**ITEM 4. Description of Securities.**

Not Applicable.

**ITEM 5. Interests of named Experts and Counsel.**

None.

**ITEM 6. Indemnification of Directors and Officers.**

Delaware law permits a corporation to adopt a provision in its certificate of incorporation eliminating or limiting the personal liability of a director, but not an officer in his or her capacity as such, to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except that such provision does not limit the liability of a director for (i) any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) liability under section 174 of the DGCL for unlawful payment of dividends or stock purchases or redemptions, or (iv) any transaction from which the director derived an improper personal benefit.

Under Delaware law, a corporation may indemnify any person made a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), because he or she is or was an officer, director, employee or agent of the corporation or was serving at the request of the corporation as an officer, director, employee or agent of another corporation or entity against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such proceeding: if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation and, in the case of a criminal proceeding, he or she had no reasonable cause to believe that his or her conduct was unlawful. A corporation may indemnify any person made a party or threatened to be made a party to any threatened, pending or completed action or suit brought by or in the right of the corporation because he or she was an officer, director, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or other entity, against expenses (including attorneys' fees) actually and reasonably incurred in connection with such action or suit if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, provided that such indemnification will be denied if the person is found liable to the corporation unless, in such a case, the court determines the person is entitled to indemnification for such expenses as the court deems proper. A corporation must indemnify a present or former director or officer who successfully defends himself or herself in a proceeding to which he or she was a party because he or she was a director or officer of the corporation against expenses actually and reasonably incurred by him or her in connection with such proceeding. Expenses incurred by an officer or director, or any employees or agents as deemed appropriate by the board of directors, in defending civil or criminal proceedings may be paid by the corporation in advance of the final disposition of such proceedings upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it is ultimately determined that he or she is not entitled to be indemnified by the corporation.

The Registrant's certificate of incorporation provides that, to the fullest extent permitted by the DGCL, no director may be held personally liable to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director.

The Registrant's bylaws provide that the Registrant will, to the maximum extent and in the manner permitted by the DGCL, indemnify any person against expenses, liabilities and losses (including attorney's fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) actually and reasonably incurred in connection with any threatened, pending or completed action, suit, or proceeding in which such person was or is a party or is threatened to be made a party because such person is or was a director or officer of the corporation. However, the Registrant's bylaws provide that the Registrant shall only be required to indemnify a director or officer in connection with an action, suit, or proceeding (or part thereof) such director or officer has initiated if the board of directors authorized the initiation of such action, suit, or proceeding (or part thereof). For purposes of this indemnification provision, the Registrant's bylaws define "directors" and "officers" to include any person (a) who is or was a director or officer of the Registrant; (b) who is or was serving at the Registrant's request as a director or officer of another corporation, partnership, joint venture, trust or other enterprise; or (c) who was a director or officer of a corporation which was a predecessor corporation of the Registrant or of another enterprise at the request of such predecessor corporation.

Further, the Registrant's bylaws obligate the Registrant to pay the expenses (including attorney's fees) that a director or officer who is entitled to indemnification incurs before the final disposition of the action, suit or proceeding in defending any action, suit or proceeding for which the Registrant may be

obligated to indemnify such officer or director. To receive expenses in advance, such director or officer must provide the Registrant with an undertaking by such officer or director to repay all amounts advanced if it should ultimately be determined that the director or officer is not entitled to indemnification from the Registrant.

**ITEM 7. Exemption From Registration Claimed.**

Not Applicable.

**ITEM 8. Exhibits.**

The exhibits listed in the accompanying Exhibit Index are filed or incorporated by reference as part of this Registration Statement.

**ITEM 9. Undertakings.**

(a) The undersigned Company hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

- (i) to include any prospectus required by Section 10(a)(3) of the Securities Act;
- (ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and
- (iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with, or furnished to, the Commission by the Company pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

- (b) The undersigned Company hereby undertakes that, for the purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

This opinion is provided pursuant to the requirements of Item 8(a) of Form S-8 and Item 601(b)(5) of Regulation S-K.

As the Company's counsel, we have examined originals or copies, certified or otherwise identified to our satisfaction, of the Company's certificate of incorporation and bylaws, each as amended to date, and minutes and records of the corporate proceedings of the Company relating to the filing of the Registration Statement and the issuance of the Shares, as provided to us by the Company, certificates of public officials and of representatives of the Company, and statutes and other instruments and documents, as a basis for the opinions hereinafter expressed. Based on and subject to the foregoing, and having regard for such legal considerations as we deem relevant, it is our opinion that the Shares have been duly authorized by all necessary corporate action on the part of the Company, and, upon issuance, delivery and payment therefor in the manner contemplated by the respective Plan and the Registration Statement, the Shares will be validly issued, fully paid and non-assessable.

This opinion is limited to the laws of the State of Delaware, and we are expressing no opinion as to the effect of the laws of any other jurisdiction.

This opinion is rendered as of the date hereof, and we undertake no obligation to advise you of any changes in applicable law or any other matters that may come to our attention after the date hereof.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to any reference to the name of our firm in the Registration Statement. In giving this consent, we do not admit that we are in the category of persons whose consent is required under Section 7 of the 1933 Act or the rules and regulations of the Commission thereunder.

Very truly yours,

results due to the Participant's (A) dishonesty; (B) failure to perform his duties for the Company or an Affiliate; or (C) engaging in fraudulent conduct or conduct that could be materially damaging to the Company without a reasonable good faith belief that such conduct was in the best interest of the Company. The determination of "Cause" shall be made by the Administrator and its determination shall be final and conclusive. Without in any way limiting the effect of the foregoing, for purposes of the Plan and an Award, a Participant's employment or service shall be deemed to have terminated for Cause if, after the Participant's employment or service has terminated, facts and circumstances are discovered that would have justified, in the opinion of the Administrator, a termination for Cause.

For the purposes of clarity, a transaction shall not constitute a Change of Control if its principal purpose is to change the state of the Company's incorporation, create a holding company that would be owned in substantially the same proportions by the persons who held the Company's securities immediately before such transaction or is another transaction of other similar effect.

Notwithstanding the preceding provisions of Section 1(i), in the event that any Awards granted under the Plan are deemed to be deferred compensation subject to (and not exempt from) the provisions of Code Section 409A, then distributions related to such Awards to be made upon a Change of Control may be permitted, in the Administrator's discretion, upon the occurrence of one or more of the following events (as they are defined and interpreted under Code Section 409A): (A) a change in the ownership of the Company; (B) a change in effective control of the Company; or (C) a change in the ownership of a substantial portion of the assets of the Company.

An event or condition that would otherwise constitute "Good Reason" shall constitute Good Reason only if the Company fails to rescind or cure such event or condition within 30 days after receipt from the Participant of written notice of the event which constitutes Good Reason, and Good Reason shall cease to exist for any event or condition described herein on the 60<sup>th</sup> day following the later of the occurrence or the Participant's knowledge thereof, unless the Participant has given the Company written notice thereof prior to such date. No member of the Board or Committee, as applicable, shall be liable while acting as Administrator for any action or determination made in good faith with respect to the Plan, an Award or an

however, that, as of the Merger Effective Date, such number of shares shall be deemed modified to refer instead to that number of shares of Qorvo Common Stock as is determined by multiplying the number of referenced shares of RFMD Common Stock by the RFMD Exchange Ratio and rounding the resulting number down to the nearest whole number of shares of Qorvo Common Stock, or as may otherwise be necessary to comply with Section 6.4(e) of the Merger Agreement or Applicable Law;

(ii) In any 12-month period, no Participant may be granted Options and SARs that are not related to an Option for more than 2,000,000 shares of Common Stock (or the equivalent value thereof based on the Fair Market Value per share of the Common Stock on the date of grant of an Award); provided, however, that, as of the Merger Effective Date, such number of shares (or equivalent value thereof as described herein) shall be deemed modified to refer instead to that number of shares of Qorvo Common Stock (or equivalent value thereof) as is determined by multiplying the number of referenced shares of RFMD Common Stock (or equivalent value thereof) by the RFMD Exchange Ratio and rounding the resulting number down to the nearest whole number of shares of Qorvo Common Stock (or equivalent value thereof), or as may otherwise be necessary to comply with Section 6.4(e) of the Merger Agreement or Applicable Law;

(iii) In any 12-month period, no Participant may be granted Awards other than Options or SARs that are settled in shares of Common Stock for more than 2,000,000 shares of Common Stock (or the equivalent value thereof based on the Fair Market Value per share of the Common Stock on the date of grant of an Award); provided, however, that, as of the Merger Effective Date, such number of shares (or equivalent value thereof as described herein) shall be deemed modified to refer instead to that number of shares of Qorvo Common Stock (or equivalent value thereof) as is determined by multiplying the number of referenced shares of RFMD Common Stock (or equivalent value thereof) by the RFMD Exchange Ratio and rounding the resulting number down to the nearest whole number of shares of Qorvo Common Stock (or equivalent value thereof), or as may otherwise be necessary to comply with Section 6.4(e) of the Merger Agreement or Applicable Law.

(For purposes of Section 5(b)(ii) and (iii), an Option and Related SAR shall be treated as a single Award.)

(c) *Shares Not Subject to Limitations:* The following will not be applied to the share limitations of Section 5(a) above: (i) dividends, including dividends paid in shares, or dividend equivalents paid in cash in connection with outstanding Awards; (ii) Awards which are settled in cash rather than the issuance of shares; (iii) any shares subject to an Award if the Award is forfeited, cancelled, terminated, expires or lapses for any reason without the issuance of shares underlying the Award or any shares subject to an Award which shares are forfeited to, or repurchased or reacquired by, the Company; and (iv) any shares surrendered by a Participant or withheld by the Company to pay the Option Price or purchase price for an Award or shares or used to satisfy any tax withholding requirements in connection with the exercise, vesting or earning of an Award if, in accordance with the terms of the Plan, a Participant pays such Option Price or purchase price or satisfies such tax withholding requirements by either tendering previously owned shares or having the Company withhold shares. Further, (i) shares issued under the Plan through the settlement, assumption or substitution of outstanding awards granted by another entity or obligations to grant future awards as a condition of or in connection with a merger, acquisition or similar transaction involving the Company acquiring another entity shall not reduce the maximum number of shares of Common Stock available for delivery under the Plan; and (ii) available shares under a shareholder approved plan of an acquired company (as appropriately adjusted to reflect the transaction) may be used for Awards under the Plan (subject to applicable stock exchange listing requirements) and will not reduce the maximum number of shares available under the Plan.

(d) *Adjustments; Right to Issue Additional Securities:* If there is any change in the outstanding shares of Common Stock because of a merger, consolidation or reorganization involving the Company, or if the Board declares a stock dividend, stock split distributable in shares of Common Stock or reverse stock split, combination or reclassification of the Common Stock, or if there is a similar change in the capital stock structure of the Company affecting the Common Stock (excluding conversion of convertible securities by the Company and/or the exercise of warrants by their holders), then the number of shares of Common Stock reserved for issuance under the Plan shall be correspondingly adjusted, and the Administrator shall make such adjustments to Awards or to any provisions of this Plan as the Administrator deems equitable to prevent dilution or enlargement of Awards or as may otherwise be advisable. Nothing in the Plan, an Award or an Award Agreement shall limit the ability of the Company to issue additional securities (including but not limited to the issuance of other options or other derivative securities, warrants, additional shares or classes of Common Stock, preferred stock and/or other convertible securities).

## **6. Eligibility**

An Award may be granted only to an individual who satisfies all of the following eligibility requirements on the date the Award is granted:

(a) The individual is either (i) an Employee, (ii) a Director or (iii) an Independent Contractor. Without limiting the foregoing, on and after the Merger Effective Date, Employees, Directors and Independent Contractors of Qorvo, RFMD and TriQuint (or any other Affiliate of Qorvo) shall be eligible to participate in the Plan.

(b) With respect to the grant of Incentive Options, the individual is otherwise eligible to participate under Section 6, is an Employee of the Company or a Parent or Subsidiary and does not own, immediately before the time that the Incentive Option is granted, stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or a Parent or Subsidiary. Notwithstanding the foregoing, an Employee who owns more than 10% of the total combined voting power of the Company or a Parent or Subsidiary may be granted an Incentive Option if the Option Price is at least 110% of the Fair Market Value of the Common Stock, and the Option Period does not exceed five years. For this purpose, an individual will be deemed to own stock which is attributable to him under Code Section 424(d).

(c) With respect to the grant of substitute awards or assumption of awards in connection with a merger, consolidation, acquisition, reorganization or similar transaction involving the Company or an Affiliate, the recipient is otherwise eligible to receive the Award and the terms of the award are consistent with the Plan and Applicable Law (including, to the extent necessary, the federal securities laws registration provisions, Code Section 409A and Code Section 424(a)).

(d) The individual, being otherwise eligible under this Section 6, is selected by the Administrator as an individual to whom an Award shall be granted (as defined above, a "Participant").

## **7. Options**

(a) *Grant of Options:* Subject to the limitations of the Plan, the Administrator may in its discretion grant Options to such eligible individuals in such numbers, subject to such terms and conditions, and at such times as the Administrator shall determine. Both Incentive Options and

Nonqualified Options may be granted under the Plan, as determined by the Administrator; provided, however, that Incentive Options may only be granted to Employees of the Company or a Parent or Subsidiary. To the extent that an Option is designated as an Incentive Option but does not qualify as such under Code Section 422, the Option (or portion thereof) shall be treated as a Nonqualified Option. An Option may be granted with or without a Related SAR.

(b) *Option Price:* The Option Price per share at which an Option may be exercised shall be established by the Administrator and stated in the Award Agreement evidencing the grant of the Option; provided, that (i) the Option Price of an Option shall be no less than 100% of the Fair Market Value per share of the Common Stock as determined on the date the Option is granted (or 110% of the Fair Market Value with respect to Incentive Options granted to an Employee who owns stock possessing more than 10% of the total voting power of all classes of stock of the Company or a Parent or Subsidiary, as provided in Section 6(b)); and (ii) in no event shall the Option Price per share of any Option be less than the par value, if any, per share of the Common Stock. Notwithstanding the foregoing, the Administrator may in its discretion authorize the grant of substitute or assumed options of an acquired entity with an Option Price not equal to 100% of the Fair Market Value of the stock on the date of grant, if the terms of such substitution or assumption otherwise comply, to the extent deemed applicable, with Code Section 409A and/or Code Section 424(a).

(c) *Date of Grant:* An Option shall be considered to be granted on the date that the Administrator acts to grant the Option, or on such other date as may be established by the Administrator in accordance with Applicable Law.

(d) *Option Period and Limitations on the Right to Exercise Options:*

(i) The Option Period shall be determined by the Administrator at the time the Option is granted and shall be stated in the Award Agreement. The Option Period shall not extend more than 10 years from the date on which the Option is granted (or five years with respect to Incentive Options granted to an Employee who owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or a Parent or Subsidiary, as provided in Section 6(b)). Any Option or portion thereof not exercised before expiration of the Option Period shall terminate. The period or periods during which, and the terms and conditions pursuant to which, an Option may vest and become exercisable shall be determined by the Administrator in its discretion, subject to the terms of the Plan.

