1. ORGANIZATION

Qorvo, Inc. ("Qorvo" or the "Company"), formerly known as Rocky Holding, Inc., is a Delaware holding company and was incorporated on December 13, 2013. The Company was formed for the purpose of effecting a strategic combination of RF Micro Devices, Inc., a North Carolina corporation ("RFMD") and TriQuint Semiconductor, Inc., a Delaware corporation ("TriQuint") through a "merger of equals," in connection with the transactions contemplated by the Agreement and Plan of Merger and Reorganization, dated as of February 22, 2014 and amended as of July 15, 2014, by and among RFMD, TriQuint and the Company ("Merger Agreement"), and as described in the Company's Registration Statement on Form S-4 ("Form S-4") filed with the Securities and Exchange Commission ("SEC") on April 14, 2014, and as subsequently amended (File No. 333-195236). The Registration Statement was declared effective on July 30, 2014. On September 5, 2014, the shareholders of both RFMD and TriQuint approved the Merger Agreement at each company's special meeting of shareholders.

Effective October 3, 2014, in connection with the Merger Agreement, Rocky Holding, Inc. amended its Amended and Restated Certificate of Incorporation and amended and restated its bylaws to reflect the new name of the Company, Qorvo. The Company's common stock is expected to be traded on the NASDAQ Global Stock Market under the ticker symbol "QRVO" following closing of the merger. RFMD's board of directors has selected the following individuals to serve on the Company's board of directors (the "Board") following the closing: Daniel A. DiLeo, Jeffery R. Gardner and John R. Harding. TriQuint's board of directors has selected the following individuals to serve on the Board following the closing: Charles Scott Gibson, David H.Y. Ho, Roderick D. Nelson and Dr. Walden C. Rhines. As previously announced, after closing, the Board also will include Robert A. Bruggeworth, Ralph G. Quinsey, who will serve as non-executive chairman, and Walter H. The Company has formed two direct subsidiaries, Trident Merger Sub Inc. and Rocky Merger Sub Inc. Pursuant to the Merger Agreement, Trident Merger Sub Inc. will merge with and into TriQuint, and Rocky Merger Sub Inc. will merge with and into RFMD (the "Mergers"). As a result of the Mergers, TriQuint and RFMD will each become a wholly owned subsidiary of the Company.

The consummation of the business combination with TriQuint continues to be subject to certain regulatory approvals and satisfaction of customary closing conditions. We currently anticipate the merger will be completed during the second half of calendar year 2014.

The Company has not commenced operations, has no significant assets or liabilities, and has not carried on any activities other than those incidental to its formation and the matters contemplated by the Merger Agreement. As of September 27, 2014, RFMD is the Company's sole stockholder and the Company does not hold any equity interest in any other legal entity.

2. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES

The accompanying unaudited Condensed Financial Statements of the Company have been prepared in conformity with accounting principles generally accepted in the United States ("U.S. GAAP") pursuant to the rules and regulations of the SEC regarding interim financial reporting. Accordingly, the unaudited condensed financial statements do not include all of the information and footnotes required by U.S. GAAP for complete financial statements and should be read in conjunction with the Company's Form S-4. In the opinion of management, the financial statements include all adjustments (which are of a normal and recurring nature) necessary for the fair presentation of the results of the interim periods presented.

[Table of Contents](#)

Preparing financial statements requires management to make estimates and assumptions that affect the amounts that are reported in the financial statements and accompanying disclosures. Although these estimates are based on management's best knowledge of current events and actions that the Company may undertake in the future, actual results may be different from these estimates. The results of operations for the three and six months ended September 27, 2014 are not necessarily indicative of the results to be expected for any future period or the full fiscal year.

The Company uses a 52- or 53-week fiscal year ending on the Saturday closest to March 31 of each year. The first fiscal quarter of each year ends on the Saturday closest to June 30, the second fiscal quarter of each year ends on the Saturday closest to September 30 and the third fiscal quarter of each year ends on the Saturday closest to December 31. Fiscal 2015 is a 52-week year.

3. COMMON STOCK

As of September 27, 2014, there were 1,000 shares of common stock, par value of \$0.0001 per share, of the Company issued and outstanding. All such issued and outstanding shares were held by RFMD.

4. DUE FROM STOCKHOLDER

Amounts receivable from RFMD are associated with the issuance of the Company's common stock. The Company has received payment of \$100 from RFMD for the purchase of 1,000 shares of the Company's common stock.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS.

SAFE HARBOR FOR FORWARD-LOOKING STATEMENTS

This Quarterly Report on Form 10-Q contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, that relate to our plans, objectives, estimates and goals. Words such as "expect," "anticipate," "intend," "plan," "believe," and "estimate," and variations of such words and similar expressions, identify such forward-looking statements. These statements are subject to known and unknown risks and uncertainties that could cause actual results to differ materially from those expressed or implied by such statements, including but not limited to: the ability of the parties to consummate the transactions contemplated by the Merger Agreement in a timely manner or at all and other risks described in the Registration Statement on Form S-4/A (File No. 333-195236) (the Form "S-4") filed by the Company with the SEC and declared effective on July 30, 2014. All forward-looking statements are based on management's estimates, projections and assumptions as of the date hereof. Except as required under applicable law, the Company does not undertake any obligation to update any forward-looking statements.

You should also read and consider the risk factors associated with each of the businesses of RFMD and TriQuint because these risk factors may affect the operations and financial results of the combined Company. These risk factors may be found under Part I, Item 1A of RFMD's Annual Report on Form 10-K for the year ended March 29, 2014, and Part I, Item 1A of TriQuint's Annual Report on Form 10-K for the year ended December 31, 2013, each of which is on file with the SEC.
