A under the Securities Act and (C) cause all necessary filings in connection with the registration and qualification of the Exchange Securities to be made under the state securities or blue sky laws of such jurisdictions as are necessary to permit Consummation of the Exchange Offer; *provided, however,* that neither the Company nor the Guarantors shall be required to (x) qualify as a foreign corporation or as a dealer in securities in any jurisdiction where it would not be otherwise required to qualify but for this Section 3(a) or (y) take any action that would subject it to general service of process or taxation in any such jurisdiction where it is not then so subject. The Exchange Offer Registration Statement shall be on the appropriate form permitting registration of the Exchange Securities to be offered in exchange for the Transfer Restricted Securities and to

permit resales of Initial Securities held by Broker-Dealers as contemplated by Section 3(c) hereof.

(b) If an Exchange Offer Registration Statement is required to be filed and declared effective pursuant to Section 3(a) above, each of the Company and the Guarantors shall use its commercially reasonable efforts to cause the Exchange Offer Registration Statement to be effective continuously and shall keep the Exchange Offer open for a period of not less than the minimum period required under applicable federal and state securities laws to consummate the Exchange Offer; *provided, however*, that in no event shall such period be less than 20 Business Days after the date notice of the Exchange Offer is mailed or sent to the Holders. The Company shall cause the Exchange Offer to comply in all material respects with all applicable federal and state securities laws. No securities other than the Exchange Securities shall be included in the Exchange Offer Registration Statement.

(c) The Company shall indicate in a “Plan of Distribution” section contained in the Prospectus forming a part of the Exchange Offer Registration Statement that any Broker-Dealer who holds Initial Securities that are Transfer Restricted Securities and that were acquired for its own account as a result of market-making activities or other trading activities (other than Transfer Restricted Securities acquired directly from the Company), may exchange such Initial Securities pursuant to the Exchange Offer; however, such Broker-Dealer may be deemed to be an “underwriter” within the meaning of the Securities Act and must comply with the prospectus delivery requirements of the Securities Act in connection with any resales of the Exchange Securities received by such Broker-Dealer in the Exchange Offer, which prospectus delivery requirement may be satisfied by the delivery by such Broker-Dealer of the Prospectus contained in the Exchange Offer Registration Statement. Such “Plan of Distribution” section shall also contain all other information with respect to such resales by Broker-Dealers that the Commission may require in order to permit such resales pursuant thereto, but such “Plan of Distribution” shall not name any such Broker-Dealer or disclose the amount of Initial Securities held by any such Broker-Dealer except to the extent required by the Commission as a result of a change in policy after the date of this Agreement.

Each of the Company and the Guarantors shall use its commercially reasonable efforts to keep the Exchange Offer Registration Statement continuously effective, supplemented and amended as required by the provisions of Section 6(c) hereof to the extent necessary to provide reasonable assurance that it is available for resales of Initial Securities acquired by Broker-Dealers for their own accounts as a result of market-making activities or other trading activities, and to provide reasonable assurance that it conforms in all material respects with the requirements of this Agreement, the Securities Act and the policies, rules and regulations of the Commission as announced from time to time, for a period ending on the earlier of (i) 20 Business Days from the date on which the Exchange Offer Registration Statement is declared effective; and (ii) the date on which a Broker-Dealer is no longer required to deliver a prospectus in connection with market-making or other trading activities.

The Company shall provide sufficient copies of the latest version of such Prospectus to Broker-Dealers promptly upon reasonable request at any time during such 20 Business-Day (or

shorter as provided in the foregoing sentence) period in order to facilitate such resale, which copies may be in electronic or .pdf format.

SECTION 4. *Shelf Registration.*

(a) *Shelf Registration.* If (i) the Company is not required to file an Exchange Offer Registration Statement or to consummate the Exchange Offer because the Company determines in good faith after consultation with counsel that the Exchange Offer is not permitted by applicable law or Commission policy (after the procedures set forth in Section 6(a) hereof have been complied with), (ii) for any reason the Exchange Offer is not Consummated by the 360th day after the Closing Date (or if such 360th day is not a Business Day, the next succeeding Business Day), or (iii) with respect to any Holder of Transfer Restricted Securities that notifies the Company in writing that (A) such Holder is prohibited by applicable law or Commission policy from participating in the Exchange Offer, or (B) in the case of any Holder that participates in the Exchange Offer, such Holder may not resell the Exchange Securities acquired by it in the Exchange Offer to the public without delivering a prospectus (other than because the Holder is an affiliate (as defined in Rule 144 of the Securities Act) of the Company) and that the Prospectus contained in the Exchange Offer Registration Statement is not appropriate or available for such resales by such Holder, or (C) such Holder is a Broker-Dealer and holds Initial Securities acquired directly from the Company or one of its affiliates (as defined in Rule 144 under the Securities Act), then, upon such Holder's written notification and request (which notification and request must be received by the Company prior to the date that the Exchange Offer is Consummated), the Company and the Guarantors shall:

(x) use their commercially reasonable efforts to cause to be filed a shelf registration statement pursuant to Rule 415 under the Securities Act, which may be an amendment to the Exchange Offer Registration Statement (in either event, the "*Shelf Registration Statement*") as promptly as practicable, which Shelf Registration Statement shall provide for resales of all Transfer Restricted Securities the Holders of which shall have provided the information required pursuant to Section 4(b) hereof; and

(y) use their commercially reasonable efforts to cause such Shelf Registration Statement to be declared effective by the Commission as promptly as practicable.

Each of the Company and the Guarantors shall use its commercially reasonable efforts to keep such Shelf Registration Statement continuously effective, supplemented and amended as required by the provisions of Sections 6(b) and (c) hereof to the extent necessary to provide reasonable assurance that it is available for resales of Initial Securities by the Holders of Transfer Restricted Securities entitled to the benefit of this Section 4(a), and to provide reasonable assurance that it conforms in all material respects with the requirements of this Agreement, the Securities Act and the policies, rules and regulations of the Commission as announced from time to time, from the date on which the Shelf Registration Statement is declared effective by the Commission until the earlier of (a) one year following the effective date of such Shelf Registration Statement or (b) the date when all of the Initial Securities covered by such Shelf Registration Statement have been sold pursuant to such Shelf Registration Statement.