(ii) An Option may be exercised by giving written notice to the Company in form acceptable to the Administrator at such place and subject to such conditions as may be established by the Administrator or its designee. Such notice shall specify the number of shares to be purchased pursuant to an Option and the aggregate purchase price to be paid therefor and shall be accompanied by payment of such purchase price. Unless an Award Agreement provides otherwise, such payment shall be in the form of cash or cash equivalent; provided that, except where prohibited by the Administrator or Applicable Law (and subject to such terms and conditions as may be established by the Administrator), payment may also be made:

(A) By delivery (by either actual delivery or attestation) of shares of Common Stock owned by the Participant for such time period, if any, as may be determined by the Administrator;

(B) By shares of Common Stock withheld upon exercise;

(C) By delivery of written notice of exercise to the Company and delivery to a broker of written notice of exercise and irrevocable instructions to promptly deliver to the Company the amount of sale or loan proceeds to pay the Option Price;

(D) By such other payment methods as may be approved by the Administrator and which are acceptable under Applicable Law; or

(E) By any combination of the foregoing methods.

Shares delivered or withheld in payment on the exercise of an Option shall be valued at their Fair Market Value on the date of exercise, as determined by the Administrator or its designee.

(iii) The Administrator shall determine the extent, if any, to which a Participant may have the right to exercise an Option following termination of the Participant's employment or service with the Company. Such rights, if any, shall be subject to the sole discretion of the Administrator, shall be stated in the individual Award Agreement, need not be uniform among all Options issued pursuant to this Section 7, and may reflect distinctions based on the reasons for termination of employment or service. The Administrator also shall have authority, in its sole discretion (taking into account any Code Section 409A considerations), to accelerate the date for exercising all or any part of an Option which was not otherwise vested and exercisable, extend the period during which an Option may be exercised, modify the other terms and conditions of exercise, or any combination of the foregoing.

(e) *Notice of Disposition*: If shares of Common Stock acquired upon exercise of an Incentive Option are disposed of within two years following the date of grant or one year following the transfer of such shares to a Participant upon exercise, the Participant shall, promptly following such disposition, notify the Company in writing of the date and terms of such disposition and provide such other information regarding the disposition as the Administrator may reasonably require.

(f) *Limitation on Incentive Options*: In no event shall there first become exercisable by an Employee in any one calendar year Incentive Options granted by the Company or any Parent or Subsidiary with respect to shares having an aggregate Fair Market Value (determined at the time an Incentive Option is granted) greater than \$100,000; provided that, if such limit is exceeded, then the first \$100,000 of shares to become exercisable in such calendar year will be Incentive Options and the Options (or portion thereof) for shares with a value in excess of \$100,000 that first became exercisable in that calendar year will be Nonqualified Options. In the event the Code or the regulations promulgated thereunder are amended after the Effective Date of the Plan to provide for a different limitation on the Fair Market Value of shares permitted to be subject to Incentive Options, then such different limit shall be automatically incorporated herein. To the extent that any Incentive Options are first exercisable by a Participant in excess of the limitation described herein, the excess shall be considered a Nonqualified Option.

(g) *Nontransferability of Options*: Incentive Options shall not be transferable (including by sale, assignment, pledge or hypothecation) other than transfers by will or the laws of intestate succession or, in the Administrator's discretion, such transfers (for no consideration) as may otherwise be permitted in accordance with Treas. Reg. Section 1.421-1(b)(2) or Treas. Reg. Section 1.421-2(c) or any successor provisions thereto. Nonqualified Options shall not be transferable (including by sale, assignment, pledge or hypothecation) other than by will or the laws of intestate succession, except for transfers (for no consideration) if and to the extent permitted by the Administrator in a manner consistent with the registration provisions of the Securities Act. Except as may be permitted by the preceding, an Option shall be exercisable during the Participant's lifetime only by him or by his guardian or legal representative. The designation of a beneficiary in accordance with the Plan does not constitute a transfer.

## 8. Stock Appreciation Rights

(a) *Grant of SARs*: Subject to the limitations of the Plan, the Administrator may in its discretion grant SARs to such eligible individuals, in such numbers, upon such terms and at such times as the Administrator shall determine. SARs may be granted to the holder of an Option (a “Related Option”) with respect to all or a portion of the shares of Common Stock subject to the Related Option (a “Related SAR”) or may be granted separately to an eligible individual (a “Freestanding SAR”). The Base Price per share of an SAR shall be no less than 100% of the Fair Market Value per share of the Common Stock on the date the SAR is granted. Notwithstanding the foregoing, the Administrator may in its discretion authorize the grant of substitute or assumed SARs of an acquired entity with a Base Price per share not equal to at least 100% of the Fair Market Value of the stock on the date of grant, if the terms of such substitution or assumption otherwise comply, to the extent deemed applicable, with Code Section 409A and/or Code Section 424(a). An SAR shall be considered to be granted on the date that the Administrator acts to grant the SAR, or on such other date as may be established by the Administrator in accordance with Applicable Law.

(b) *Related SARs*: A Related SAR may be granted either concurrently with the grant of the Related Option or (if the Related Option is a Nonqualified Option) at any time thereafter prior to the complete exercise, termination, expiration or cancellation of such Related Option. The Base Price of a Related SAR shall be equal to the Option Price of the Related Option. Related SARs shall be exercisable only at the time and to the extent that the Related Option is exercisable (and may be subject to such additional limitations on exercisability as the Administrator may provide in an Award Agreement), and in no event after the complete termination or full exercise of the Related Option. Notwithstanding the foregoing, a Related SAR that is related to an Incentive Option may be exercised only to the extent that the Related Option is exercisable and only when the Fair Market Value exceeds the Option Price of the Related Option. Upon the exercise of a Related SAR granted in connection with a Related Option, the Option shall be canceled to the extent of the number of shares as to which the SAR is exercised, and upon the exercise of a Related Option, the Related SAR shall be canceled to the extent of the number of shares as to which the Related Option is exercised or surrendered.

(c) *Freestanding SARs*: An SAR may be granted without relationship to an Option (as defined above, a “Freestanding SAR”) and, in such case, will be exercisable upon such terms and subject to such conditions as may be determined by the Administrator, subject to the terms of the Plan.

### (d) *Exercise of SARs*:

(i) Subject to the terms of the Plan, SARs shall be vested and exercisable in whole or in part upon such terms and conditions as may be established by the Administrator. The period during which an SAR may be exercisable shall not exceed 10 years from the date of grant or, in the case of Related SARs, such shorter Option Period as may apply to the Related Option. Any SAR or portion thereof not exercised before expiration of the period established by the Administrator shall terminate.

(ii) SARs may be exercised by giving written notice to the Company in form acceptable to the Administrator at such place and subject to such terms and conditions as may be established by the Administrator or its designee. Unless the Administrator determines otherwise, the date of exercise of an SAR shall mean the date on which the Company shall have received proper notice from the Participant of the exercise of such SAR.

(iii) The Administrator shall determine the extent, if any, to which a Participant may have the right to exercise an SAR following termination of the Participant's employment or service with the Company. Such rights, if any, shall be determined in the sole discretion of the Administrator, shall be stated in the individual Award Agreement, need not be uniform among all SARs issued pursuant to this Section 8, and may reflect distinctions based on the reasons for termination of employment or service. The Administrator also may, in its sole discretion (taking into account any Code Section 409A considerations), accelerate the date for exercising all or any part of an SAR which was not otherwise exercisable on the Termination Date, extend the period during which an SAR may be exercised, modify the terms and conditions to exercise, or any combination of the foregoing.

(e) *Payment Upon Exercise*: Subject to the limitations of the Plan, upon the exercise of an SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying (i) the excess, if any, of the Fair Market Value of a share of Common Stock on the date of exercise of the SAR over the Base Price of the SAR by (ii) the number of shares of Common Stock with respect to which the SAR is being exercised. The consideration payable upon exercise of an SAR shall be paid in cash, shares of Common Stock (valued at Fair Market Value on the date of exercise of the SAR) or a combination of cash and shares of Common Stock, as determined by the Administrator.

(f) *Nontransferability*: Unless the Administrator determines otherwise, SARs shall not be transferable (including by sale, assignment, pledge or hypothecation) other than by will or the laws of intestate succession, except for transfers (for no consideration) if and to the extent permitted by the Administrator in a manner consistent with the registration provisions of the Securities Act. Except as may be permitted by the preceding sentence, SARs may be exercised during the Participant's lifetime only by him or by his guardian or legal representative. The designation of a beneficiary in accordance with the Plan does not constitute a transfer.

## 9. Restricted Awards

(a) *Grant of Restricted Awards*: Subject to the limitations of the Plan, the Administrator may in its discretion grant Restricted Awards to such individuals, for such numbers of shares of Common Stock, upon such terms and at such times as the Administrator shall determine. Such Restricted Awards may be in the form of Restricted Stock Awards and/or Restricted Stock Units that are subject to certain conditions, which conditions must be met in order for the Restricted Award to vest and be earned (in whole or in part) and no longer subject to forfeiture. Restricted Stock Awards shall be payable in shares of Common Stock. Restricted Stock Units shall be payable in cash or shares of Common Stock, or partly in cash and partly in shares of Common Stock, in accordance with the terms of the Plan and the discretion of the Administrator. The Administrator shall determine the nature, length and starting date of the period, if any, during which a Restricted Award may be earned (the "Restriction Period"), and shall determine the conditions which must be met in order for a Restricted Award to be granted or to vest or be earned (in whole or in part), which conditions may include, but are not limited to, payment of a stipulated purchase price, attainment of performance objectives, continued service or employment for a certain period of time, a combination of attainment of performance objectives and continued service, Retirement, Displacement, Disability, death, or any combination of such conditions. In the case of Restricted Awards based upon performance criteria, or a combination of performance criteria and continued service, the Administrator shall determine the Performance Measures applicable to such Restricted Awards (subject to Section 1(l)).

(b) *Vesting of Restricted Awards*: Subject to the terms of the Plan (and taking into account any Code Section 409A considerations), the Administrator shall have sole authority to determine whether and to what degree Restricted Awards have vested and been earned and are payable and to establish and interpret the terms and conditions of Restricted Awards. The Administrator, in its sole discretion, may

(subject to any Code Section 409A considerations) accelerate the date that any Restricted Award granted to a Participant shall be deemed to be vested or earned in whole or in part, without any obligation to accelerate such date with respect to other Restricted Awards granted to any Participant.

(c) *Termination of Employment or Service; Forfeiture*: Unless the Administrator determines otherwise, if the employment or service of a Participant shall be terminated for any reason (whether by the Company or the Participant and whether voluntary or involuntary) and all or any part of a Restricted Award has not vested or been earned pursuant to the terms of the Plan and related Award Agreement, such Award, to the extent not then vested or earned, shall be forfeited immediately upon such termination and the Participant shall have no further rights with respect thereto.

(d) *Share Certificates; Escrow*: Unless the Administrator determines otherwise, a certificate or certificates representing the shares of Common Stock subject to a Restricted Stock Award shall be issued in the name of the Participant (or, in the case of uncertificated shares, other written evidence of ownership in accordance with Applicable Law shall be provided) after the Award has been granted. Notwithstanding the foregoing, the Administrator may require that (i) a Participant deliver the certificate(s) (or other instruments) for such shares to the Administrator or its designee to be held in escrow until the Restricted Stock Award vests and is no longer subject to a substantial risk of forfeiture (in which case the shares will be promptly released to the Participant) or is forfeited (in which case the shares shall be returned to the Company); and/or (ii) a Participant deliver to the Company a stock power, endorsed in blank (or similar instrument), relating to the shares subject to the Restricted Stock Award which are subject to forfeiture. Unless the Administrator determines otherwise, a certificate or certificate representing shares of Common Stock issuable pursuant to a Restricted Stock Unit shall be issued in the name of the Participant (or, in the case of uncertificated shares, other written evidence of ownership in accordance with Applicable Law shall be provided) promptly after the Award (or portion thereof) has vested and is distributable.

(e) *Nontransferability*: Unless the Administrator determines otherwise, Restricted Awards that have not vested shall not be transferable (including by sale, assignment, pledge or hypothecation) other than transfers (for no consideration) by will or the laws of intestate succession, and the recipient of a Restricted Award shall not sell, transfer, assign, pledge or otherwise encumber shares subject to the Award until the Restriction Period has expired and until all conditions to vesting have been met. The designation of a beneficiary in accordance with the Plan does not constitute a transfer.

## **10. Performance Awards**

(a) *Grant of Performance Awards*: Subject to the terms of the Plan, the Administrator may in its discretion grant Performance Awards to such eligible individuals upon such terms and conditions and at such times as the Administrator shall determine. Performance Awards may be in the form of Performance Shares and/or Performance Units. An Award of a Performance Share is a grant of a right to receive shares of Common Stock, the cash value thereof, or a combination thereof (in the Administrator's discretion), which is contingent upon the achievement of performance or other objectives during a specified period and which has a value on the date of grant equal to the Fair Market Value of a share of Common Stock. An Award of a Performance Unit is a grant of a right to receive shares of Common Stock or a designated dollar value amount of Common Stock which is contingent upon the achievement of performance or other objectives during a specified period, and which has an initial value determined in a dollar amount established by the Administrator at the time of grant. Subject to Section 5(b), the Administrator shall have discretion to determine the number of Performance Units and/or Performance Shares granted to any Participant. The Administrator shall determine the nature, length and starting date of the period during which a Performance Award may be earned (the "Performance Period"), and shall determine the conditions which must be met in order for a Performance Award to be granted or to vest or

be earned (in whole or in part), which conditions may include but are not limited to payment of a stipulated purchase price, attainment of performance objectives, continued service or employment for a certain period of time, or a combination of any such conditions. Subject to Section 1(II), the Administrator shall determine the Performance Measures to be used in valuing Performance Awards.

(b) *Earning of Performance Awards*: Subject to the terms of the Plan (and taking into account any Code Section 409A considerations), the Administrator shall have sole authority to determine whether and to what degree Performance Awards have been earned and are payable and to interpret the terms and conditions of Performance Awards and the provisions of Section 10. The Administrator, in its sole discretion, may (subject to any Code Section 409A considerations) accelerate the date that any Performance Award granted to a Participant shall be deemed to be earned in whole or in part, without any obligation to accelerate such date with respect to other Awards granted to any Participant.

(c) *Form of Payment*: Payment of the amount to which a Participant shall be entitled upon earning a Performance Award shall be made in cash, shares of Common Stock, or a combination of cash and shares of Common Stock, as determined by the Administrator in its sole discretion. Payment may be made in a lump sum or upon such terms as may be established by the Administrator (taking into account any Code Section 409A considerations).

(d) *Termination of Employment or Service; Forfeiture*: Unless the Administrator determines otherwise (taking into account any Code Section 409A considerations), if the employment or service of a Participant shall terminate for any reason (whether by the Company or the Participant and whether voluntary or involuntary) and the Participant has not earned all or part of a Performance Award pursuant to the terms of the Plan and related Award Agreement, such Award, to the extent not then earned, shall be forfeited immediately upon such termination and the Participant shall have no further rights with respect thereto.

(e) *Nontransferability*: Unless the Administrator determines otherwise, Performance Awards which have not been earned shall not be transferable (including by sale, assignment, pledge or hypothecation) other than transfers (for no consideration) by will or the laws of intestate succession, and the recipient of a Performance Award shall not sell, transfer, assign, pledge or otherwise encumber any shares or any other benefit subject to the Award until the Performance Period has expired and the conditions to earning the Award have been met. The designation of a beneficiary in accordance with the Plan does not constitute a transfer.

## **11. Phantom Stock Awards**

(a) *Grant of Phantom Stock Awards*: Subject to the terms of the Plan, the Administrator may in its discretion grant Phantom Stock Awards to such eligible individuals, in such numbers, upon such terms and at such times as the Administrator shall determine. A Phantom Stock Award is an Award to a Participant of a number of hypothetical share units with respect to shares of Common Stock, with a value based on the Fair Market Value of a share of Common Stock.

