RF Micro Devices to Webcast Fiscal 2006 Annual Meeting of Shareholders on August 1, 2006

Reminder - RF Micro Devices Earnings Conference Call to Be Webcast July 25, 2006

GREENSBORO, N.C., July 18 /PRNewswire-FirstCall/ -- RF Micro Devices, Inc. (Nasdaq: RFMD), a global leader in the design and manufacture of high-performance radio systems and solutions for applications that drive mobile communications, today announced that it intends to provide a live audio webcast of its fiscal 2006 annual meeting of shareholders. The annual meeting is scheduled for Tuesday, August 1, 2006, at 1:30 p.m. (ET), at the Greensboro-High Point Airport Marriott in Greensboro, North Carolina. Investors may access the audio webcast of the annual meeting on the Company's web site at <http://www.rfmd.com> (under "Investor Info").

Interested individuals are encouraged to access the link to the webcast prior to its commencement to ensure the availability of the necessary audio software. Individuals accessing the presentation via the webcast will not be able to vote, ask questions or otherwise participate in the meeting. An audio replay of the meeting will be available later in the day at the Company's website.

2007 First Quarter Conference Call Details

The Company, as previously announced, will host a conference call to review fiscal 2007 first quarter financial results and provide forward-looking guidance on Tuesday, July 25 at 5 p.m. (ET). The conference call will be webcast live on <http://www.earnings.com> and on the Company's web site at <http://www.rfmd.com> (under "Investor Info").

A telephone playback of the conference call will be available approximately one hour after the call's completion and can be accessed by dialing 303-590-3000 and using the passcode 11065487. The playback will be available through the close of business August 1, 2006.

RFMD will distribute fiscal 2007 first quarter financial results at approximately 4:00 p.m. (ET) on Tuesday, July 25, 2006.

About RFMD

RF Micro Devices, Inc. (Nasdaq: RFMD) is a global leader in the design and manufacture of high-performance radio systems and solutions for applications that drive mobile communications. RFMD's power amplifiers, transmit modules, cellular transceivers and system-on-chip (SOC) solutions enable worldwide mobility, provide enhanced connectivity and support advanced functionality in current- and next-generation mobile handsets, cellular base stations, wireless local area networks (WLANs), wireless personal area networks (WPANs) and global positioning systems (GPS). Recognized for its diverse portfolio of state-of-the-art semiconductor technologies and vast RF systems expertise, RFMD is a preferred supplier enabling the world's leading mobile device manufacturers to deliver advanced wireless capabilities that satisfy current and future market demands.

Headquartered in Greensboro, N.C., RFMD is an ISO 9001- and ISO 14001- certified manufacturer with worldwide engineering, design, sales and service facilities. RFMD is traded on the NASDAQ Global Select Market under the symbol RFMD. For more information, please visit RFMD's web site at <http://www.rfmd.com>.

This press release includes "forward-looking statements" within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These forward-looking statements include, but are not limited to, statements about our plans, objectives, representations and contentions and are not historical facts and typically are identified by use of terms such as "may," "will," "should," "could," "expect," "plan," "anticipate," "believe," "estimate," "predict," "potential," "continue" and similar words, although some forward-looking statements are expressed differently. You should be aware that the forward-looking statements included herein represent management's current judgment and expectations, but our actual results, events and performance could differ materially from those expressed or implied by forward-looking statements. We do not intend to update any of these forward-looking statements or publicly announce the results of any revisions to these forward-looking statements, other than as is required under the federal securities laws. RF Micro Devices' business is subject to numerous risks and uncertainties, including variability in quarterly operating results, the rate of growth and development of wireless markets, risks associated with the operation of our wafer fabrication facilities, molecular beam epitaxy facility, assembly facility and test and tape and reel facilities, our ability to attract and retain skilled personnel and develop leaders, variability in production yields, our ability to reduce costs and improve gross margins by implementing innovative technologies, our ability to bring new products to market, our ability to adjust production capacity in a timely fashion in response to changes in demand for our products,

dependence on a limited number of customers, and dependence on third parties. These and other risks and uncertainties, which are described in more detail in RF Micro Devices' most recent Annual Report on Form 10-K filed with the Securities and Exchange Commission, could cause actual results and developments to be materially different from those expressed or implied by any of these forward- looking statements.