Notwithstanding anything to the contrary in this Agreement, at any time, the Company may delay the filing of any Shelf Registration Statement or delay or suspend the effectiveness thereof and shall not be required to maintain the effectiveness thereof or amend or supplement such Shelf Registration Statement, for a period of time (a “*Shelf Blackout Period*”) not to exceed an aggregate of 90 days in any twelve-month period, if (1) the Board of Directors of the Company determines, in good faith, that the disclosure in such Shelf Registration Statement of an event, occurrence or other item at such time is in the best interests of the Company or could reasonably be expected to have a material adverse effect on the Company’s business, operations or prospects or (2) the disclosure in such Shelf Registration Statement otherwise relates to a material business transaction which has not been publicly disclosed and the Board of Directors of the Company determines, in good faith, that any such disclosure would jeopardize the success of such transaction or that disclosure of such transaction is prohibited pursuant to the terms thereof.

(b) *Provisions by Holders of Certain Information in Connection with the Shelf Registration Statement.* No Holder of Transfer Restricted Securities may include any of its Transfer Restricted Securities in any Shelf Registration Statement pursuant to this Agreement or benefit from the provisions regarding Additional Interest for a Registration Default with respect to a Shelf Registration Statement unless and until such Holder furnishes to the Company in writing, within 20 Business Days after receipt of a request therefor, such information as the Company may reasonably request for use in connection with any Shelf Registration Statement or Prospectus or preliminary Prospectus included therein. Each Holder as to which any Shelf Registration Statement is being effected agrees to furnish promptly to the Company all information required to be disclosed in order to make the information previously furnished to the Company by such Holder not materially misleading.

SECTION 5. *Additional Interest.* If (i) the Exchange Offer has not been Consummated by the 360th day after the Closing Date with respect to the Exchange Offer Registration Statement (or if such 360th day is not a Business Day, the succeeding Business Day) unless the Exchange Offer is not permitted by applicable law or Commission policy, (ii) the Shelf Registration Statement, if required hereby, has not been filed or declared effective by the Commission by the 360th day after the Closing Date (or if such 360th day is not a Business Day, the succeeding Business Day) or (iii) any Registration Statement required by this Agreement is filed and declared effective but, subject to any Shelf Blackout Period, shall thereafter cease to be effective without being succeeded promptly thereafter by a post-effective amendment to such Registration Statement that cures such failure and that is itself immediately declared effective (each such event referred to in clauses (i) through (iii), a “*Registration Default*”), the Company hereby agrees that the interest rate borne by the Transfer Restricted Securities shall be increased (such increased interest, the “*Additional Interest*”) by 0.25% per annum during the 90-day period immediately following the occurrence of any Registration Default and shall increase by 0.25% per annum at the end of each subsequent 90-day period, but in no event shall the aggregate increase in such annual interest rate exceed 1.00%. Following the cure of all Registration Defaults relating to any particular Transfer Restricted Securities, Additional Interest shall cease to accrue from the date of such cure and the interest rate borne by the relevant Transfer Restricted Securities will be reduced to the original interest rate borne by such Transfer Restricted Securities prior to the Registration Default; *provided, however*, that, if after any such

reduction in interest rate, a different Registration Default occurs, the interest rate borne by the relevant Transfer Restricted Securities shall again be increased pursuant to the foregoing provisions.

All obligations of the Company and the Guarantors set forth in the preceding paragraph that are outstanding with respect to any Transfer Restricted Security at the time such security ceases to be a Transfer Restricted Security shall survive until such time as all such obligations with respect to such security shall have been satisfied in full.

Notwithstanding the foregoing, (i) the amount of Additional Interest payable shall not increase because more than one Registration Default has occurred and is continuing and (ii) a Holder of Transfer Restricted Securities who is not entitled to the benefits of the Shelf Registration Statement shall not be entitled to Additional Interest with respect to a Registration Default that pertains to the Shelf Registration Statement.

The Additional Interest described in this Section 5 is the sole and exclusive remedy available to the Holders of the Transfer Restricted Securities due to a Registration Default.

SECTION 6. *Registration Procedures.*

(a) *Exchange Offer Registration Statement.* In connection with the Exchange Offer, if required pursuant to Section 3(a) hereof, the Company and the Guarantors shall comply in all material respects with all of the provisions of Section 6(c) hereof, and shall comply with all of the following provisions:

(i) To the extent the Commission raises an objection or, if in the reasonable opinion of counsel to the Company there is a question in either case as to whether the Exchange Offer is permitted by applicable law, each of the Company and the Guarantors hereby agrees to either, at the Company's sole option, (A) seek a no-action letter or other favorable decision from the Commission allowing the Company and the Guarantors to consummate an Exchange Offer for such Initial Securities or (B) file, in accordance with Section 4(a) hereof, a Shelf Registration Statement to permit the registration and/or resale of such Initial Securities that would otherwise be covered by the Exchange Offer Registration Statement. If the Company elects to seek a no-action letter or other favorable decision from the Commission, each of the Company and the Guarantors hereby agrees to use commercially reasonable efforts to pursue the issuance of such a decision to the Commission staff level but shall not be required to take commercially unreasonable action to effect a change of Commission policy. In the case of clause (A) above, each of the Company and the Guarantors hereby agrees, however, to (x) participate in telephonic conferences with the Commission and (y) diligently pursue a favorable resolution by the Commission staff of such submission.

(ii) As a condition to its participation in the Exchange Offer pursuant to the terms of this Agreement, each Holder of Transfer Restricted Securities shall furnish, upon the request of the Company, prior to the consummation thereof, a written representation to the Company (which may be contained in the letter of transmittal contemplated by the

Exchange Offer Registration Statement) to the effect that (A) it is not an affiliate (as defined in Rule 405 of the Securities Act) of the Company or any Guarantor, (B) it is not engaged in, and does not intend to engage in, and has no arrangement or understanding with any Person to participate in, a distribution of the Exchange Securities to be issued in the Exchange Offer and (C) it is acquiring the Exchange Securities in its ordinary course of business and (D) it shall have made such other representations as may be reasonably necessary under applicable Commission rules, regulations or interpretations to render the use of Form S-4 or other appropriate form under the Securities Act available or for the Exchange Offer Registration Statement to be declared effective. In addition, all such Holders of Transfer Restricted Securities shall otherwise cooperate in the Company's preparations for the Exchange Offer. Each Holder hereby acknowledges and agrees that any Broker-Dealer and any such Holder using the Exchange Offer to participate in a distribution of the Exchange Securities to be acquired in the Exchange Offer (1) could not under Commission policy as in effect on the date of this Agreement rely on the position of the Commission enunciated in Morgan Stanley and Co., Inc. (available June 5, 1991) and Exxon Capital Holdings Corporation (available May 13, 1988), as interpreted in the Commission's letter to Shearman & Sterling dated July 2, 1993, and similar no-action letters (which may include any no-action letter obtained pursuant to clause (i) above), and (2) must comply with the registration and prospectus delivery requirements of the Securities Act in connection with a secondary resale transaction and that such a secondary resale transaction should be covered by an effective registration statement containing the selling security holder information required by Item 507 or 508, as applicable, of Regulation S-K if the resales are of Exchange Securities obtained by such Holder in exchange for Initial Securities acquired by such Holder directly from the Company.