(b) *Vesting of Phantom Stock Awards*: Subject to the terms of the Plan (and taking into account any Code Section 409A considerations), the Administrator shall have sole authority to determine whether and to what degree Phantom Stock Awards have vested and are payable and to interpret the terms and conditions of Phantom Stock Awards. The Administrator, in its sole discretion, may (subject to any Code Section 409A considerations) accelerate the date that any Phantom Stock Award granted to a Participant shall be deemed to be earned in whole or in part, without any obligation to accelerate such date with respect to other Awards granted to any Participant.

(c) *Termination of Employment or Service; Forfeiture*: Unless the Administrator determines otherwise (taking into account any Code Section 409A considerations), if the employment or service of a Participant shall be terminated for any reason (whether by the Company or the Participant and whether voluntary or involuntary) and all or any part of a Phantom Stock Award has not vested and become payable pursuant to the terms of the Plan and related Award Agreement, such Award, to the extent not then vested or earned, shall be forfeited immediately upon such termination and the Participant shall have no further rights with respect thereto.

(d) *Payment of Phantom Stock Awards*: Upon vesting of all or a part of a Phantom Stock Award and satisfaction of such other terms and conditions as may be established by the Administrator, the Participant shall be entitled to a payment of an amount equal to the Fair Market Value of one share of Common Stock with respect to each such Phantom Stock unit which has vested and is payable. Payment may be made, in the discretion of the Administrator, in cash or in shares of Common Stock valued at their Fair Market Value on the applicable vesting date or dates (or other date or dates determined by the Administrator), or in a combination thereof. Payment may be made in a lump sum or upon such terms as may be established by the Administrator (taking into account any Code Section 409A considerations).

(e) *Nontransferability*: Unless the Administrator determines otherwise, (i) Phantom Stock Awards shall not be transferable (including by sale, assignment, pledge or hypothecation) other than transfers (for no consideration) by will or the laws of intestate succession and (ii) shares of Common Stock (if any) subject to a Phantom Stock Award may not be sold, transferred, assigned, pledged or otherwise encumbered until the Phantom Stock Award has vested and all other conditions established by the Administrator have been met. The designation of a beneficiary in accordance with the Plan does not constitute a transfer.

## **12. Other Stock-Based Awards**

The Administrator shall have the authority to grant Other Stock-Based Awards. Such Other Stock-Based Awards may be valued in whole or in part by reference to, or otherwise based on or related to, shares of Common Stock or Awards for shares of Common Stock, including but not limited to Other Stock-Based Awards granted in lieu of bonus, salary or other compensation, Other Stock-Based Awards granted with vesting or performance conditions, and/or Other Stock-Based Awards granted without being subject to vesting or performance conditions. Subject to the provisions of the Plan, the Administrator shall determine the number of shares of Common Stock to be awarded to a Participant under (or otherwise related to) such Other Stock-Based Awards; whether such Other Stock-Based Awards shall be settled in cash, shares of Common Stock or a combination of cash and shares of Common Stock; and the other terms and conditions of such Awards. Unless the Administrator determines otherwise, (i) Other Stock-Based Awards shall not be transferable (including by sale, assignment, pledge or hypothecation) other than transfers (for no consideration) by will or the laws of intestate succession, and (ii) shares of Common Stock (if any) subject to an Other Stock-Based Award may not be sold, transferred, assigned, pledged or otherwise encumbered until the Other Stock-Based Award has vested and all other conditions established by the Administrator have been met. The designation of a beneficiary in accordance with the Plan does not constitute a transfer.

## **13. Dividends and Dividend Equivalents**

The Administrator may, in its sole discretion, provide that Awards other than Options and SARs earn dividends or dividend equivalents; provided, however, that dividends and dividend equivalents, if any, on unearned or unvested performance-based Awards shall not be paid (even if accrued) unless and until the underlying Award (or portion thereof) has vested and/or been earned. Such dividends or dividend equivalents may be paid currently or may be credited to a Participant's account. Any crediting

of dividends or dividend equivalents may be subject to such additional restrictions and conditions as the Administrator may establish, including reinvestment in additional shares of Common Stock or share equivalents. Notwithstanding the other provisions herein, any dividends or dividend equivalent rights related to an Award shall be structured in a manner so as to avoid causing the Award and related dividends or dividend equivalent rights to be subject to Code Section 409A or shall otherwise be structured so that the Award and dividends or dividend equivalent rights are in compliance with Code Section 409A.

#### 14. Change of Control

(a) *General*: Notwithstanding any other provision in the Plan to the contrary, and unless an individual Award Agreement provides otherwise, the following provisions shall apply in the event of a Change of Control:

(i) To the extent that the successor or surviving company in the Change of Control event does not assume or substitute for an Award (or in which the Company is the ultimate parent corporation and does not continue the Award) on substantially similar terms or with substantially equivalent economic benefits (as determined by the Administrator) as Awards outstanding under the Plan immediately prior to the Change of Control event, (A) all outstanding Options and SARs shall become fully vested and exercisable, whether or not then otherwise vested and exercisable; and (B) any restrictions, including but not limited to the Restriction Period, Performance Period and/or performance criteria applicable to any outstanding Award other than Options or SARs shall be deemed to have been met, and such Awards shall be deemed vested and earned in full at target.

(ii) Further, in the event that an Award is substituted, assumed or continued as provided in Section 14(a)(i) herein, the Award will nonetheless become vested (and, in the case of Options and SARs, exercisable) and any restrictions, including but not limited to the Restriction Period, Performance Period and/or performance criteria applicable to any outstanding Award other than Options or SARs shall be deemed to have been met, and such Awards shall be deemed vested and earned in full at target, if the employment or service of the Participant is terminated within six months before (in which case vesting shall not occur until the effective date of the Change of Control) or one year (or such other period after a Change of Control as may be stated in a Participant's change in control agreement, employment agreement or similar agreement, if applicable) after the effective date of a Change of Control if such termination of employment or service (A) is by the Company not for Cause or (B) is by the Participant for Good Reason. For clarification, for the purposes of this Section 14, the "Company" shall include any successor to the Company.

(b) *Effect of Change in Control or Other Agreement*: Notwithstanding any other provision of the Plan to the contrary, and unless an individual Award Agreement expressly provides otherwise, in the event that a Participant has entered into a change in control agreement, employment agreement or similar agreement with the Company, the Participant shall be entitled to the greater of the benefits provided upon a change of control of the Company under this Plan or the respective change in control agreement, employment agreement or similar agreement, and such change in control agreement, employment agreement or similar agreement shall not be construed to reduce in any way the benefits otherwise provided to a Participant upon the occurrence of a Change of Control as defined in the Plan.

## 15. Withholding

The Company shall withhold all required local, state, federal, foreign and other taxes and any other amount required to be withheld by any governmental authority or law from any amount payable in cash with respect to an Award. Prior to the delivery or transfer of any certificate for shares or any other benefit conferred under the Plan, the Company shall require any Participant or other person to pay to the Company in cash the amount of any tax or other amount required by any governmental authority to be withheld and paid over by the Company to such authority for the account of such recipient. Notwithstanding the foregoing, the Administrator may in its discretion establish procedures to permit a recipient to satisfy such obligation in whole or in part, and any local, state, federal, foreign or other income tax obligations relating to such an Award, by electing (the “election”) to have the Company withhold shares of Common Stock from the shares to which the recipient is otherwise entitled. The number of shares to be withheld shall have a Fair Market Value as of the date that the amount of tax to be withheld is determined as nearly equal as possible to (but not exceeding) the amount of such obligations being satisfied. Each election must be made in writing to the Administrator in accordance with election procedures established by the Administrator.

## 16. Amendment and Termination of the Plan and Awards

(a) *Amendment and Termination of Plan:* The Plan may be amended, altered, suspended and/or terminated at any time by the Board; provided, that (i) approval of an amendment to the Plan by the shareholders of the Company shall be required to the extent, if any, that shareholder approval of such amendment is required by Applicable Law; and (ii) except for adjustments made pursuant to Section 5(d) the Company may not, without obtaining shareholder approval, (A) amend the terms of outstanding Options or SARs to reduce the Option Price or Base Price of such outstanding Options or SARs; (B) exchange outstanding Options or SARs for cash, for Options or SARs with an Option Price or Base Price that is less than the Option Price or Base Price of the original Option or SAR, or for other equity awards at a time when the original Option or SAR has an Option Price or Base Price, as the case may be, above the Fair Market Value of the Common Stock; or (C) take other action with respect to Options or SARs that would be treated as a repricing under the rules of the principal stock exchange on which shares of the Common Stock are listed.

(b) *Amendment and Termination of Awards:* The Administrator may amend, alter, suspend and/or terminate any Award granted under the Plan, prospectively or retroactively, but such amendment, alteration, suspension or termination of an Award shall not, without the written consent of the recipient of an outstanding Award, materially adversely affect the rights of the recipient with respect to the Award.

(c) *Amendments to Comply with Applicable Law:* Notwithstanding Section 16(a) and Section 16(b) herein, the following provisions shall apply:

(i) The Administrator shall have unilateral authority to amend the Plan and any Award (without Participant consent) to the extent necessary to comply with Applicable Law or changes to Applicable Law (including but in no way limited to Code Section 409A, Code Section 422 and federal securities laws).

(ii) The Administrator shall have unilateral authority to make adjustments to the terms and conditions of Awards in recognition of unusual or nonrecurring events affecting the Company or any Affiliate, or the financial statements of the Company or any Affiliate, or of changes in Applicable Law, or accounting principles, if the Administrator determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or necessary or appropriate to comply with applicable accounting principles or Applicable Law.

## **17. Compliance with Applicable Law**

The Company may impose such restrictions on Awards, shares of Common Stock and any other benefits underlying Awards hereunder as it may deem advisable, including without limitation restrictions under the federal securities laws, the requirements of any stock exchange or similar organization and any blue sky, state or foreign securities or other laws applicable to such securities. Notwithstanding any other Plan provision to the contrary, the Company shall not be obligated to issue, deliver or transfer shares of Common Stock under the Plan, make any other distribution of benefits under the Plan, or take any other action, unless such delivery, distribution or action is in compliance with Applicable Law (including but not limited to the requirements of the Securities Act). The Company will be under no obligation to register shares of Common Stock or other securities with the Securities and Exchange Commission or to effect compliance with the exemption, registration, qualification or listing requirements of any state securities laws, stock exchange or similar organization, and the Company will have no liability for any inability or failure to do so. The Company may cause a restrictive legend or legends to be placed on any certificate issued pursuant to an Award hereunder in such form as may be prescribed from time to time by Applicable Law or as may be advised by legal counsel.

## **18. No Right or Obligation of Continued Employment or Service or to Awards**

Neither the Plan, an Award, an Award Agreement nor any other action related to the Plan shall confer upon a Participant any right to continue in the employment or service of the Company or an Affiliate as an Employee, Director or Independent Contractor, or to interfere in any way with the right of the Company or an Affiliate to terminate the Participant's employment or service at any time. Except as otherwise provided in the Plan, an Award Agreement or as may be determined by the Administrator, all rights of a Participant with respect to an Award shall terminate upon the termination of the Participant's employment or service. In addition, no person shall have any right to be granted an Award, and the Company shall have no obligation to treat Participants or Awards uniformly.

## **19. General Provisions**

(a) *Shareholder Rights*: Except as otherwise determined by the Administrator (and subject to the provisions of Section 9(d) regarding Restricted Awards and Section 13 regarding dividends and Dividend Equivalent Awards), a Participant and his legal representative, legatees or distributees shall not be deemed to be the holder of any shares of Common Stock subject to an Award and shall not have any rights of a shareholder unless and until certificates for such shares have been issued and delivered to him or them under the Plan. A certificate or certificates for shares of Common Stock acquired upon exercise of an Option or SAR shall be issued in the name of the Participant or his beneficiary and distributed to the Participant or his beneficiary (or, in the case of uncertificated shares, other written notice of ownership in accordance with Applicable Law shall be provided) as soon as practicable following receipt of notice of exercise and, with respect to Options, payment of the Option Price (except as may otherwise be determined by the Company in the event of payment of the Option Price pursuant to Section 7(d)(ii)(C)). Except as otherwise provided in Section 9(d) regarding Restricted Stock Awards or otherwise determined by the Administrator, a certificate for any shares of Common Stock issuable pursuant to a Restricted Award, Performance Award, Phantom Stock Award or Other Stock-Based Award shall be issued in the name of the Participant or his beneficiary and distributed to the Participant or his beneficiary (or, in the case of uncertificated shares, other written notice of ownership in accordance with Applicable Law shall be provided) after the Award (or portion thereof) has vested and been earned.

(b) *Section 16(b) Compliance:* To the extent that any Participants in the Plan are subject to Section 16(b) of the Exchange Act, it is the general intention of the Company that transactions under the Plan shall comply with Rule 16b-3 under the Exchange Act and that the Plan shall be construed in favor of such Plan transactions meeting the requirements of Rule 16b-3 or any successor rules thereto. Notwithstanding anything in the Plan to the contrary, the Administrator, in its sole and absolute discretion, may bifurcate the Plan so as to restrict, limit or condition the use of any provision of the Plan to Participants who are officers or directors subject to Section 16 of the Exchange Act without so restricting, limiting or conditioning the Plan with respect to other Participants.

(c) *Code Section 162(m) Performance-Based Compensation.* To the extent to which Code Section 162(m) is applicable, the Company intends that compensation paid under the Plan to Covered Employees will, to the extent practicable, constitute “qualified performance-based compensation” within the meaning of Code Section 162(m), unless otherwise determined by the Administrator. Accordingly, Awards granted to Covered Employees which are intended to qualify for the performance-based exception under Code Section 162(m) shall be deemed to include any such additional terms, conditions, limitations and provisions as are necessary to comply with the performance-based compensation exemption of Code Section 162(m), unless the Administrator, in its discretion, determines otherwise.

(d) *Unfunded Plan; No Effect on Other Plans:*

(i) The Plan shall be unfunded, and the Company shall not be required to create a trust or segregate any assets that may at any time be represented by Awards under the Plan. The Plan shall not establish any fiduciary relationship between the Company and any Participant or other person. Neither a Participant nor any other person shall, by reason of the Plan, acquire any right in or title to any assets, funds or property of the Company or any Affiliate, including, without limitation, any specific funds, assets or other property which the Company or any Affiliate, in their discretion, may set aside in anticipation of a liability under the Plan. A Participant shall have only a contractual right to shares of Common Stock or other amounts, if any, payable under the Plan, unsecured by any assets of the Company or any Affiliate. Nothing contained in the Plan shall constitute a guarantee that the assets of such entities shall be sufficient to pay any benefits to any person.

(ii) The amount of any compensation deemed to be received by a Participant pursuant to an Award shall not constitute compensation with respect to which any other employee benefits of such Participant are determined, including, without limitation, benefits under any bonus, pension, profit sharing, life insurance or salary continuation plan, except as otherwise specifically provided by the terms of such plan or as may be determined by the Administrator.

(iii) The adoption of the Plan shall not affect any other stock incentive or other compensation plans in effect for the Company or any Affiliate, nor shall the Plan preclude the Company from establishing any other forms of stock incentive or other compensation for employees or service providers of the Company or any Affiliate.

(e) *Governing Law:* Prior to the Merger Effective Date, the Plan shall be governed by and construed in accordance with the laws of the State of North Carolina, without regard to the conflict of laws provisions of any state, and in accordance with applicable federal laws of the United States. Awards outstanding before the Merger Effective Date shall (unless the Company and the Participant agree otherwise) be governed by and construed in accordance with the governing law as provided in the Award Agreement. With respect to the Plan and Awards granted on or after the Merger Effective Date, the Plan and Awards shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to the conflict of laws provisions of any state, and in accordance with applicable federal laws of the United States.

(f) *Beneficiary Designation*: The Administrator may, in its discretion, permit a Participant to designate in writing a person or persons as beneficiary, which beneficiary shall be entitled to receive settlement of Awards (if any) to which the Participant is otherwise entitled in the event of death. In the absence of such designation by a Participant, and in the event of the Participant's death, the estate of the Participant shall be treated as beneficiary for purposes of the Plan, unless the Administrator determines otherwise. The Administrator shall have discretion to approve and interpret the form or forms of such beneficiary designation. A beneficiary, legal guardian, legal representative or other person claiming any rights pursuant to the Plan is subject to all terms and conditions of the Plan and any Award Agreement applicable to the Participant, except to the extent that the Plan and/or Award Agreement provide otherwise, and to any additional restrictions deemed necessary or appropriate by the Administrator.

(g) *Gender and Number*: Except where otherwise indicated by the context, words in any gender shall include any other gender, words in the singular shall include the plural and words in the plural shall include the singular.

(h) *Severability*: If any provision of the Plan shall be held illegal or invalid for any reason, such illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

(i) *Rules of Construction*: Headings are given to the sections of the Plan solely as a convenience to facilitate reference. The reference to any statute, regulation or other provision of law shall (unless the Administrator determines otherwise) be construed to refer to any amendment to or successor of such provision of law.

(j) *Successors and Assigns*: The Plan shall be binding upon the Company, its successors and assigns, and Participants, their executors, administrators and permitted transferees and beneficiaries.

(k) *Award Agreement*: The grant of any Award under the Plan shall be evidenced by an Award Agreement between the Company and the Participant. Such Award Agreement may state terms, conditions and restrictions applicable to the Award and any may state such other terms, conditions and restrictions, including but not limited to terms, conditions and restrictions applicable to shares of Common Stock (or other benefits) subject to an Award, as may be established by the Administrator.

(l) *Right of Offset*: Notwithstanding any other provision of the Plan or an Award Agreement, the Company may (subject to any Code Section 409A considerations) reduce the amount of any payment or benefit otherwise payable to or on behalf of a Participant by the amount of any obligation of the Participant to or on behalf of the Company or an Affiliate that is or becomes due and payable.

(m) *Uncertified Shares*: Notwithstanding anything in the Plan to the contrary, to the extent the Plan provides for the issuance of stock certificates to reflect the issuance of shares of Common Stock, the issuance may, in the Company's discretion, be effected on a non-certificated basis, to the extent not prohibited by the Company's certificate of incorporation or bylaws or by Applicable Law (including but not limited to applicable state corporate law and the applicable rules of any stock exchange on which the Common Stock may be traded).

(n) *Income and Other Taxes*: Participants are solely responsible and liable for the satisfaction of all taxes and penalties that may arise in connection with Awards (including but not limited to any taxes arising under Code Section 409A), and the Company shall not have any obligation to

indemnify or otherwise hold any Participant harmless from any or all of such taxes. The Company shall have no responsibility to take or refrain from taking any actions in order to achieve a certain tax result for a Participant or any other person.

(o) *Effect of Certain Changes in Status*: Notwithstanding the other terms of the Plan or an Award Agreement, the Administrator has sole discretion to determine (taking into account any Code Section 409A considerations), at the time of grant of an Award or at any time thereafter, the effect, if any, on Awards (including but not limited to modifying the vesting, exercisability and/or earning of Awards) granted to a Participant if the Participant's status as an Employee, Director or Independent Contractor changes, including but not limited to a change from full-time to part-time, or vice versa, or if other similar changes in the nature or scope of the Participant's employment or service occur.

(p) *Shareholder Approval*: The Plan was subject to and received the approval of the shareholders of RFMD within 12 months of the Effective Date of the Plan. Subsequent shareholder approval shall be obtained in the manner and to the degree required under Applicable Laws. Awards granted prior to such shareholder approval shall be conditioned upon and shall be effective only upon approval of the Plan by such shareholders on or before such date if and to the extent required under Applicable Laws or so determined by the Administrator.

(q) *Deferrals*: The Administrator may permit or require a Participant to defer such Participant's receipt of the payment of cash or the delivery of shares of Common Stock that would otherwise be payable with respect to an Award. Any such deferral shall be subject to such terms and conditions as may be established by the Administrator and to any applicable Code Section 409A requirements.

(r) *Fractional Shares*: Except as otherwise provided in an Award Agreement or determined by the Administrator, (i) the total number of shares issuable pursuant to the exercise, vesting or earning of an Award shall be rounded down to the nearest whole share, and (ii) no fractional shares shall be issued. The Administrator may, in its discretion, determine that a fractional share shall be settled in cash.

(s) *Compliance with Recoupment, Ownership and Other Policies or Agreements*: Notwithstanding anything in the Plan to the contrary, the Administrator may, at any time, consistent with, but without limiting, the authority granted in Section 3(b) herein, in its discretion provide that an Award or benefits related to an Award shall be forfeited and/or recouped if the Participant, during employment or service or following termination of employment or service for any reason, engages in certain specified conduct, including but not limited to violation of policies of the Company or an Affiliate, breach of non-solicitation, noncompetition, confidentiality or other restrictive covenants, or other conduct by the Participant that is determined by the Administrator to be detrimental to the business or reputation of the Company or any Affiliate. In addition, without limiting the effect of the foregoing, as a condition to the grant of an Award or receipt or retention of shares of Common Stock, cash or any other benefit under the Plan, the Administrator may, at any time, require that a Participant agree to abide by any equity retention policy, stock ownership guidelines, compensation recovery policy and/or other policies adopted by the Company or an Affiliate, each as in effect from time to time and to the extent applicable to the Participant. Further, each Participant shall be subject to such compensation recovery, recoupment, forfeiture or other similar provisions as may apply under Applicable Law.

## **20. Compliance with Code Section 409A**

Notwithstanding any other provision in the Plan or an Award Agreement to the contrary, if and to the extent that Code Section 409A is deemed to apply to the Plan or any Award, it is the general intention of the Company that the Plan and all such Awards shall, to the extent practicable, comply with, or be

exempt from, Code Section 409A, and the Plan and any such Award Agreement shall, to the extent practicable, be construed in accordance therewith. Deferrals of shares or any other benefit issuable pursuant to an Award otherwise exempt from Code Section 409A in a manner that would cause Code Section 409A to apply shall not be permitted unless such deferrals are in compliance with, or exempt from, Code Section 409A. In the event that the Company (or a successor thereto) has any stock which is publicly traded on an established securities market or otherwise, distributions that are subject to Code Section 409A to any Participant who is a "specified employee" (as defined under Code Section 409A) upon a separation from service may only be made following the expiration of the six-month period after the date of separation from service (with such distributions to be made during the seventh month following separation of service), or, if earlier than the end of the six-month period, the date of death of the specified employee, or as otherwise permitted under Code Section 409A. Without in any way limiting the effect of any of the foregoing, (i) in the event that Code Section 409A requires that any special terms, provisions or conditions be included in the Plan or any Award Agreement, then such terms, provisions and conditions shall, to the extent practicable, be deemed to be made a part of the Plan or Award Agreement, as applicable, and (ii) terms used in the Plan or an Award Agreement shall be construed in accordance with Code Section 409A if and to the extent required. Further, in the event that the Plan or any Award shall be deemed not to comply with Code Section 409A, then neither the Company, the Administrator nor its or their designees or agents shall be liable to any Participant or other person for actions, decisions or determinations made in good faith.

**(Formerly, the 2003 STOCK INCENTIVE PLAN OF  
RF MICRO DEVICES, INC.)**

**1. Purpose**

The purpose of the 2003 Stock Incentive Plan of RF Micro Devices, Inc. (the "Plan") is to encourage and enable selected employees, directors and independent contractors of RF Micro Devices, Inc. (RF Micro Devices, Inc., together with any successor corporation thereto, being referred to herein as the "Corporation") and its related entities to acquire or to increase their holdings of common stock of the Corporation (the "Common Stock") and other proprietary interests in the Corporation in order to promote a closer identification of their interests with those of the Corporation and its shareholders, thereby further stimulating their efforts to enhance the efficiency, soundness, profitability, growth and shareholder value of the Corporation. This purpose will be carried out through the granting of benefits (collectively referred to herein as "awards") to selected employees, independent contractors and directors, including the granting to selected participants of incentive stock options ("incentive options") intended to qualify under Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), nonqualified stock options ("nonqualified options"), stock appreciation rights ("SARs"), restricted awards in the form of restricted stock awards ("restricted stock awards") and restricted stock units ("restricted stock units"), and performance awards in the form of performance shares ("performance shares") and performance units ("performance units"). Incentive options and nonqualified options shall be referred to herein collectively as "options." Restricted stock awards and restricted stock units shall be referred to herein collectively as "restricted awards." Performance shares and performance units shall be referred to herein collectively as "performance awards."

**2. Administration of the Plan**

(a) The Plan shall be administered by the Board of Directors of the Corporation (the "Board" or the "Board of Directors") or, upon its delegation, by the Compensation Committee of the Board of Directors (the "Committee"). Unless the Board determines otherwise, the Committee shall be comprised solely of two or more "non-employee directors," as such term is defined in Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or as may otherwise be permitted under Rule 16b-3. Further, to the extent required by Section 162(m) of the Code and related regulations, the Plan shall be administered by a committee comprised of two or more "outside directors" (as such term is defined in Section 162(m) or related regulations) or as may otherwise be permitted under Section 162(m) and related regulations. For the purposes herein, the term "Administrator" shall refer to the Board and, upon its delegation to the Committee of all or part of its authority to administer the Plan, to the Committee.

(b) In addition to action by meeting in accordance with applicable laws, any action of the Administrator with respect to the Plan may be taken by a written instrument signed by all of the members of the Board or Committee, as appropriate, and any such action so taken by written consent shall be as fully effective as if it had been taken by a majority of the members at a meeting duly held and called. Subject to the provisions of the Plan, the Administrator shall have full and final authority in its discretion to take any action with respect to the Plan including, without limitation, the authority (i) to determine all matters relating to awards, including selection of individuals to be granted awards, the types of awards, the number of shares of the Common Stock, if any, subject to an award, and all terms, conditions, restrictions and limitations of an award; (ii) to prescribe the form or forms of the agreements evidencing any awards granted under the Plan; (iii) to establish, amend and rescind rules and regulations for the administration of the Plan; and (iv) to construe and interpret the Plan, awards and award agreements made under the Plan, to interpret rules and regulations for administering the Plan and to make all other determinations deemed necessary or advisable for administering the Plan. The Administrator shall also have authority, in its sole discretion, to accelerate the date that any award which was not otherwise exercisable, vested or earned shall become exercisable, vested or earned in whole or in part without any obligation to accelerate such date with respect to any other award granted to any recipient. In addition, the Administrator shall have the authority and discretion to establish terms and conditions of awards (including but not limited to the establishment of subplans) as the Administrator determines to be necessary or appropriate to conform to the applicable requirements or practices of jurisdictions outside of the United States. No member of the Board or Committee, as applicable, shall be liable while acting as Administrator for any action or determination made in good faith with respect to the Plan, an award or an award agreement. The members of the Board or Committee, as applicable, shall be entitled to indemnification and reimbursement in the manner provided in the Corporation's articles of incorporation.

(c) Notwithstanding the other provisions of Section 2, the Administrator may delegate to one or more officers of the Corporation the authority to grant awards, and to make any or all of the determinations reserved for the Administrator in the Plan and summarized in Section 2(b) herein with respect to such awards (subject to any restrictions imposed by applicable laws, rules and regulations and such terms and conditions as may be established by the Administrator); provided, however, that, to the extent required by Section 16 of the Exchange Act or Section 162(m) of the Code, the participant, at the time of said grant or other determination, (i) is not deemed to be an officer or director of the Corporation within the meaning of Section 16 of the Exchange Act; and (ii) is not deemed to be a "covered employee" as defined under Section 162(m) of the Code and related regulations. To the extent that the Administrator has delegated authority to grant awards pursuant to this Section 2(c) to one or more officers of the Corporation, references to the Administrator shall include references to such officer or officers, subject, however, to the requirements of the Plan, Rule 16b-3, Section 162(m) of the Code and other applicable laws, rules and regulations.

### **3. *Effective Date***

The effective date of the Plan shall be July 22, 2003 (the "Effective Date"). Awards may be granted under the Plan on and after the Effective Date, but no awards will be granted after July 21, 2013. Awards which are outstanding on July 21, 2013 (or such earlier termination date as may be established by the Board pursuant to Section 16(a) herein) shall continue in accordance with their terms, unless otherwise provided in the Plan or an award agreement.

#### 4. *Shares of Stock Subject to the Plan; Award Limitations*

(a) *Shares Available for Awards:* Subject to adjustments as provided in this Section 4(c), the aggregate number of shares of Common Stock that may be issued pursuant to awards granted under the Plan shall not exceed the sum of (i) 9,250,000 shares, plus (ii) any shares of Common Stock (A) remaining available for issuance as of the Effective Date of the Plan under the Corporation's 1999 Stock Incentive Plan, Key Employees' 1997 Stock Option Plan, 1992 Stock Option Plan and any other stock incentive plans maintained by the Corporation (collectively, the "**Prior Plans**"), and/or (B) subject to an award granted under a Prior Plan, which award is forfeited, cancelled, terminated, expires or lapses for any reason. Shares delivered under the Plan shall be authorized but unissued shares or shares purchased on the open market or by private purchase. The Corporation hereby reserves sufficient authorized shares of Common Stock to meet the grant of awards hereunder. Notwithstanding any provision herein to the contrary, the following limitations shall apply to awards granted under the Plan, in each case subject to adjustment pursuant to Section 4(c):

(i) The maximum number of shares of Common Stock that may be issued under the Plan pursuant to the grant of incentive stock options shall not exceed 9,250,000 shares; and

(ii) No participant may be granted awards in any 12-month period for more than 800,000 shares of Common Stock (or the equivalent value thereof based on the fair market value per share of the Common Stock on the date of grant of an award).

(b) *Shares not subject to limitations:* The following will not be applied to the share limitations of Section 4(a) above: (i) dividends, including dividends paid in shares, or dividend equivalents paid in cash in connection with outstanding awards, (ii) awards which by their terms are settled in cash, (iii) shares and any awards that are granted through the assumption of, or in substitution for, outstanding awards previously granted as the result of a merger, consolidation, or acquisition of the employing company (or an affiliate) pursuant to which it is merged with the Corporation or becomes a related entity of the Corporation, (iv) any shares subject to an award under the Plan which award is forfeited, cancelled, terminated, expires or lapses for any reason, and (v) any shares surrendered by a participant or withheld by the Corporation to pay the option price for an option or used to satisfy any tax withholding requirement in connection with the exercise, vesting or earning of an award if, in accordance with the terms of the Plan, a participant pays such option price or satisfies such tax withholding by either tendering previously owned shares or having the Corporation withhold shares.

(c) *Adjustments:* If there is any change in the outstanding shares of Common Stock because of a merger, consolidation or reorganization involving the Corporation or a related entity, or if the Board of Directors of the Corporation declares a stock dividend, stock split distributable in shares of Common Stock, reverse stock split, combination or reclassification of the Common Stock, or if there is a similar change in the capital stock structure of the Corporation or a related entity affecting the Common Stock, the number of shares of Common

Stock reserved for issuance under the Plan shall be correspondingly adjusted, and the Administrator shall make such adjustments to awards and to any provisions of this Plan as the Administrator deems equitable to prevent dilution or enlargement of awards or as may be otherwise advisable.