(b) *Shelf Registration Statement.* In connection with any Shelf Registration Statement, each of the Company and the Guarantors shall comply in all material respects with all the provisions of Section 6(c) hereof and shall use their commercially reasonable efforts to effect such registration to permit the resale of the Transfer Restricted Securities being sold in accordance with the intended method or methods of distribution thereof, and pursuant thereto each of the Company and the Guarantors will as promptly as reasonably practicable prepare and file with the Commission a Registration Statement relating to the registration on any appropriate form under the Securities Act, which form shall be available for the sale of the Transfer Restricted Securities in accordance with the intended method or methods of distribution thereof.

(c) *General Provisions.* In connection with any Registration Statement and any Prospectus required by this Agreement to permit the sale or resale of Transfer Restricted Securities (including, without limitation, any Registration Statement and the related Prospectus required to permit resales of Initial Securities by Broker-Dealers), each of the Company and the Guarantors shall, but in all cases, subject to any Shelf Blackout Period:

(i) use its commercially reasonable efforts to keep such Registration Statement continuously effective and provide all requisite financial statements (including, if required by the Securities Act or any regulation thereunder, financial statements of the

Guarantors) for the period specified in Section 3 or 4 hereof, as applicable; upon the occurrence of any event that would cause any such Registration Statement or the Prospectus contained therein (A) to contain a material misstatement or omission or (B) not to be effective and usable for resale of Transfer Restricted Securities during the period required by this Agreement, the Company shall file promptly an appropriate amendment to such Registration Statement or a prospectus supplement, in the case of clause (A), correcting any such misstatement or omission, and, in the case of either clause (A) or (B), use its commercially reasonable efforts to cause such amendment to be declared effective or to file such prospectus supplement and such Registration Statement and the related Prospectus to become usable for their intended purpose(s) as soon as reasonably practicable thereafter;

(ii) use its commercially reasonable efforts to prepare and file with the Commission such amendments and post-effective amendments to the applicable Registration Statement as may be necessary to keep the Registration Statement effective for the applicable period set forth in Section 3 or 4 hereof, as applicable, or such shorter period as will terminate when all Transfer Restricted Securities covered by such Registration Statement have been sold; cause the Prospectus to be supplemented by any required Prospectus supplement, and as so supplemented to be filed pursuant to Rule 424 under the Securities Act, and to comply in all material respects with the applicable provisions of Rules 424 and 430A under the Securities Act in a timely manner; and comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such Registration Statement during the applicable period in accordance with the intended method or methods of distribution by the sellers thereof set forth in such Registration Statement or supplement to the Prospectus;

(iii) advise the underwriter(s), if any, and selling Holders named in the Registration Statement, if any, promptly upon becoming aware thereof and, if requested by such Persons, to confirm such advice in writing, (A) when the Prospectus or any Prospectus supplement or post-effective amendment has been filed, and, with respect to any Registration Statement or any post-effective amendment thereto, when the same has become effective, (B) of any request by the Commission for amendments to the Registration Statement or amendments or supplements to the Prospectus or for additional information relating thereto, (C) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement under the Securities Act or following the receipt of the Company of any notifications of the suspension by any state securities commission of the qualification of the Transfer Restricted Securities for offering or sale in any jurisdiction, or the initiation of any proceeding for any of the preceding purposes and (D) of the existence of any fact or the happening of any event that makes any statement of a material fact made in the Registration Statement, the Prospectus, any amendment or supplement thereto, or any document incorporated by reference therein untrue, as of their respective dates or that requires the making of any additions to or changes in the Registration Statement or the Prospectus in order to make the statements therein, as of their respective dates, not misleading in the light of the circumstances in which they are made. If at any time the Commission shall issue any

stop order suspending the effectiveness of the Registration Statement, or any state securities commission or other regulatory authority shall issue an order suspending the qualification or exemption from qualification of the Transfer Restricted Securities under state securities or blue sky laws, each of the Company and the Guarantors shall use its commercially reasonable efforts to obtain the withdrawal or lifting of such order as promptly as reasonably practicable;

(iv) furnish without charge to each of the Initial Purchasers, each selling Holder named in any Registration Statement, and each of the underwriter(s), if any, before filing with the Commission, copies of any Registration Statement or any Prospectus included therein or any amendments or supplements to any such Registration Statement or Prospectus (including all documents incorporated by reference after the initial filing of such Registration Statement relating to the Exchange Offer), which documents will be subject to the review and comment of such Holders and underwriter(s) in connection with such sale, if any, for a period of no more than two Business Days, and the Company will not file any such Registration Statement or Prospectus or any amendment or supplement to any such Registration Statement or Prospectus (excluding all documents incorporated by reference) to which an Initial Purchaser of Transfer Restricted Securities covered by such Registration Statement or the underwriter(s), if any, shall reasonably object in writing within two Business Days after the receipt thereof (such objection to be deemed timely made upon confirmation of telecopy transmission within such period); *provided, however*, that, for the avoidance of doubt, this paragraph shall not apply to the Company's annual report on Form 10-K, its quarterly reports on Form 10-Q, its current reports on Form 8-K or any other documents filed pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act. The objection of an Initial Purchaser or underwriter, if any, shall be deemed to be reasonable if such Registration Statement, amendment, Prospectus or supplement, as applicable, as proposed to be filed, contains a material misstatement or omission;

(v) promptly prior to the filing of any document that is to be incorporated by reference into a Registration Statement or Prospectus relating to the Exchange Offer, provide copies of such document to the Initial Purchasers, each selling Holder named in any Registration Statement, and to the underwriter(s), if any, make the Company's and the Guarantors' representatives available for discussion of such document and other customary due diligence matters, and include such information in such document prior to the filing thereof as such selling Holders or underwriter(s), if any, reasonably may request; *provided, however*, that, for the avoidance of doubt, this paragraph shall not apply to the Company's annual report on Form 10-K, its quarterly reports on Form 10-Q, its current reports on Form 8-K or any other documents filed pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act.