## 5. *Eligibility*

An award may be granted only to an individual who satisfies the following eligibility requirements on the date the award is granted:

(a) The individual is either (i) an employee of the Corporation or a related entity, (ii) a director of the Corporation or a related entity, or (iii) an independent contractor, consultant or advisor (collectively, "independent contractors") providing services to the Corporation or a related entity. For this purpose, an individual shall be considered to be an "employee" only if there exists between the individual and the Corporation or a related entity the legal and bona fide relationship of employer and employee.

(b) With respect to the grant of incentive options, the individual does not own, immediately before the time that the incentive option is granted, stock possessing more than 10% of the total combined voting power of all classes of stock of the Corporation or a related corporation. Notwithstanding the foregoing, an individual who owns more than 10% of the total combined voting power of the Corporation or a related corporation may be granted an incentive option if the option price is at least 110% of the fair market value of the Common Stock (as defined in Section 6(c)(ii) herein), and the option period (as defined in Section 6(d)(i) herein) does not exceed five years. For this purpose, an individual will be deemed to own stock which is attributable to him under Section 424(d) of the Code.

(c) With respect to the grant of substitute awards or assumption of awards in connection with a merger, consolidation, acquisition, reorganization or similar business combination involving the Corporation or a related entity, the recipient is otherwise eligible to receive the award and the terms of the award are consistent with the Plan and applicable laws, rules and regulations (including, to the extent necessary, the federal securities laws registration provisions and Section 424(a) of the Code).

(d) The individual, being otherwise eligible under this Section 5, is selected by the Administrator as an individual to whom an award shall be granted (a "participant").

## 6. *Options*

(a) *Grant of Options*: Subject to the limitations of the Plan, the Administrator may in its sole and absolute discretion grant options to such eligible individuals in such numbers, subject to such terms and conditions, and at such times as the Administrator shall determine. Both incentive options and nonqualified options may be granted under the Plan, as determined by the Administrator; provided, however, that incentive options may only be granted to employees of the Corporation or a related corporation. To the extent that an option is designated as an incentive option but does not qualify as such under Section 422 of the Code, the option (or portion thereof) shall be treated as a nonqualified option.

(b) *Option Price*: The price per share at which an option may be exercised (the “option price”) shall be established by the Administrator and stated in the award agreement evidencing the grant of the option; provided, that (i) the option price of an option shall be no less than the fair market value per share of the Common Stock, as determined in accordance with Section 6(c)(ii) on the date the option is granted (or 110% of the fair market value with respect to incentive options granted to an employee who owns stock possessing more than 10% of the total voting power of all classes of stock of the Corporation or a related corporation, as provided in Section 5(b) herein); and (ii) in no event shall the option price per share of any option be less than the par value per share, if any, of the Common Stock.

(c) *Date of Grant; Fair Market Value*

(i) An incentive option shall be considered to be granted on the date that the Administrator acts to grant the option, or on any later date specified by the Administrator as the effective date of the option. A nonqualified option shall be considered to be granted on the date the Administrator acts to grant the option or any other date specified by the Administrator as the date of grant of the option.

(ii) For the purposes of the Plan, the fair market value per share of the Common Stock shall be established in good faith by the Administrator and, except as may otherwise be determined by the Administrator, the fair market value shall be determined in accordance with the following provisions: (A) if the shares of Common Stock are listed for trading on the New York Stock Exchange or the American Stock Exchange, the fair market value shall be the closing sales price per share of the shares on the New York Stock Exchange or the American Stock Exchange (as applicable) on the date immediately preceding the date the option is granted or other determination is made (each, a “valuation date”), or, if there is no transaction on such date, then on the trading date nearest preceding the valuation date for which closing price information is available, and, provided further, if the shares are quoted on the Nasdaq National Market or the Nasdaq SmallCap Market of the Nasdaq Stock Market but are not listed for trading on the New York Stock Exchange or the American Stock Exchange, the fair market value shall be the closing sales price for such stock (or the closing bid, if no sales were reported) as quoted on such system on the date immediately or nearest preceding the valuation date for which such information is available; or (B) if the shares of Common Stock are not listed or reported in any of the foregoing, then the fair market value shall be determined by the Administrator in accordance with the applicable provisions of Section 20.2031-2 of the Federal Estate Tax Regulations, or in any other manner consistent with the Code and accompanying regulations.

(iii) In no event shall there first become exercisable by an employee in any one calendar year incentive options granted by the Corporation or any related corporation with respect to shares having an aggregate fair market value (determined at the time an incentive option is granted) greater than \$100,000.

(d) *Option Period and Limitations on the Right to Exercise Options*

(i) The term of an option (the “option period”) shall be determined by the Administrator at the time the option is granted and shall be stated in the individual award agreement. With respect to incentive options, the option period shall not extend more than 10 years from the date on which the option is granted (or five years with respect to incentive options granted to an employee who owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Corporation or a related corporation, as provided in Section 5(b) herein). Any option or portion thereof not exercised before expiration of the option period shall terminate. The period or periods during which, and conditions pursuant to which, an option may become exercisable shall be determined by the Administrator in its discretion, subject to the terms of the Plan.

(ii) An option may be exercised by giving written notice to the Corporation in form acceptable to the Administrator at such place and subject to such conditions as may be established by the Administrator or its designee. Such notice shall specify the number of shares to be purchased pursuant to an option and the aggregate purchase price to be paid therefor and shall be accompanied by payment of such purchase price. Unless an individual award agreement provides otherwise, such payment shall be in the form of cash or cash equivalent; provided that, where permitted by the Administrator and applicable laws, rules and regulations (including but not limited to Section 402 of the Sarbanes-Oxley Act of 2002), payment may also be made:

(A) By delivery (by either actual delivery or attestation) of shares of Common Stock owned by the participant at the time of exercise for a period of at least six months and otherwise acceptable to the Administrator;

(B) By shares of Common Stock withheld upon exercise;

(C) By delivery of written notice of exercise to the Corporation and delivery to a broker of written notice of exercise and irrevocable instructions to promptly deliver to the Corporation the amount of sale or loan proceeds to pay the option price;

(D) By such other payment methods as may be approved by the Administrator and which are acceptable under applicable law; or

(E) By any combination of the foregoing methods.

Shares tendered or withheld in payment on the exercise of an option shall be valued at their fair market value on the date of exercise, as determined by the Administrator by applying the provisions of Section 6(c)(ii).

(iii) Unless the Administrator determines otherwise, no option granted to a participant who was an employee at the time of grant shall be exercised unless the participant is, at the time of exercise, an employee as described in Section 5(a), and has been an employee continuously since the date the option was granted, subject to the following:

(A) An option shall not be affected by any change in the terms, conditions or status of the participant’s employment, provided that the participant continues to be an employee of the Corporation or a related entity.

(B) The employment relationship of a participant shall be treated as continuing intact for any period that the participant is on military or sick leave or other bona fide leave of absence, provided that the period of such leave does not exceed 90 days, or, if longer, as long as the participant's right to reemployment is guaranteed either by statute or by contract. The employment relationship of a participant shall also be treated as continuing intact while the participant is not in active service because of disability. The Administrator shall have sole authority to determine whether a participant is disabled and, if applicable, the date of a participant's termination of employment or service for any reason (the "termination date").

(C) Unless the Administrator determines otherwise, if the employment of a participant is terminated because of disability or death, the option may be exercised only to the extent exercisable on the participant's termination date, except that the Administrator may in its discretion accelerate the date for exercising all or any part of the option which was not otherwise exercisable on the termination date. The option must be exercised, if at all, prior to the first to occur of the following, whichever shall be applicable: (X) the close of the period of 12 months next succeeding the termination date (or such other period stated in the applicable award agreement); or (Y) the close of the option period. In the event of the participant's death, such option shall be exercisable by such person or persons as shall have acquired the right to exercise the option by will or by the laws of intestate succession.

(D) Unless the Administrator determines otherwise, if the employment of the participant is terminated for any reason other than disability, death or for "cause," his option may be exercised to the extent exercisable on his termination date, except that the Administrator may in its discretion accelerate the date for exercising all or any part of the option which was not otherwise exercisable on the termination date. The option must be exercised, if at all, prior to the first to occur of the following, whichever shall be applicable: (X) the close of the period of 90 days next succeeding the termination date (or such other period stated in the applicable award agreement); or (Y) the close of the option period. If the participant dies following such termination of employment and prior to the earlier of the dates specified in (X) or (Y) of this subparagraph (D), the participant shall be treated as having died while employed under subparagraph (C) immediately preceding (treating for this purpose the participant's date of termination of employment as the termination date). In the event of the participant's death, such option shall be exercisable by such person or persons as shall have acquired the right to exercise the option by will or by the laws of intestate succession.

(E) Unless the Administrator determines otherwise, if the employment of the participant is terminated for "cause," his option shall lapse and no longer be

exercisable as of his termination date, as determined by the Administrator. For purposes of the Plan, unless the Administrator determines otherwise, a participant's termination shall be for "cause" if such termination results from the participant's (X) termination for "cause" under the participant's employment, consulting or other agreement with the Corporation or a related entity, if any, or (Y) if the participant has not entered into any such employment, consulting or other agreement, then the participant's termination shall be for "cause" if termination results due to the participant's (i) dishonesty; (ii) refusal to perform his duties for the Corporation; or (iii) engaging in conduct that could be materially damaging to the Corporation without a reasonable good faith belief that such conduct was in the best interest of the Corporation. The determination of "cause" shall be made by the Administrator and its determination shall be final and conclusive.

(F) Notwithstanding the foregoing, the Administrator may, in its discretion, accelerate the date for exercising all or any part of an option which was not otherwise exercisable on the termination date, extend the period during which an option may be exercised, modify the terms and conditions to exercise, or any combination of the foregoing.

(iv) Unless the Administrator determines otherwise, an option granted to a participant who was a non-employee director of the Corporation or a related entity at the time of grant may be exercised only to the extent exercisable on the date of the participant's termination of service to the Corporation or a related entity (unless the termination was for cause), and must be exercised, if at all, prior to the first to occur of the following, as applicable: (X) the close of the period of 24 months next succeeding the termination date (or such other period stated in the applicable award agreement); or (Y) the close of the option period. If the services of such a participant are terminated for cause (as defined in Section 6(a)(iii)(E) herein), his option shall lapse and no longer be exercisable as of his termination date, as determined by the Administrator. Notwithstanding the foregoing, the Administrator may in its discretion accelerate the date for exercising all or any part of an option which was not otherwise exercisable on the termination date, extend the period during which an option may be exercised, modify the other terms and conditions to exercise, or any combination of the foregoing.

(v) Unless the Administrator determines otherwise, an option granted to a participant who was an independent contractor of the Corporation or a related entity at the time of grant (and who does not thereafter become an employee, in which case he shall be subject to the provisions of Section 6(d)(iii) herein) may be exercised only to the extent exercisable on the date of the participant's termination of service to the Corporation or a related entity (unless the termination was for cause), and must be exercised, if at all, prior to the first to occur of the following, as applicable: (X) the close of the period of 90 days next succeeding the termination date (or such other period stated in the applicable award agreement); or (Y) the close of the option period. If the services of such a participant are terminated for cause (as defined in Section 6(d)(iii)(E) herein), his option shall lapse and no longer be exercisable as of his termination date, as determined by the Administrator. Notwithstanding the foregoing,

the Administrator may in its discretion accelerate the date for exercising all or any part of an option which was not otherwise exercisable on the termination date, extend the period during which an option may be exercised, modify the other terms and conditions to exercise, or any combination of the foregoing.

(vi) A participant or his legal representative, legatees or distributees shall not be deemed to be the holder of any shares subject to an option and shall not have any rights of a shareholder unless and until certificates for such shares have been issued and delivered to him or them under the Plan. A certificate or certificates for shares of Common Stock acquired upon exercise of an option shall be issued in the name of the participant (or his beneficiary) and distributed to the participant (or his beneficiary) as soon as practicable following receipt of notice of exercise and payment of the purchase price (except as may otherwise be determined by the Corporation in the event of payment of the option price pursuant to Section 6(d)(ii)(C) herein).

(vii) If shares of Common Stock acquired upon exercise of an incentive option are disposed of within two years following the date of grant or one year following the transfer of such shares to a participant upon exercise, the participant shall, promptly following such disposition, notify the Corporation in writing of the date and terms of such disposition and provide such other information regarding the disposition as the Administrator may reasonably require.

(e) *Nontransferability of Options*: Incentive options shall not be transferable (including by sale, assignment, pledge or hypothecation) other than by will or the laws of intestate succession. Nonqualified options shall not be transferable (including by sale, assignment, pledge or hypothecation) other than by will or the laws of intestate succession, except as may be permitted by the Administrator in a manner consistent with the registration provisions of the Securities Act of 1933, as amended (the "Securities Act"). Except as may be permitted by the preceding sentence, an option shall be exercisable during the participant's lifetime only by him or by his guardian or legal representative. The designation of a beneficiary does not constitute a transfer.

## **7. Stock Appreciation Rights**

(a) *Grant of SARs*: Subject to the limitations of the Plan, the Administrator may in its sole and absolute discretion grant SARs to such eligible individuals, in such numbers, upon such terms and at such times as the Administrator shall determine. SARs may be granted to the holder of an option (hereinafter called a "related option") with respect to all or a portion of the shares of Common Stock subject to the related option (a "tandem SAR") or may be granted separately to an eligible individual (a "freestanding SAR"). Subject to the limitations of the Plan, upon the exercise of an SAR, a participant shall be entitled to receive from the Corporation, for each share of Common Stock with respect to which the SAR is being exercised, consideration equal in value to the excess of the fair market value of a share of Common Stock on the date of exercise over the base price per share of such SAR. The base price per share of an SAR shall be no less than the fair market value per share of the Common Stock (as determined in accordance with Section 6(c)(ii)) on the date the SAR is granted.

(b) *Tandem SARs*: A tandem SAR may be granted either concurrently with the grant of the related option or (if the related option is a nonqualified option) at any time thereafter prior to the complete exercise, termination, expiration or cancellation of such related option. Tandem SARs shall be exercisable only at the time and to the extent that the related option is exercisable (and may be subject to such additional limitations on exercisability as the Administrator may provide in the agreement), and in no event after the complete termination or full exercise of the related option. For purposes of determining the number of shares of Common Stock that remain subject to such related option and for purposes of determining the number of shares of Common Stock in respect of which other awards may be granted, a related option shall be considered to have been surrendered upon the exercise of a tandem SAR to the extent of the number of shares of Common Stock with respect to which such tandem SAR is exercised. Upon the exercise or termination of a related option, the tandem SARs with respect thereto shall be canceled automatically to the extent of the number of shares of Common Stock with respect to which the related option was so exercised or terminated.

(c) *Freestanding SARs*: An SAR may be granted without relationship to an option (as defined above, a “freestanding SAR”) and, in such case, will be exercisable upon such terms and subject to such conditions as may be determined by the Administrator, subject to the terms of the Plan.

(d) *Exercise of SARs*:

(i) Subject to the terms of the Plan, SARs shall be exercisable in whole or in part upon such terms and conditions as may be established by the Administrator and stated in the applicable award agreement. The period during which an SAR may be exercisable shall not exceed 10 years from the date of grant or, in the case of tandem SARs, such shorter option period as may apply to the related option. Any SAR or portion thereof not exercised before expiration of the exercise period established by the Administrator shall terminate.