(vi) in connection with a Shelf Registration Statement, make available during normal business hours for inspection for due diligence purposes, by the managing underwriter(s), if any, participating in any disposition pursuant to a Shelf Registration Statement and any attorney or accountant retained by any of the managing underwriter(s),

all financial and other records, pertinent corporate documents and properties of each of the Company and the Guarantors and cause the Company's and the Guarantors' officers, directors and employees to supply all information reasonably requested by any such managing underwriter, attorney or accountant in connection with such Registration Statement or any post-effective amendment thereto subsequent to the filing thereof and prior to its effectiveness and to participate in meetings with investors to the extent reasonably requested by the managing underwriter(s), if any; provided, that such Persons shall first agree in writing with the Company that any non-public information shall be used solely for the purposes of satisfying "due diligence" obligations under the Securities Act and exercising rights under this Agreement and shall be kept confidential for a period of two years by such Persons, unless (i) disclosure of such information is required by court or administrative order or is necessary to respond to inquiries of regulatory authorities, (ii) disclosure of such information is required by law (including any disclosure requirements pursuant to federal securities laws in connection with the filing of any Shelf Registration Statement or the use of any prospectus referred to in this Agreement), (iii) such information becomes generally available to the public other than as a result of a disclosure or failure to safeguard by any such Person, or (iv) such information becomes available to any such Person from a source other than the Company and such source is not known to such Person to be bound by a confidentiality agreement;

(vii) in connection with a Shelf Registration Statement, if requested by any selling Holders or the underwriter(s), if any, promptly incorporate in any Registration Statement or Prospectus, pursuant to a supplement or post-effective amendment if necessary, such information as such selling Holders and underwriter(s), if any, may reasonably request to have included therein, including, without limitation, information relating to the "Plan of Distribution" of the Transfer Restricted Securities, information with respect to the principal amount of Transfer Restricted Securities being sold to such underwriter(s), the purchase price being paid therefor and any other terms of the offering of the Transfer Restricted Securities to be sold in such offering; and make all required filings of such Prospectus supplement or post-effective amendment as soon as reasonably practicable after the Company is notified of the matters to be incorporated in such Prospectus supplement or post-effective amendment;

(viii) use commercially reasonable efforts to cause the Transfer Restricted Securities covered by the Registration Statement to be rated with the appropriate rating agencies, if so requested by the Holders of a majority in aggregate principal amount of Transfer Restricted Securities covered thereby or the managing underwriter(s), if any;

(ix) furnish to each Initial Purchaser, each selling Holder identified in the Registration Statement, if any, and each of the managing underwriter(s), if any, upon request, without charge, at least one copy of the Registration Statement, as first filed with the Commission, and of each amendment thereto, including financial statements and schedules, all documents incorporated by reference therein and all exhibits (unless such documents are publicly available on the Commission's EDGAR system);

(x) deliver to each selling Holder identified in the Registration Statement, if any, and each of the managing underwriter(s), if any, upon request, without charge, as many copies of the Prospectus (including each preliminary prospectus) and any amendment or supplement thereto as such Persons reasonably may request, which copies may be electronic copies or in .pdf form; each of the Company and the Guarantors hereby consents to the use of the Prospectus and any amendment or supplement thereto by each of the selling Holders named therein and each of the managing underwriter(s), if any, in connection with the offering and the sale of the Transfer Restricted Securities covered by the Prospectus or any amendment or supplement thereto;

(xi) in connection with an underwritten offering pursuant to a Shelf Registration Statement, enter into a customary underwriting agreement, and make such customary representations and warranties, and take all such other customary actions in connection therewith in order to expedite or facilitate the disposition of the Transfer Restricted Securities pursuant to any Shelf Registration Statement contemplated by this Agreement with respect to such underwritten offering, all to such extent as may be reasonably requested by any Initial Purchaser or by the Holders of a majority in aggregate principal amount of Transfer Restricted Securities or underwriter in connection with any sale or resale pursuant to any Shelf Registration Statement contemplated by this Agreement. In furtherance of the foregoing, each of the Company and the Guarantors shall:

(A) furnish to each selling Holder identified in the Registration Statement, if any, and each underwriter, if any, in such substance and scope as they may reasonably request and as are customarily made by issuers to underwriters in primary underwritten offerings, upon the date of the Consummation of the Exchange Offer or, if applicable, the effectiveness of the Shelf Registration Statement:

(1) a certificate signed by (y) the Chairman of the Board, Chief Executive Officer, Chief Financial Officer, President or any Vice President and (z) a principal financial or accounting officer of each of the Company and the Guarantors, confirming, as of the date thereof, the matters set forth in paragraphs (i), (ii) and (iii) of Section 5(g) of the Purchase Agreement and such other matters as such parties may reasonably request;

(2) opinions of counsel for the Company and Guarantors relating to matters customarily covered in opinions requested in underwritten offerings; and

(3) a customary comfort letter from the Company's independent accountants, in the customary form and covering matters of the type customarily requested to be covered in comfort letters by underwriters in connection with primary underwritten offerings;

(B) set forth in full or incorporate by reference in the underwriting agreement customary indemnification provisions and procedures; and

(C) deliver such other documents and certificates as may be reasonably requested by such parties to evidence compliance with Section 6(c)(xi)(A) hereof and with any customary conditions contained in the underwriting agreement or other agreement entered into by the Company or any of the Guarantors pursuant to this Section 6(c)(xi), if any.