(ii) SARs may be exercised by giving written notice to the Corporation in form acceptable to the Administrator at such place and subject to such terms and conditions as may be established by the Administrator or its designee. The date of exercise of an SAR shall mean the date on which the Corporation shall have received proper notice from the participant of the exercise of such SAR.

(iii) Each participant’s award agreement shall set forth the extent to which the participant shall have the right to exercise an SAR following termination of the participant’s employment or service with the Corporation. Such provisions shall be determined in the sole discretion of the Administrator, shall be included in the award agreement entered into with a participant, need not be uniform among all SARs issued pursuant to this Section 7, and may reflect distinctions based on the reasons for termination of employment. Notwithstanding the foregoing, unless the Administrator determines otherwise, no SAR may be exercised unless the participant is, at the time of exercise, an eligible participant, as described in Section 5, and has been a participant continuously since the date the SAR was granted, subject to the provisions of Sections 6(d)(iii), (iv) and (v) herein.

(e) *Consideration*: The consideration to be received upon the exercise of the SAR by the participant shall be paid in cash, shares of Common Stock (valued at fair market value on the date of exercise of such SAR in accordance with Section 6(c)(ii) herein) or a combination of cash and shares of Common Stock, as elected by the Administrator. The Corporation's obligation arising upon the exercise of the SAR may be paid currently or on a deferred basis with such interest or earnings equivalent, if any, as the Administrator may determine. A certificate or certificates for shares of Common Stock acquired upon exercise of an SAR for shares shall be issued in the name of the participant (or his beneficiary) and distributed to the participant (or his beneficiary) as soon as practicable following receipt of notice of exercise. A participant or his legal representative, legatees or distributees shall not be deemed to be the holder of any shares subject to an SAR and shall not have any rights as a shareholder unless and until certificates for such shares have been issued and delivered to him or them under the Plan. No fractional shares of Common Stock will be issuable upon exercise of the SAR and, unless otherwise provided in the applicable award agreement, the participant will receive cash in lieu of fractional shares.

(f) *Limitations*: The applicable award agreement shall contain such terms, conditions and limitations consistent with the Plan as may be specified by the Administrator. Unless otherwise provided in the applicable award agreement or the Plan, any such terms, conditions or limitations relating to a tandem SAR shall not restrict the exercisability of the related option.

(g) *Nontransferability*: Unless the Administrator determines otherwise, SARs shall not be transferable (including by sale, assignment, pledge or hypothecation) other than by will or the laws of intestate succession, and SARs may be exercised during the participant's lifetime only by him or by his guardian or legal representative. The designation of a beneficiary does not constitute a transfer.

## **8. Restricted Awards**

(a) *Grant of Restricted Awards*: Subject to the limitations of the Plan, the Administrator may in its sole and absolute discretion grant restricted awards to such individuals in such numbers, upon such terms and at such times as the Administrator shall determine. Such restricted awards may be in the form of restricted stock awards and/or restricted stock units that are subject to certain conditions, which conditions must be met in order for the restricted award to vest and be earned (in whole or in part) and no longer subject to forfeiture. Restricted awards shall be payable in cash or whole shares of Common Stock (including restricted stock), or partly in cash and partly in whole shares of Common Stock, in accordance with the terms of the Plan and the sole and absolute discretion of the Administrator. The Administrator shall determine the nature, length and starting date of the period, if any, during which a restricted award may be earned (the "restriction period"), and shall determine the conditions which must be met in order for a restricted award to be granted or to vest or be earned (in whole or in part), which conditions may include, but are not limited to, attainment of performance objectives, continued service or employment for a certain period of time (or a combination of attainment of performance objectives and continued service), retirement, displacement, disability, death, or any combination of such conditions. In the case of restricted awards based upon performance criteria, or a combination of performance criteria and continued service, the Administrator shall determine the performance objectives to be used in valuing restricted awards, which performance objectives may vary from participant to participant and between groups of participants and shall be based

upon such corporate, business unit or division and/or individual performance factors and criteria as the Administrator in its sole discretion may deem appropriate; provided, however, that, with respect to restricted awards payable to covered employees which are intended to be eligible for the compensation deduction limitation exception available under Section 162(m) of the Code and related regulations, such performance factors shall be limited to one or more of the following (as determined by the Administrator in its discretion): sales goals, earnings per share, return on equity, return on assets and total return to shareholders. The Administrator shall have sole authority to determine whether and to what degree restricted awards have vested and been earned and are payable and to establish and interpret the terms and conditions of restricted awards and the provisions herein. The Administrator shall also determine the form and terms of payment of restricted awards. The Administrator, in its sole and absolute discretion, may accelerate the date that any restricted award granted to the participant shall be deemed to be vested or earned in whole or in part, without any obligation to accelerate such date with respect to other restricted awards granted to any participant.

(b) *Forfeiture of Restricted Awards*: Unless the Administrator determines otherwise, if the employment or service of a participant shall be terminated for any reason and all or any part of a restricted award has not vested or been earned pursuant to the terms of the Plan and the individual award agreement, such award, to the extent not then vested or earned, shall be forfeited immediately upon such termination and the participant shall have no further rights with respect thereto.

(c) *Dividend and Voting Rights; Share Certificates*: The Administrator shall have sole discretion to determine whether a participant shall have dividend rights, voting rights or other rights as a shareholder with respect to shares subject to a restricted award which has not yet vested or been earned. Unless the Administrator determines otherwise, a certificate or certificates for shares of Common Stock subject to a restricted award shall be issued in the name of the participant (or his beneficiary) and distributed to the participant (or his beneficiary) as soon as practicable after the shares subject to the award (or portion thereof) have vested and been earned. Notwithstanding the foregoing, the Administrator shall have the right to retain custody of certificates evidencing the shares subject to a restricted award and to require the participant to deliver to the Corporation a stock power, endorsed in blank, with respect to such award, until such time as the restricted award vests (or is forfeited).

(d) *Nontransferability*: Unless the Administrator determines otherwise, restricted awards that have not vested shall not be transferable (including by sale, assignment, pledge or hypothecation) other than by will or the laws of intestate succession, and the recipient of a restricted award shall not sell, transfer, assign, pledge or otherwise encumber shares subject to the award until the restriction period has expired and until all conditions to vesting have been met.

## **9. Performance Awards**

(a) *Grant of Performance Awards*: Subject to the terms of the Plan, performance awards may be granted to participants upon such terms and conditions and at such times as shall be determined by the Administrator. Such performance awards may be in the form of performance shares and/or performance units. An award of a performance share is a grant of a

right to receive shares of Common Stock or the cash value thereof (or a combination thereof) which is contingent upon the achievement of performance or other objectives during a specified period and which has a value on the date of grant equal to the fair market value (as determined in accordance with Section 6(c)(ii) herein) of a share of Common Stock. An award of a performance unit is a grant of a right to receive shares of Common Stock or a designated dollar value amount of Common Stock which is contingent upon the achievement of performance or other objectives during a specified period, and which has an initial value established by the Administrator at the time of grant. Subject to Section 4(a), above, the Administrator shall have complete discretion in determining the number of performance units and/or performance shares granted to any participant. The Administrator shall determine the nature, length and starting date of the period during which a performance award may be earned (the “performance period”), and shall determine the conditions which must be met in order for a performance award to be granted or to vest or be earned (in whole or in part), which conditions may include but are not limited to specified performance objectives, continued service or employment for a certain period of time, or a combination of such conditions. The Administrator shall determine the performance objectives to be used in valuing performance awards, which performance objectives may vary from participant to participant and between groups of participants and shall be based on such corporate, business unit or division and/or individual performance factors and criteria as the Administrator in its sole discretion may deem appropriate; provided, however, that, with respect to performance awards payable to covered employees which are intended to be eligible for the compensation deduction limitation exception available under Section 162(m) of the Code and related regulations, such performance factors shall be limited to one or more of the following (as determined by the Administrator in its discretion): sales goals, earnings per share, return on equity, return on assets and total return to shareholders. The Administrator shall have sole authority to determine whether and to what degree performance awards have been earned and are payable and to interpret the terms and conditions of performance awards and the provisions herein. The Administrator also shall determine the form and terms of payment of performance awards. The Administrator, in its sole and absolute discretion, may accelerate the date that any performance award granted to a participant shall be deemed to be earned in whole or in part, without any obligation to accelerate such date with respect to other awards granted to any participant.

(b) *Form of Payment:* Payment of the amount to which a participant shall be entitled upon earning a performance award shall be made in cash, shares of Common Stock, or a combination of cash and shares of Common Stock, as determined by the Administrator in its sole discretion. Payment may be made in a lump sum or in installments upon such terms as may be established by the Administrator.

(c) *Forfeiture of Performance Awards:* Unless the Administrator determines otherwise, if the employment or service of a participant shall terminate for any reason and the participant has not earned all or part of a performance award pursuant to the terms of the Plan and individual award agreement, such award, to the extent not then earned, shall be forfeited immediately upon such termination and the participant shall have no further rights with respect thereto.

(d) *Dividend and Voting Rights; Share Certificates:* The Administrator shall have sole discretion to determine whether a participant shall have dividend rights, voting rights, or

other rights as a shareholder with respect to shares, if any, which are subject to a performance award prior to the time the performance award has been earned. Unless the Administrator determines otherwise, a certificate or certificates for shares of Common Stock, if any, subject to a performance award shall be issued in the name of the participant (or his beneficiary) and distributed to the participant (or his beneficiary) as soon as practicable after the award has been earned. Notwithstanding the foregoing, the Administrator shall have the right to retain custody of certificates evidencing the shares subject to a performance award and the right to require the participant to deliver to the Corporation a stock power, endorsed in blank, with respect to such award, until such time as the award is earned (or forfeited).

(e) *Nontransferability:* Unless the Administrator determines otherwise, performance awards which have not been earned shall not be transferable (including by sale, assignment, pledge or hypothecation) other than by will or the laws of intestate succession, and the recipient of a performance award shall not sell, transfer, assign, pledge or otherwise encumber any shares subject to the award until the performance period has expired and until the conditions to earning the award have been met.

**10. Withholding**

The Corporation shall withhold all required local, state, federal, foreign and other taxes from any amount payable in cash with respect to an award. Prior to the delivery or transfer of any certificate for shares or any other benefit conferred under the Plan, the Corporation shall require any recipient of an award to pay to the Corporation in cash the amount of any tax or other amount required by any governmental authority to be withheld and paid over by the Corporation to such authority for the account of such recipient. Notwithstanding the foregoing, the Administrator may establish procedures to permit a recipient to satisfy such obligation in whole or in part, and any local, state, federal, foreign or other income tax obligations relating to such an award, by electing (the “election”) to have the Corporation withhold shares of Common Stock from the shares to which the recipient is entitled. The number of shares to be withheld shall have a fair market value as of the date that the amount of tax to be withheld is determined as nearly equal as possible to (but not exceeding) the amount of such obligations being satisfied. Each election must be made in writing to the Administrator in accordance with election procedures established by the Administrator.

**11. Dividends and Dividend Equivalents**

The Administrator may, in its sole discretion, provide that the awards granted under the Plan earn dividends or dividend equivalents. Such dividends or dividend equivalents may be paid currently or may be credited to a participant’s account. Any crediting of dividends or dividend equivalents may be subject to such restrictions and conditions as the Administrator may establish, including reinvestment in additional shares of Common Stock or share equivalents.

**12. Section 16(b) Compliance**

To the extent that any participants in the Plan are subject to Section 16(b) of the Exchange Act, it is the general intention of the Corporation that transactions under the Plan shall comply with Rule 16b-3 under the Exchange Act and that the Plan shall be construed in favor of

the Plan transactions meeting the requirements of Rule 16b-3 or any successor rules thereto. Notwithstanding anything in the Plan to the contrary, the Administrator, in its sole and absolute discretion, may bifurcate the Plan so as to restrict, limit or condition the use of any provision of the Plan to participants who are officers or directors subject to Section 16 of the Exchange Act without so restricting, limiting or conditioning the Plan with respect to other participants.

**13. Code Section 162(m) Performance-Based Compensation**

To the extent to which Section 162(m) of the Code is applicable, the Corporation intends that compensation paid under the Plan to covered employees (as such term is defined in Section 162(m) and related regulations) will, to the extent practicable, constitute qualified “performance-based compensation” within the meaning of Section 162(m) and related regulations, unless otherwise determined by the Administrator. Accordingly, the provisions of the Plan shall be administered and interpreted in a manner consistent with Section 162(m) and related regulations to the extent practicable to do so.

**14. No Right or Obligation of Continued Employment or Service**

Nothing in the Plan shall confer upon the participant any right to continue in the service of the Corporation or a related entity as an employee, director or independent contractor or to interfere in any way with the right of the Corporation or a related entity to terminate the participant’s employment or service at any time. Except as otherwise provided in the Plan or an award agreement, awards granted under the Plan to employees of the Corporation or a related entity shall not be affected by any change in the duties or position of the participant, as long as such individual remains an employee of, or in service to, the Corporation or a related entity.

**15. Unfunded Plan; Retirement Plans**

(a) Neither a participant nor any other person shall, by reason of the Plan, acquire any right in or title to any assets, funds or property of the Corporation or any related entity, including, without limitation, any specific funds, assets or other property which the Corporation or any related entity, in their discretion, may set aside in anticipation of a liability under the Plan. A participant shall have only a contractual right to the Common Stock or amounts, if any, payable under the Plan, unsecured by any assets of the Corporation or any related entity. Nothing contained in the Plan shall constitute a guarantee that the assets of such corporations shall be sufficient to pay any benefits to any person.

(b) The amount of any compensation deemed to be received by a participant pursuant to an award shall not constitute compensation with respect to which any other employee benefits of such participant are determined, including, without limitation, benefits under any bonus, pension, profit sharing, life insurance or salary continuation plan, except as otherwise specifically provided by the terms of such plan or as may be determined by the Administrator.

(c) The adoption of the Plan shall not affect any other stock incentive or other compensation plans in effect for the Corporation or any related entity, nor shall the Plan preclude the Corporation from establishing any other forms of stock incentive or other compensation for employees or service providers of the Corporation or any related entity.

## **16. Amendment and Termination of the Plan**

(a) *General*: The Plan and any award granted under the Plan may be amended or terminated at any time by the Board of Directors of the Corporation; provided, that (i) approval of an amendment to the Plan by the shareholders of the Corporation shall be required to the extent, if any, that shareholder approval of such amendment is required by applicable law, rule or regulation; and (ii) amendment or termination of an award shall not, without the consent of a recipient of an award, materially adversely affect the rights of the recipient with respect to an outstanding award. Notwithstanding clause (i) of the preceding sentence, except for adjustments made pursuant to Section 4(c), the option price for any outstanding option or base price of any outstanding SAR granted under the Plan may not be decreased after the date of grant, nor may any outstanding option or SAR granted under the Plan be surrendered to the Corporation as consideration for the grant of a new option or SAR with a lower exercise or base price than the original option or SAR, as the case may be, without shareholder approval of any such action.

(b) *Adjustment of Awards upon the Occurrence of Certain Unusual or Nonrecurring Events*: The Administrator shall have authority to make adjustments to the terms and conditions of awards in recognition of unusual or nonrecurring events affecting the Corporation or any related entity, or the financial statements of the Corporation or any related entity, or of changes in applicable laws, regulations or accounting principles, if the Administrator determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or necessary or appropriate to comply with applicable laws, rules or regulations.