(xii) prior to any public offering of Transfer Restricted Securities, cooperate with the selling Holders identified in the Registration Statement, if any, the underwriter(s), if any, and their respective counsel in connection with the registration and qualification of the Transfer Restricted Securities under the state securities or blue sky laws of such jurisdictions as the selling Holders or underwriter(s), if any, may reasonably request and do any and all other acts or things necessary or advisable to enable the disposition in such jurisdictions of the Transfer Restricted Securities covered by the Shelf Registration Statement; *provided, however*, that neither the Company nor the Guarantors shall be required to register or qualify as a foreign corporation where it is not then so qualified or to take any action that would subject it to the service of process in suits or to taxation in any jurisdiction where it is not then so subject;

(xiii) to the extent permitted by law and the Indenture, use commercially reasonable efforts to issue, upon the reasonable request of any Holder of Initial Securities covered by the Shelf Registration Statement, Exchange Securities having an aggregate principal amount equal to the aggregate principal amount of Initial Securities surrendered to the Company by such Holder in exchange therefor or being sold by such Holder; such Exchange Securities to be registered in the name of such Holder or in the name of the purchaser(s) of such Exchange Securities, as the case may be; in return, the Initial Securities held by such Holder shall be surrendered to the Company for cancellation;

(xiv) to the extent the Transfer Restricted Securities are held in certificated form, cooperate with the selling Holders and the managing underwriter(s), if any, to facilitate the timely preparation and delivery of certificates representing Transfer Restricted Securities to be sold pursuant to any Shelf Registration Statement and not bearing any restrictive legends; and enable such Transfer Restricted Securities to be in such denominations and registered in such names as the Holders or the underwriter(s), if any, may request, subject to the terms of the Indenture, at least three Business Days prior to any sale pursuant to any Shelf Registration Statement of Transfer Restricted Securities made by such Holders or underwriter(s);

(xv) use its commercially reasonable efforts to cause the Transfer Restricted Securities covered by the Shelf Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be reasonably necessary to enable the seller or sellers thereof or the underwriter(s), if any, to consummate the disposition of such Transfer Restricted Securities, subject to the proviso contained in Section 6(c)(xii) hereof;

(xvi) if any fact or event contemplated by Section 6(c)(iii)(D) hereof shall exist or have occurred, prepare a supplement or post-effective amendment to the Registration Statement or related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered to the purchasers of Transfer Restricted Securities, the Prospectus will not contain (after giving effect to such supplement or amendment) at the time of such delivery an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein not misleading in the light of the circumstances in which they are made;

(xvii) provide a CUSIP number for all securities not later than the effective date of the Registration Statement covering the Exchange Securities and provide the Trustee under the Indenture with printed certificates for the Exchange Securities which are in a form eligible for deposit with the Depository Trust Company and take all other action reasonably necessary to ensure that all such Securities are eligible for deposit with the Depository Trust Company;

(xviii) reasonably cooperate and assist in any filings required to be made with FINRA and in the performance of any due diligence investigation by any underwriter (including any “qualified independent underwriter”) that is required to be retained in accordance with the rules and regulations of FINRA;

(xix) use its commercially reasonable efforts to comply in all material respects with all applicable rules and regulations of the Commission, and make generally available to its security holders, as soon as reasonably practicable, a consolidated earnings statement meeting the requirements of Rule 158 under the Securities Act (which need not be audited) for the twelve-month period (A) commencing at the end of any fiscal quarter in which Transfer Restricted Securities are sold to underwriters in a firm commitment or best efforts Underwritten Offering or (B) if not sold to underwriters in such an offering, beginning with the first month of the Company’s first fiscal quarter commencing after the effective date of the Shelf Registration Statement;

(xx) use its commercially reasonable efforts to cause the Indenture to be qualified under the Trust Indenture Act not later than the effective date of the first Registration Statement required by this Agreement, and, in connection therewith, cooperate with the Trustee and the Holders of Securities to effect such changes to the Indenture as may be required for such Indenture to be so qualified in accordance with the terms of the Trust Indenture Act; and to execute and use its commercially reasonable efforts to cause the Trustee to execute, all documents that may be required to effect such changes and all other forms and documents required to be filed with the Commission to enable such Indenture to be so qualified in a timely manner; and

(xxi) if not available on the Commission’s EDGAR system, provide promptly to each Holder upon request each document filed with the Commission pursuant to the requirements of Section 13 and Section 15 of the Exchange Act.

Each Holder agrees by acquisition of a Transfer Restricted Security that, upon receipt of any notice from the Company of the existence of any fact of the kind described in Section 6(c)(iii)(D) hereof, such Holder will forthwith discontinue disposition of Transfer Restricted Securities pursuant to the applicable Registration Statement until such Holder's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 6(c)(xvi) hereof, or until it is advised in writing (the "Advice") by the Company that the use of the Prospectus may be resumed, and has received copies of any additional or supplemental filings that are incorporated by reference in the Prospectus. If so directed by the Company, each Holder will deliver to the Company (at the Company's expense) all copies, other than permanent file copies then in such Holder's possession, of the Prospectus covering such Transfer Restricted Securities that was current at the time of receipt of such notice. In the event the Company shall give any such notice, the time period regarding the effectiveness of such Registration Statement set forth in Section 3 or 4 hereof, as applicable, shall be extended by the number of days during the period from and including the date of the giving of such notice pursuant to Section 6(c)(iii)(D) hereof to and including the date when each selling Holder covered by such Registration Statement shall have received the copies of the supplemented or amended Prospectus contemplated by Section 6(c)(xvi) hereof or shall have received the Advice; *provided, however*, that no such extension shall be taken into account in determining whether Additional Interest is due pursuant to Section 5 hereof or the amount of such Additional Interest, it being agreed that the Company's option to suspend use of a Registration Statement pursuant to this paragraph shall be treated as a Registration Default for purposes of Section 5 hereof. Each Holder shall hold in confidence the fact that it has received notice pursuant to this Section and any communication related thereto.

SECTION 7. *Registration Expenses.*

(a) All expenses incident to the Company's and the Guarantors' performance of or compliance with this Agreement will be borne by the Company and the Guarantors, jointly and severally, regardless of whether a Registration Statement becomes effective, including, without limitation: (i) all registration and filing fees and expenses (including filings made by any Initial Purchaser or Holder with FINRA (and, if applicable, the reasonable fees and expenses of any "qualified independent underwriter" and its counsel that may be required by the rules and regulations of FINRA)); (ii) all fees and expenses of compliance with federal securities and state securities or blue sky laws; (iii) all expenses of printing (including printing certificates for the Exchange Securities to be issued in the Exchange Offer and printing of Prospectuses), messenger and delivery services and telephone; (iv) all fees and disbursements of counsel for the Company, the Guarantors and, subject to Section 7(b) hereof, the Holders of Transfer Restricted Securities in connection with the transactions contemplated by this Agreement; (v) all application and filing fees in connection with listing the Exchange Securities on a securities exchange or automated quotation system pursuant to the requirements thereof; and (vi) all fees and disbursements of independent certified public accountants of the Company and the Guarantors (including the expenses of any special audit and comfort letters required by or incident to such performance).