(c) *Cash Settlement*: Notwithstanding any provision of the Plan, an award or an award agreement to the contrary, the Administrator may cause any award granted under the Plan to be canceled in consideration of an alternative award or cash payment of an equivalent cash value, as determined by the Administrator, made to the holder of such canceled award.

## **17. Restrictions on Awards and Shares**

The Corporation may impose such restrictions on awards and shares representing awards hereunder as it may deem advisable, including without limitation restrictions under the federal securities laws, the requirements of any stock exchange or similar organization and any blue sky or state securities laws applicable to such securities. Notwithstanding any other Plan provision to the contrary, the Corporation shall not be obligated to issue, deliver or transfer shares of Common Stock under the Plan, make any other distribution of benefits under the Plan, or take any other action, unless such delivery, distribution or action is in compliance with all applicable laws, rules and regulations (including but not limited to the requirements of the Securities Act). The Corporation may cause a restrictive legend to be placed on any certificate issued pursuant to an award hereunder in such form as may be prescribed from time to time by applicable laws and regulations or as may be advised by legal counsel.

## 18. *Change of Control*

(a) Notwithstanding any other provision of the Plan to the contrary, and unless an individual award agreement provides otherwise, in the event of a change of control (as defined in Section 18(c) herein):

(i) All options and SARs outstanding as of the date of such change of control shall become fully exercisable, whether or not then otherwise exercisable.

(ii) Any restrictions including but not limited to the restriction period, performance period and/or performance criteria applicable to any restricted award and any performance award shall be deemed to have been met, and such awards shall become fully vested, earned and payable to the fullest extent of the original grant of the applicable award.

(b) Notwithstanding the foregoing, in the event of a merger, share exchange, reorganization or other business combination affecting the Corporation or a related entity, the Administrator may, in its sole and absolute discretion, determine that any or all awards granted pursuant to the Plan shall not vest or become exercisable on an accelerated basis, if the Corporation or the surviving or acquiring corporation, as the case may be, shall have taken such action, including but not limited to the assumption of awards granted under the Plan or the grant of substitute awards (in either case, with substantially similar terms or equivalent economic benefits as awards granted under the Plan), as in the opinion of the Administrator is equitable or appropriate to protect the rights and interests of participants under the Plan. For the purposes herein, if the Committee is acting as the Administrator authorized to make the determinations provided for in this Section 18(b), the Committee shall be appointed by the Board of Directors, two-thirds of the members of which shall have been directors of the Corporation prior to the merger, share exchange, reorganization or other business combinations affecting the Corporation or a related entity.

(c) For the purposes herein, a "change of control" shall be deemed to have occurred on the earliest of the following dates:

(i) The date any entity or person shall have become the beneficial owner of, or shall have obtained voting control over, fifty-one percent (51%) or more of the outstanding Common Stock of the Corporation;

(ii) The date the shareholders of the Corporation approve a definitive agreement (A) to merge or consolidate the Corporation with or into another corporation or other business entity (each, a "corporation"), in which the Corporation is not the continuing or surviving corporation or pursuant to which any shares of Common Stock of the Corporation would be converted into cash, securities or other property of another corporation, other than a merger or consolidation of the Corporation in which holders of Common Stock immediately prior to the merger or consolidation have the same proportionate ownership of Common Stock of the surviving corporation immediately after the merger as immediately before, or (B) to sell or otherwise dispose of all or substantially all the assets of the Corporation; or

(iii) The date there shall have been a change in a majority of the Board of Directors of the Corporation within a 12-month period unless the nomination for election by the Corporation's shareholders of each new director was approved by the vote of two-thirds of the directors then still in office who were in office at the beginning of the 12-month period.

(For purposes herein, the term “person” shall mean any individual, corporation, partnership, group, association or other person, as such term is defined in Section 13(d)(3) or Section 14(d)(2) of the Exchange Act, other than the Corporation, a subsidiary of the Corporation or any employee benefit plan(s) sponsored or maintained by the Corporation or any subsidiary thereof, and the term “beneficial owner” shall have the meaning given the term in Rule 13d-3 under the Exchange Act.)

The Plan is subject to approval by the shareholders of the Corporation, which approval must occur, if at all, within 12 months of the Effective Date of the Plan. If any such deferral is required or permitted, the Administrator shall, in its discretion, establish rules and procedures for such deferrals.

**22. *Beneficiary Designation***

The Administrator may permit a participant to designate in writing a person or persons as beneficiary, which beneficiary shall be entitled to receive settlement of awards (if any) to which the participant is otherwise entitled in the event of death. In the absence of such designation by a participant, and in the event of the participant’s death, the estate of the participant shall be treated as beneficiary for purposes of the Plan, unless the Administrator determines otherwise. The Administrator shall have sole discretion to approve and interpret the form or forms of such beneficiary designation.

**23. *Gender and Number***

Where the context admits, words in any gender shall include any other gender, words in the singular shall include the plural and the plural shall include the singular.

#### **24. Successors and Assigns**

The Plan shall be binding upon the Corporation, its successors and assigns, and participants, their executors, administrators and permitted transferees and beneficiaries.

#### **25. Severability**

If any provision of the Plan shall be held illegal or invalid for any reason, such illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

**2014 DECLARATION OF AMENDMENT TO  
2003 STOCK INCENTIVE PLAN  
OF  
RF MICRO DEVICES, INC.**

THIS 2014 DECLARATION OF AMENDMENT, is made effective as of the 15th day of May, 2014, by RF MICRO DEVICES, INC. (the "Corporation"), to the Corporation's 2003 Stock Incentive Plan, as amended through June 11, 2010 (the "Plan").

R E C I T A L S:

WHEREAS, the Board of Directors of the Corporation has deemed it advisable to amend Section 18 of the Plan to modify the provisions regarding the effect of a change of control on outstanding Plan awards; and

WHEREAS, the Corporation desires to evidence such amendment by this 2014 Declaration of Amendment.

NOW, THEREFORE, IT IS DECLARED that Section 18(a) and Section 18(b) of the Plan shall be and hereby are amended as follows:

1. Amendment to Section 18. Section 18 ("Change of Control") of the Plan is hereby amended by deleting Sections 18(a) and 18(b) and inserting the following in lieu thereof (with the remainder of Section 18, as previously amended, being unchanged):

"(a) Notwithstanding any other provision in the Plan to the contrary, and unless an individual award agreement provides otherwise, the following provisions shall apply in the event of a change of control:

(i) To the extent that the successor or surviving company in the change of control event does not assume or substitute for an award (or in which the Corporation is the ultimate parent corporation and does not continue the award) on substantially similar terms or with substantially equivalent economic benefits (as determined by the Administrator) as awards outstanding under the Plan immediately prior to the change of control event, (X) all outstanding options and SARs shall become fully vested and exercisable, whether or not then otherwise vested and exercisable; and (Y) any restrictions, including but not limited to the restriction period, performance period and/or performance criteria applicable to any outstanding award other than options or SARs shall be deemed to have been met, and such awards shall become fully vested, earned and payable to the fullest extent of the original grant of the applicable award.

(ii) Further, in the event that an award is substituted, assumed or continued as provided in Section 18(a)(i) herein, the award will nonetheless become vested (and, in the case of options and SARs, exercisable) in full if the employment or service of the participant is terminated within six months before (in which case vesting shall not occur until the effective date of the change of control) or one year (or such other period after a change of control as may be stated in a participant's change in control agreement, employment agreement or

similar agreement, if applicable) after the effective date of a change of control if such termination of employment or service (X) is by the Corporation not for cause or (Y) is by the participant for good reason. For clarification, for the purposes of this Section 18(a), the “Corporation” shall include any successor to the Corporation.

(iii) For the purposes herein, “good reason” means, unless the Administrator determines otherwise, in the context of a change of control, a participant’s termination of employment or service resulting from the participant’s (X) termination for “good reason” as defined under the participant’s employment, change in control, consulting or other agreement with the Corporation or an affiliate, if any, or (Y) if the participant has not entered into any agreement (or, if any such agreement does not define “good reason”), then, a participant’s termination shall be for “good reason” if termination results due to any of the following without the participant’s consent: (1) a material reduction in the participant’s base salary as in effect immediately prior to the date of the change of control, (2) the assignment to the participant of duties or responsibilities materially inconsistent with, or a material diminution in, the participant’s position, authority, duties or responsibilities as in effect immediately prior to the change of control, or (3) the relocation of the participant’s principal place of employment by more than 50 miles from the location at which the participant was stationed immediately prior to the change of control. Notwithstanding the foregoing, with respect to directors, unless the Administrator determines otherwise, a director’s termination from service on the Board shall be for “good reason” if the participant ceases to serve as a director, or, if the Corporation is not the surviving company in the change of control event, a member of the board of directors of the surviving entity, in either case, due to the participant’s failure to be nominated to serve as a director of such entity or the participant’s failure to be elected to serve as a director of such entity, but not due to the participant’s decision not to continue service on the Board of Directors of the Corporation or the board of directors of the surviving entity, as the case may be. An event or condition that would otherwise constitute “good reason” shall constitute good reason only if the Corporation fails to rescind or cure such event or condition within 30 days after receipt from the participant of written notice of the event which constitutes good reason, and good reason shall cease to exist for any event or condition described herein on the 60<sup>th</sup> day following the later of the occurrence or the participant’s knowledge thereof, unless the participant has given the Corporation written notice thereof prior to such date. The determination of “good reason” shall be made by the Administrator and its determination shall be final and conclusive.

(b) [Reserved.]”

2. Continued Effect. Except as set forth herein, the Plan shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, this 2014 Declaration of Amendment is executed on behalf of RF Micro Devices, Inc. effective as of the day and year first above written.

## **2. Purpose.**

The purposes of the Plan are to compensate Nonemployee Directors for their service on the Board and encourage and enable such Directors to acquire or to increase their holdings of Common Stock in order to promote a closer identification of their interests with those of the Corporation and its shareholders, thereby further stimulating their efforts to enhance the efficiency, soundness, profitability, growth and shareholder value of the Corporation. The Plan is also intended to further the efforts of the Corporation to attract and retain qualified Nonemployee Directors. These purposes will be carried out through the granting of Options to Nonemployee Directors. Such Options include (i) Initial Options granted to Nonemployee Directors upon their initial election or appointment to the Board (as defined above, "Initial Options"); (ii) Options granted to Nonemployee Directors on an annual basis (as defined above, "Annual Options"); and (iii) Options which may be granted to Nonemployee Directors on a supplemental basis (as defined above, "Supplemental Options").

## **3. Administration of the Plan.**

(a) The Plan shall be administered by the Committee unless the Board elects to assume administration of the Plan in whole or in part. Unless the Board determines otherwise, the Committee shall be comprised solely of two or more "non-employee directors," as such term is defined in Rule 16b-3 under the Exchange Act, or as may otherwise be permitted under Rule 16b-3. For the purposes of the Plan, the term "Administrator" shall refer to the Board and, upon its delegation to the Committee of all or part of its authority to administer the Plan, to the Committee.

(b) Subject to the provisions of the Plan, the Administrator shall have full and final authority in its discretion to take any action with respect to the Plan including, without limitation, the authority (i) to determine all matters relating to Options, (ii) to prescribe the form or forms of Option Agreements evidencing any Options granted under the Plan; (iii) to establish, amend and rescind rules and regulations for the administration of the Plan; and (iv) to construe and interpret the Plan, Options and Option Agreements made under the Plan, to interpret rules and regulations for administering the Plan and to make all other determinations deemed necessary or advisable for administering the Plan. Except to the extent otherwise required under Code Section 409A, (i) the Administrator shall have the authority to accelerate the date that any Option which was not otherwise exercisable, vested or earned shall become exercisable, vested or earned in whole or in part without any obligation to accelerate such date with respect to any other Option granted to any recipient; and (ii) the Administrator also may modify or extend the terms and conditions for exercise or vesting of an Option. In addition to action by meeting in accordance with applicable laws, any action of the Administrator with respect to the Plan may be taken by a written instrument signed by all of the members of the Board or Committee, as appropriate, and any such action so taken by written consent shall be as fully effective as if it had been taken by a majority of the members at a meeting duly held and called. No member of the Board or Committee, as applicable, shall be liable while acting as Administrator for any action or determination made in good faith with respect to the Plan, an Option or an Option Agreement. The members of the Board and the Committee, as applicable, shall be entitled to indemnification and reimbursement in the manner provided in the Corporation's articles of incorporation and bylaws and/or under applicable law.

## **4. Effective Date; Plan Term**

The Effective Date of the Plan shall be July 31, 2006. The Plan was amended and restated effective May 7, 2009. Options may be granted under the Plan on and after the Effective Date, but

not after July 30, 2016. Options that are outstanding at the end of the Plan term (or such earlier termination date as may be established by the Board pursuant to Section 9(a)) shall continue in accordance with their terms, unless otherwise provided in the Plan or an Option Agreement.

**5. Shares of Stock Subject to the Plan; Option Limitations.**

(a) *Shares of Stock Subject to the Plan:* Subject to adjustments as provided in Section 5(c), the aggregate number of shares of Common Stock that may be issued pursuant to Options granted under the Plan shall not exceed the sum of (i) 1,000,000 shares, plus (ii) any shares of Common Stock remaining available for issuance under the Prior Plan as of the Effective Date of the Plan, plus (iii) any shares subject to an option granted under the Prior Plan, which option at any time is forfeited, cancelled, terminated, expires or lapses for any reason without the issuance of shares pursuant to the option. Shares delivered under the Plan shall be authorized but unissued shares or shares purchased on the open market or by private purchase. The Corporation hereby reserves sufficient authorized shares of Common Stock to meet the grant of Options hereunder.

(b) *Shares Not Subject to Limitations:* The following will not be applied to the share limitations of Section 5(a) above: (i) dividends, including dividends paid in shares, or dividend equivalents paid in cash in connection with outstanding Options; (ii) any shares subject to an Option under the Plan which Option is forfeited, cancelled, terminated, expires or lapses for any reason or any shares subject to an Option which shares are repurchased or reacquired by the Corporation; and (iii) any shares surrendered by a Participant or withheld by the Corporation to pay the Option Price for an Option or shares used to satisfy any tax withholding requirement in connection with the exercise of an Option if, in accordance with the terms of the Plan, a Participant pays such Option Price or satisfies such tax withholding obligation by either tendering previously owned shares or having the Corporation withhold shares.

(c) *Adjustments:* If there is any change in the outstanding shares of Common Stock because of a merger, consolidation or reorganization involving the Corporation or an Affiliate, or if the Board declares a stock dividend, stock split distributable in shares of Common Stock, reverse stock split, combination or reclassification of the Common Stock, or if there is a similar change in the capital stock structure of the Corporation or an Affiliate affecting the Common Stock, the number of shares of Common Stock reserved for issuance under the Plan shall be correspondingly adjusted, and the Administrator shall make such adjustments to Options and to any provisions of this Plan as the Administrator deems equitable to prevent dilution or enlargement of Options or as may be otherwise advisable.

**6. Eligibility.**

An Option may be granted only to an individual who is a Nonemployee Director on the date the Option is granted.

**7. Grant and Exercise of Options.**

(a) *General:* Each Nonemployee Director who is otherwise eligible under this Section 7 shall be granted an Option or Options as provided in Section 7. Such Options shall be designated as Nonqualified Options.