Each of the Company and the Guarantors will, in any event, bear its internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing

legal or accounting duties), the expenses of any annual audit and the fees and expenses of any Person, including special experts, retained by the Company or the Guarantors.

(b) In connection with any Registration Statement required by this Agreement (including, without limitation, the Exchange Offer Registration Statement and the Shelf Registration Statement), the Company and the Guarantors, jointly and severally, will reimburse the Initial Purchasers and the Holders of Transfer Restricted Securities being tendered in the Exchange Offer and/or resold pursuant to the “Plan of Distribution” contained in the Exchange Offer Registration Statement or registered pursuant to the Shelf Registration Statement, as applicable, for the reasonable and documented fees and disbursements of not more than one counsel, which shall be Cahill Gordon & Reindel LLP or such other counsel as may be chosen by the Holders of a majority in principal amount of the Transfer Restricted Securities for whose benefit such Registration Statement is being prepared.

SECTION 8. *Indemnification.*

(a) The Company and the Guarantors, jointly and severally, agree to indemnify and hold harmless (i) each Holder and (ii) each Person, if any, who controls (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) any Holder (any of the Persons referred to in this clause (ii) being hereinafter referred to as a “controlling person”) and (iii) the respective officers, directors, partners, employees, representatives and agents of any Holder or any controlling person (any Person referred to in clause (i), (ii) or (iii) may hereinafter be referred to as an “Indemnified Holder”), to the fullest extent lawful, from and against any and all losses, claims, damages, liabilities, judgments, actions and expenses (including, without limitation, and as incurred, reimbursement of all reasonable and documented costs of investigating, preparing, pursuing, settling, compromising, paying or defending any claim or action, or any investigation or proceeding by any governmental agency or body, commenced or threatened, including the reasonable and documented fees and expenses of counsel to any Indemnified Holder) based upon or arising out of any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or Prospectus (or any amendment or supplement thereto), or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances in which they are made, not misleading except insofar as such losses, claims, damages, liabilities or expenses are caused by an untrue statement or omission or alleged untrue statement or omission that is made in reliance upon and in conformity with information relating to any of the Holders furnished in writing to the Company by any of the Holders expressly for use therein. This indemnity agreement shall be in addition to any liability which the Company or any of the Guarantors may otherwise have.

In case any action or proceeding (including any governmental or regulatory investigation or proceeding) shall be brought or asserted against any of the Indemnified Holders with respect to which indemnity may be sought against the Company or the Guarantors, such Indemnified Holder (or the Indemnified Holder controlled by such controlling person) shall promptly notify the Company and the Guarantors in writing; *provided, however*, that the failure to give such notice shall not relieve any of the Company or the Guarantors of its obligations pursuant to this

Agreement, except to the extent that the Company or any Guarantor, as applicable, was materially prejudiced as a result of such failure or delay. The Company and the Guarantors shall be entitled to participate in any such action and, to the extent that it shall wish, to assume the defense thereof, with counsel reasonably satisfactory to such Indemnified Holder, and, after notice from the Company or any Guarantor to such Indemnified Holder of its election so to assume the defense, thereof, the Company or the Guarantors shall not be liable to such Indemnified Holder for any legal or other expenses, in each case subsequently incurred by such Indemnified Holder, in connection with the defense thereof other than reasonable and documented costs of investigation. Notwithstanding the Company's or any Guarantor's election to appoint counsel to represent the Indemnified Holders in any action, such Indemnified Holders shall have the right to employ, subject to the limitations set forth below, separate counsel (including local counsel) and the Company shall bear the reasonable and documented fees, costs and expenses of such separate counsel if such Indemnified Holder shall have reasonably concluded that a conflict may arise between the positions of the indemnifying party and such Indemnified Holder in conducting the defense of any such action or that there may be legal defenses available to it and/or other Indemnified Holders which are different from or additional to those available to the indemnifying party, such Indemnified Holder shall have the right to select separate counsel to assume such legal defenses and to otherwise participate in the defense of such action on behalf of such Indemnified Holder. The Company and the Guarantors shall not, in connection with any one such action or proceeding or separate but substantially similar or related actions or proceedings in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable and documented fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) at any time for such Indemnified Holders, which firm shall be designated by the Indemnified Holders. The Company and the Guarantors shall be liable for any settlement of any such action or proceeding effected with the Company's and the Guarantors' prior written consent, which consent shall not be withheld unreasonably, and each of the Company and the Guarantors agrees to indemnify and hold harmless any Indemnified Holder from and against any loss, claim, damage, liability or expense by reason of any settlement of any action effected with the written consent of the Company and the Guarantors. The Company and the Guarantors shall not, without the prior written consent of each Indemnified Holder, which consent shall not be withheld unreasonably, settle or compromise or consent to the entry of judgment in or otherwise seek to terminate any pending or threatened action, claim, litigation or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not any Indemnified Holder is a party thereto), unless such settlement, compromise, consent or termination includes an unconditional release of each Indemnified Holder from all liability arising out of such action, claim, litigation or proceeding.

(b) Each Holder of Transfer Restricted Securities agrees, severally and not jointly, to indemnify and hold harmless the Company, the Guarantors and their respective directors, officers, partners and members who sign a Registration Statement, and any Person controlling (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) the Company or any of the Guarantors, and the respective officers, directors, partners, employees, representatives and agents of each such Person, to the same extent as the foregoing indemnity from the Company and the Guarantors to each of the Indemnified Holders, but only with respect

to losses, claims, damages, liabilities, judgments, actions and expenses directly or indirectly caused by, related to, based on, arising out of or in connection with information relating to such Holder furnished in writing by such Holder expressly for use in any Registration Statement. In case any action or proceeding shall be brought against the Company, the Guarantors or their respective directors or officers or any such controlling person in respect of which indemnity may be sought against a Holder of Transfer Restricted Securities, such Holder shall have the rights and duties given the Company and the Guarantors, and the Company, the Guarantors, their respective directors, officers, partners and members and such controlling person shall have the rights and duties given to each Holder by the preceding paragraph.

(c) If the indemnification provided for in this Section 8 is unavailable to an indemnified party under Section 8(a) or (b) hereof (other than by reason of exceptions provided in those Sections) in respect of any losses, claims, damages, liabilities, judgments, actions or expenses referred to therein, then each applicable indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or expenses in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantors, on the one hand, and the Holders, on the other hand, from the Initial Placement (which in the case of the Company and the Guarantors shall be deemed to be equal to the total net proceeds to the Company and the Guarantors from the Initial Placement), the amount of Additional Interest which did not become payable as a result of the filing of the Registration Statement resulting in such losses, claims, damages, liabilities, judgments actions or expenses, and such Registration Statement, or if such allocation is not permitted by applicable law, the relative fault of the Company and the Guarantors, on the one hand, and the Holders, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative fault of the Company on the one hand and of the Indemnified Holder on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or any of the Guarantors, on the one hand, or the Indemnified Holders, on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in the second paragraph of Section 8(a) hereof, any documented legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim.

The Company, the Guarantors and each Holder of Transfer Restricted Securities agree that it would not be just and equitable if contribution pursuant to this Section 8(c) were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities or expenses referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any documented legal or other expenses reasonably incurred by such

indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 8, none of the Holders (and its related Indemnified Holders) shall be required to contribute, in the aggregate, any amount in excess of the amount by which the total discount received by such Holder with respect to the Initial Securities exceeds the amount of any damages which such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The Holders' obligations to contribute pursuant to this Section 8(c) are several in proportion to the respective principal amount of Initial Securities held by each of the Holders hereunder and not joint.

SECTION 9. *Rule 144A.* Each of the Company and the Guarantors hereby agrees with each Holder, for so long as any Transfer Restricted Securities remain outstanding, to make available to any Holder or beneficial owner of Transfer Restricted Securities in connection with any sale thereof and any prospective purchaser of such Transfer Restricted Securities from such Holder or beneficial owner, the information required by Rule 144A(d)(4) under the Securities Act in order to permit resales of such Transfer Restricted Securities pursuant to Rule 144A under the Securities Act.

SECTION 10. *Participation in Underwritten Registrations.* No Holder may participate in any Underwritten Registration hereunder unless such Holder (a) agrees to sell such Holder's Transfer Restricted Securities on the basis provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements and (b) completes and executes all reasonable questionnaires, powers of attorney, indemnities, underwriting agreements, lock-up letters and other documents required under the terms of such underwriting arrangements.

SECTION 11. *Selection of Underwriters.* The Holders of Transfer Restricted Securities covered by the Shelf Registration Statement who desire to do so may sell such Transfer Restricted Securities in an Underwritten Offering. In any such Underwritten Offering, the investment banker(s) and managing underwriter(s) that will administer such offering will be selected by the Holders of a majority in aggregate principal amount of the Transfer Restricted Securities included in such offering; *provided, however*, that such investment banker(s) and managing underwriter(s) must be reasonably satisfactory to the Company.

SECTION 12. *Miscellaneous.*

(a) *Remedies.* Each of the Company and the Guarantors hereby agrees that, except with respect to a Registration Default, monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Agreement and hereby agree to waive the defense in any action for specific performance that a remedy at law would be adequate.

(b) *No Inconsistent Agreements.* Each of the Company and the Guarantors will not on or after the date of this Agreement enter into any agreement with respect to its securities that

is inconsistent with the rights granted to the Holders in this Agreement or otherwise conflicts with the provisions hereof. Neither the Company nor any of the Guarantors has previously entered into any agreement granting any registration rights with respect to its securities to any Person. The rights granted to the Holders hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of the Company's or any of the Guarantors' securities under any agreement in effect on the date hereof.

(c) *Adjustments Affecting the Initial Securities.* The Company will not take any action, or permit any change to occur, with respect to the Initial Securities that could reasonably be expected to materially and adversely affect the ability of the Holders to consummate any Exchange Offer, unless such action or change is required by law.

(d) *Amendments and Waivers.* The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to or departures from the provisions hereof may not be given unless the Company has (i) in the case of Section 5 hereof and this Section 12(d)(i), obtained the written consent of Holders of all outstanding Transfer Restricted Securities and (ii) in the case of all other provisions hereof, obtained the written consent of Holders of a majority of the outstanding principal amount of Transfer Restricted Securities (excluding any Transfer Restricted Securities held by the Company or its affiliates). Notwithstanding the foregoing, a waiver or consent to departure from the provisions hereof that relates exclusively to the rights of Holders whose securities are being tendered pursuant to the Exchange Offer and that does not affect directly or indirectly the rights of other Holders whose securities are not being tendered pursuant to such Exchange Offer may be given by the Holders of a majority of the outstanding principal amount of Transfer Restricted Securities being tendered or registered; *provided, however,* that, with respect to any matter that directly or adversely affects the rights of any Initial Purchaser hereunder, the Company shall obtain the written consent of each such Initial Purchaser with respect to which such amendment, qualification, supplement, waiver, consent or departure is to be effective.

(e) *Notices.* All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, first-class mail (registered or certified, return receipt requested), telex, telecopier, or air courier guaranteeing overnight delivery:

(i) if to a Holder, at the address set forth on the records of the Registrar under the Indenture, with a copy to the Registrar under the Indenture; and

(k) *Entire Agreement.* This Agreement is intended by the parties as a final expression of their agreement and intended to be a complete and exclusive statement of the agreement and

understanding of the parties hereto in respect of the subject matter contained herein. QORVO ANNOUNCES EARLY RESULTS AND AMENDMENT OF CASH TENDER OFFER FOR SENIOR NOTES DUE 2025

GREENSBORO, NC — August 28, 2018 — Qorvo® (Nasdaq: QRVO), a leading provider of innovative RF solutions that connect the world, today announced the early results, as of 5:00 p.m., New York City time, on August 27, 2018 (the “Early Tender Deadline”), of its previously announced tender offer (the “Tender Offer”) to purchase for cash up to \$130,000,000 (the “Tender Cap”) of its outstanding 7.00% Senior Notes due 2025 (the “Notes”).

The aggregate principal amount of Notes validly tendered and not validly withdrawn at or prior to 5:00 p.m., New York City time, on August 27, 2018, is set forth in the table below.

Title of Notes	CUSIP Number	Aggregate Principal Amount Outstanding	Aggregate Principal Amount Tendered	Tender Cap	Early Tender Payment ⁽¹⁾⁽²⁾	Tender Offer Consideration ⁽¹⁾⁽³⁾	Total Consideration ⁽¹⁾⁽³⁾
7.00% Senior Notes due 2025	74736KAD3 74736KAC5 U7471QAB0	\$248,500,000	\$136,390,000	\$140,000,000	\$30.00	\$1,070.00	\$1,100.00

(1) Per \$1,000 principal amount of Notes tendered and accepted for purchase.

(2) Included in the Total Consideration for Notes tendered and accepted for purchase.

(3) Does not include accrued and unpaid interest that will be paid on Notes accepted for purchase.

It is currently expected that Notes tendered prior to the Early Tender Deadline will be purchased later today.

The Company also announced that it is amending the Tender Offer. Pursuant to the amendment, the Company is increasing the Tender Cap from \$130,000,000 to \$140,000,000.

The terms and conditions of the Tender Offer and Consent Solicitation (as defined below) are described in an Offer to Purchase and Consent Solicitation Statement, dated August 14, 2018 (the “Offer to Purchase and Consent Solicitation Statement”) and the related Letter of Transmittal and Consent (collectively, the “Offer Documents”). Except for the amendment described above, all other terms and conditions of the Tender Offer and the Consent Solicitation remain unchanged. The Tender Offer and Consent Solicitation will expire at 12:01 a.m.,

New York City time, on September 12, 2018, unless extended or earlier terminated by the Company (the “Expiration Date”). Holders of Notes that are validly tendered at or prior to the Expiration Date and accepted for purchase by the Company pursuant to the Tender Offer will receive the Tender Offer Consideration set forth in the table above. No tenders submitted after the Expiration Date will be valid. The deadline for holders to validly withdraw tenders of Notes was 5:00 p.m., New York City time, on August 27, 2018. Accordingly, Notes tendered in the Tender Offer may no longer be withdrawn, except in certain limited circumstances where additional withdrawal or revocation rights are required by law.

In connection with the Tender Offer, the Company also announced the results of its previously announced solicitation of consents (the “Consents”) from holders of Notes (the “Consent Solicitation”). In order for the Proposed Amendments described in the Offer to Purchase and Consent Solicitation Statement to be adopted, Consents must be received in respect of a majority of the aggregate principal amount of Notes then outstanding (excluding Notes owned by the Company or its affiliates) (the “Requisite Consents”). As the Requisite Consents have been received, the Company has executed and delivered a supplemental indenture to the Indenture giving effect to the Proposed Amendments. The supplemental indenture became effective upon execution and the Proposed Amendments will become operative upon the Company accepting and making payment for all Notes tendered in the Tender Offer later today. Accordingly, all tendered Notes will be accepted for purchase and no tendered Notes will be subject to proration.

Subject to all conditions to the Tender Offer and the Consent Solicitation having been either satisfied or waived, the Company will purchase Notes that have been validly tendered (with Consents that have been validly delivered) and not validly withdrawn (or Consents revoked) after the Early Tender Deadline and at or prior to the Expiration Date, promptly following the Expiration Date (the settlement date of such purchase being the “Final Settlement Date”), subject to the Tender Cap and proration. The Final Settlement Date is expected to occur on September 13, 2018, the business day following the Expiration Date, assuming that the conditions to the Tender Offer and the Consent Solicitation are satisfied or waived.

This press release does not constitute an offer to sell, or a solicitation of an offer to buy, any security. No offer, solicitation, or sale will be made in any jurisdiction in which such an offer, solicitation, or sale would be unlawful.

BofA Merrill Lynch, Citigroup Global Markets Inc. and Wells Fargo Securities, LLC are the dealer managers (the “Dealer Managers”) in the Tender Offer and Consent Solicitation. Global Bondholder Services Corporation has been retained to serve as both the depository and the information agent (the “Depository and Information Agent”) for the Tender Offer and Consent Solicitation. Questions regarding the Tender Offer and Consent Solicitation should be directed to BofA Merrill Lynch at (888) 292-0070 (toll-free), Citigroup Global Markets Inc. at (800) 558-3745 (toll-free) or Wells Fargo Securities, LLC at (866) 309-6316 (toll-free). Requests for copies of the Offer to Purchase and Consent Solicitation Statement and other related materials should be directed to Global Bondholder Services Corporation at (email) contact@gbsc-usa.com, (866) 470-4200 (U.S. Toll-Free), (212) 430-3774 (Banks and Brokers) or at <http://www.gbsc-usa.com/Qorvo> (website).

None of the Company, its board of directors, the Dealer Managers, the Depository and Information Agent, the Trustee under the Indenture, or any of the Company’s affiliates, makes any recommendation as to whether holders of the Notes should tender any Notes in response to the Tender Offer and Consent Solicitation. The Tender Offer and Consent Solicitation are made only by the Offer Documents. The Tender Offer and Consent Solicitation are not being made to holders of Notes in any jurisdiction in which the making or acceptance thereof would not be in compliance with the securities, blue sky or other laws of such jurisdiction. In any jurisdiction in which the Tender Offer and Consent Solicitation are required to be made by a licensed broker or dealer, the Tender Offer and Consent

Solicitation will be deemed to be made on behalf of the Company by the Dealer Managers or one or more registered brokers or dealers that are licensed under the laws of such jurisdiction.

We do not intend to update any of these forward-looking statements or publicly announce the results of any revisions to these forward-looking statements, other than as is required under U.S. federal securities laws. Our business is subject to numerous risks and uncertainties, including those relating to fluctuations in our operating results, our dependence on a few large customers for a substantial portion of our revenue, a loss of revenue if contracts with the U.S. government or defense and aerospace contractors are canceled or delayed, our ability to implement innovative technologies, our ability to bring new products to market and achieve design wins, the efficient and successful operation of our wafer fabrication and other facilities, our ability to adjust production capacity in a timely fashion in response to changes in demand for our products, variability in manufacturing yields, industry overcapacity, inaccurate product forecasts and corresponding inventory and manufacturing costs, dependence on third parties, our dependence on international sales and operations, our ability to attract and retain skilled personnel and develop leaders, the possibility that future acquisitions may dilute our stockholders' ownership and cause us to incur debt and assume contingent liabilities, fluctuations in the price of our common stock, our ability to protect our intellectual property, claims of intellectual property infringement and other lawsuits, security breaches and other similar disruptions compromising our information, and the impact of government and stringent environmental regulations. These and other risks and uncertainties, which are described in more detail in Qorvo's most recent Annual Report on Form 10-K and in other reports and statements filed with the Securities and Exchange Commission, could cause actual results and developments to be materially different from those expressed or implied by any of these forward-looking statements.