(b) *Grant of Initial Options Upon Initial Election or Appointment to the Board:*

(i) Unless a Nonemployee Director makes a proper election to receive an Initial RSU in exchange for all or 50% of the total value (as defined below) of an Initial Option as provided under the terms of the Director Compensation Plan, each Nonemployee Director who is first elected or appointed to the Board on or after the Effective Date shall receive an Initial Option to purchase 50,000 shares of Common Stock. The date of grant of such an Initial Option shall be the fifth business day after the date of the annual meeting of shareholders as to those Nonemployee Directors who are first elected at an annual meeting of shareholders and the fifth business day after the date of election or appointment to the Board as to those Nonemployee Directors who are first elected or appointed to the Board other than at an annual meeting of shareholders.

(ii) If a Director makes a proper election to receive an Initial RSU in lieu of the grant of all of the Initial Option, the Director shall not also be granted an Initial Option. If a Director makes a proper election to receive an Initial RSU in lieu of 50% of the total value an Initial Option, the Director shall receive an Initial Option for a lesser number of shares of Common Stock, as described herein. Such Initial Option shall be subject to all of the other terms applicable to Initial Options as provided in the Plan, except for the reduction in the number of shares subject to the Option. If the Director elects to receive an Initial RSU in lieu of 50% of the total value of an Initial Option, the number of shares subject to his Initial Option shall be correspondingly reduced so that the aggregate of the value of the Initial Option plus the value of the Initial RSU does not exceed the total value of the Initial Option that would otherwise be granted under the Plan. For the purposes herein, the "total value" of an Initial Option shall equal the number of shares subject to the Initial Option (that is, 50,000 shares) multiplied by the Black-Scholes value or similar methodology, as used for compensation expense valuation purposes in the Company's financial statements (the "Black-Scholes value") of the Option on (or as close in time as practicable to) the date of grant. The "value" of an Initial RSU shall be determined by multiplying the number of shares subject to the Initial RSU by the Black-Scholes value of the RSU on (or as close in time as practicable to) the date of grant. The "value" of an Initial Option shall equal the number of shares subject to the Initial Option multiplied by the Black-Scholes value on (or as close in time as practicable to) the date of grant. If the Director elects to receive all of his Initial Equity Award (as defined in the Director Compensation Plan) in the form of an Initial RSU, the number of shares subject to the Initial RSU will be equal to the total value of the Initial Option divided by the Black-Scholes value for the RSU on (or as close in time as practicable to) the Grant Date. If the Director elects to take 50% of the total value of his Initial Equity Award in the form of an Initial RSU and 50% of the total value in the form of an Initial Option, the number of shares subject to the Initial Option will be reduced by 50% and the number of shares subject to the Initial RSU will equal 50% of the total value of the Initial Option divided by the Black-Scholes value for the RSU on (or as close in time as practicable to) the Grant Date. The value of a Director's Initial RSU plus the value of the Director's Initial Option shall be as close as practicable to, but may not exceed, the total value of the Initial Option.

(c) *Grant of Annual Options:*

(i) Unless a Director makes a proper election to receive an Annual RSU in exchange for all or 50% of the total value (as defined below) of an Annual Option as provided in the Director Compensation Plan, each Nonemployee Director also shall be granted, on an annual basis (commencing with the 2006 annual meeting of shareholders), an Annual Option to purchase 25,000 shares of Common Stock (or an Annual Option for 30,000 shares, in the case of the nonemployee chairman of the Board), provided that the Nonemployee Director continues to serve as a member of the Board as of the date of grant. The date of grant of an Annual Option shall be the fifth business day after the date of the annual or other shareholders meeting at which Directors are elected. However, notwithstanding the foregoing, with respect to a new Nonemployee Director who is appointed or elected other than at an annual meeting of shareholders, the number of shares subject to the first Annual Option to be granted to such Director shall be reduced by 25% for each three-month period (or portion thereof) that the Director is not in office since the most recent annual meeting of shareholders held prior to such Director's election or appointment. Further, a Nonemployee Director elected for the first time to the Board at an annual meeting of shareholders shall only receive an Initial Option in connection with such election, and shall not also receive an Annual Option on the fifth business day following such meeting.

(ii) If a Director makes a proper election to receive an Annual RSU in lieu of all of the total value of an Annual Option, he shall not also be granted an Annual Option for that year. If a Director makes a proper election to receive an Annual RSU in lieu of 50% of the total value of an Annual Option, the Director shall receive an Annual Option for a lesser number of shares of Common Stock, as described herein. Such Annual Option shall be subject to all of the other terms applicable to Annual Options as provided in the Plan, except for the reduction in the number of shares subject to the Option. If the Director elects to receive an Annual RSU in lieu of 50% of the total value of an Annual Option, the number of shares subject to his Annual Option shall be correspondingly reduced so that the aggregate of the value (as defined below) of the Annual Option plus the value (as defined below) of the Annual RSU does not exceed the total value (as defined below) of the Annual Option that would otherwise be granted under the Plan. For the purposes herein, the "total value" of an Annual Option shall equal the number of shares subject to the Annual Option (that is, 25,000 shares, or in the case of the nonemployee chairman of the Board, 30,000 shares) multiplied by the Black-Scholes value of the Option on (or as close in time as practicable to) the date of grant. The "value" of an Annual RSU shall be determined by multiplying the number of shares subject to the Annual RSU by the Black-Scholes value of the RSU on (or as close in time as practicable to) the date of grant. The "value" of an Annual Option shall equal the number of shares subject to the Annual Option multiplied by the Black-Scholes value of the Option on (or as close in time as practicable to) the date of grant. If the Director elects to receive all of his Annual Equity Award (as defined in the Director Compensation Plan) in the form of an Annual RSU, the number of shares subject to the Annual RSU will be equal to the total value of the Annual Option divided by the Black-Scholes value for the RSU on (or as close in time as practicable to) the Grant Date. If the Director elects to take 50% of the total value of his Annual Equity

Award in the form of an Annual RSU and 50% of the total value in the form of an Annual Option, the number of shares subject to the Annual Option will be reduced by 50% and the number of shares subject to the Annual RSU will equal 50% of the total value of the Annual Option divided by the Black-Scholes value for the RSU on (or as close in time as practicable to) the Grant Date. The value of a Director's Annual RSU plus the value of the Director's Annual Option shall be as close as practicable to, but may not exceed, the total value of the Annual Option.

(d) *Grant of Supplemental Options:*

(i) General: The Administrator may from time to time authorize the grant of Supplemental Options to one or more Nonemployee Directors. A Supplemental Option may be based on a fixed dollar amount, a fixed number of shares of Common Stock, a fixed Black Scholes value or such other valuation formula(s) or factors as the Administrator determines in its discretion. The grant of a Supplemental Option to a Participant at any one time does not create in any Nonemployee Director the right to receive any additional Supplemental Options.

(ii) Number of Shares Subject to Supplemental Options: The number of shares of Common Stock subject to any Supplemental Option to be awarded to a Nonemployee Director shall be reduced by the number of shares, if any, subject to any Supplemental RSUs granted to the Nonemployee Director pursuant to any election the Director has made in accordance with the terms of the Director Compensation Plan.

(iii) Terms of Supplemental Options: Unless the Administrator determines otherwise, the following terms shall apply: If the Administrator determines that a Supplemental Option is intended to supplement an Initial Option, such Supplemental Option shall be subject to the grant date, Option Price, Option Period, vesting, exercise and other terms and conditions of an Initial Option as provided in Section 7 herein. If the Administrator determines that a Supplemental Option is intended to supplement an Annual Option, such Supplemental Option shall be subject to the grant date, Option Price, Option Period, vesting, exercise and other terms and conditions of an Annual Option, as provided in Section 7 herein. If a Supplemental Option is not intended to supplement an Initial Option or an Annual Option, such Supplemental Option shall be subject to such vesting and other terms and may be determined by the Administrator, provided, however, that the provisions of Section 7(e) Section 7(f), Section 7(g), Section 7(h) and Section 7(i) shall apply to all Supplemental Options.

(e) Option Price: The price per share of Common Stock at which an Option may be exercised shall be 100% of the Fair Market Value per share of the Common Stock on the date the Option is granted.

(f) Option Period and Limitations on the Right to Exercise Options: The Option Period of an Option shall be 10 years from the date of grant. Initial Options shall become exercisable as provided in Section 7(f)(i). Annual Options shall become exercisable as provided in Section 7(f)(ii). Supplemental Options shall become exercisable as provided in Section 7(f)(iii). To the extent that all or part of an Option becomes exercisable but is not exercised, such Option shall

accumulate and be exercisable by the Director in whole or in part at any time before the expiration of the Option Period. Any Option or portion thereof not exercised before expiration of the Option Period (or such earlier date as may be provided in Section 7(h) herein) shall terminate.

(i) Initial Options. An Initial Option shall vest and become exercisable with respect to one-third of the shares subject to the Option on the date of grant. An Initial Option shall vest and become exercisable with respect to the remaining two-thirds of the shares subject to the Option in two equal annual installments on each of the first and second anniversaries of the date of grant, so that an Initial Option will be vested and exercisable in full on the second anniversary of the date of grant, provided that the Nonemployee Director remains in service on each such vesting date.

(ii) Annual Options. An Annual Option shall vest and become exercisable on the date of grant.

(iii) Supplemental Options. Unless the Administrator determines otherwise, the following terms shall apply: If the Administrator grants a Supplemental Option that is intended to supplement an Initial Option, such Supplemental Option shall have the same vesting terms as those applicable to Initial Options, as provided in Section 7(f)(i) herein. If the Administrator grants a Supplemental Option that is intended to supplement an Annual Option, such Supplemental Option shall have the same vesting terms as that applicable to Annual Options (i.e., fully vested at grant), as provided in Section 7(f)(ii) herein. If the Administrator grants a Supplemental Option that is not intended to supplement either an Initial Option or an Annual Option, such Supplemental Option shall have such vesting terms, if any, as may be established by the Administrator.

(g) *Manner of Exercise*: An Option may be exercised by giving written notice to the Corporation in form acceptable to the Administrator at such place and subject to such conditions as may be established by the Administrator or its designee. Such notice shall specify the number of shares to be purchased pursuant to an Option and the aggregate purchase price to be paid therefor and shall be accompanied by payment of such purchase price. The total number of shares that may be acquired upon exercise of an Option shall be rounded down to the nearest whole share. Unless an Option Agreement provides otherwise, such payment shall be in the form of cash or cash equivalent; provided that, if and to the extent permitted by the Administrator and applicable laws, rules and regulations (and subject to such terms and conditions as may be established by the Administrator), payment may also be made:

(i) By delivery (by either actual delivery or attestation) of shares of Common Stock owned by the Participant for such time period, if any, as may be determined by the Administrator;

(ii) By shares of Common Stock withheld upon exercise;

(iii) By delivery of written notice of exercise to the Corporation and delivery to a broker of written notice of exercise and irrevocable instructions to promptly deliver to the Corporation the amount of sale or loan proceeds to pay the Option Price;

(iv) By such other payment methods as may be approved by the Administrator and which are acceptable under applicable law; and/or

(v) By any combination of the foregoing methods.

Shares tendered or withheld in payment on the exercise of an Option shall be valued at their Fair Market Value as of the date of exercise.

(h) *Effect of Termination of Service on Right to Exercise:* Unless the Administrator determines otherwise (subject to any requirements imposed under Code Section 409A), in the event that a Participant terminates service as a Director, (i) an Option may be exercised only to the extent vested and exercisable on the Participant's Termination Date (unless the termination was for Cause), and must be exercised, if at all, prior to the close of the Option Period, and (ii) any Option (or portion thereof) which has not vested and become exercisable as of the Participant's Termination Date shall terminate as of the Participant's Termination Date. If the services of a Nonemployee Director are terminated for Cause, his Option (whether vested or unvested) shall lapse and no longer be exercisable as of his Termination Date, as determined by the Administrator.

(i) *Nontransferability:* An Option shall not be transferable (including by sale, assignment, pledge or hypothecation) other than by will or the laws of intestate succession, except as may be permitted by the Administrator in a manner consistent with the registration provisions of the Securities Act. Except as may be permitted by the preceding sentence, an Option shall be exercisable during the Participant's lifetime only by him or by his guardian or legal representative. The designation of a beneficiary in accordance with the Plan does not constitute a transfer.

#### **8. No Right or Obligation of Continued Service.**

Neither the Plan, the grant of an Option nor any other action related to the Plan shall confer upon the Participant any right to continue in the service of the Corporation as a Director or to interfere in any way with the right of the Corporation to terminate the Participant's service at any time. Except as may be otherwise provided in the Plan or an Option Agreement (or as may be otherwise determined by the Administrator), all rights of a Participant with respect to an Option shall terminate immediately upon the Participant's termination of service as a Director.

#### **9. Amendment and Termination of the Plan.**

(a) *Amendment and Termination of Plan:* The Plan may be amended, altered and/or terminated at any time by the Board; provided, that (i) approval of an amendment to the Plan by the shareholders of the Corporation shall be required to the extent, if any, that shareholder approval of such amendment is required by applicable law, rule or regulation; and (ii) except for adjustments made pursuant to Section 5(c), the Option Price for any outstanding Option may not be decreased after the date of grant, nor may any outstanding Option be surrendered to the Corporation as consideration for the grant of a new Option with a lower Option Price than the original Option, without shareholder approval of any such action.

(b) *Amendment of Options:* The Administrator may amend, alter or terminate any Option granted under the Plan, prospectively or retroactively, but such amendment, alteration or termination of an Option shall not, without the consent of the recipient of an outstanding Option, materially adversely affect the rights of the recipient with respect to the Option.

(c) *Unilateral Authority of Administrator to Modify Plan and Options*: Notwithstanding Section 9(a) and Section 9(b) herein, the following provisions shall apply:

(i) The Administrator shall have unilateral authority to amend the Plan and any Option (without Participant consent and without shareholder approval, unless such shareholder approval is required by applicable laws, rules or regulations) to the extent necessary to comply with applicable laws, rules or regulations or changes to applicable laws, rules or regulations (including but not limited to Code Section 409A and federal securities laws).

(ii) The Administrator shall have unilateral authority to make adjustments to the terms and conditions of Options in recognition of unusual or nonrecurring events affecting the Corporation or any Affiliate, or the financial statements of the Corporation or any Affiliate, or of changes in accounting principles, if the Administrator determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or necessary or appropriate to comply with applicable accounting principles.

#### **10. *Restrictions on Options and Shares.***

The Corporation may impose such restrictions on Options, shares and any other benefits underlying Options hereunder as it may deem advisable, including without limitation restrictions under the federal securities laws, the requirements of any stock exchange or similar organization and any blue sky, state or foreign securities laws applicable to such securities. Notwithstanding any other Plan provision to the contrary, the Corporation shall not be obligated to issue, deliver or transfer shares of Common Stock under the Plan, make any other distribution of benefits under the Plan, or take any other action, unless such delivery, distribution or action is in compliance with all applicable laws, rules and regulations (including but not limited to the requirements of the Securities Act). The Corporation may cause a restrictive legend to be placed on any certificate(s) for shares issued pursuant to exercise of an Option hereunder in such form as may be prescribed from time to time by applicable laws and regulations or as may be advised by legal counsel.

#### **11. *Change of Control.***

(a) Notwithstanding any other provision of the Plan to the contrary, and unless an Option Agreement provides otherwise (or as may otherwise be required under Code Section 409A), in the event of a Change of Control, all options outstanding as of the date of such Change of Control shall become fully vested and exercisable, whether or not then otherwise vested and exercisable.

(b) Notwithstanding the foregoing, in the event of a merger, share exchange, reorganization or other business combination affecting the Corporation or an Affiliate, the Administrator may, in its sole and absolute discretion, determine that any or all Options granted pursuant to the Plan shall not vest or become exercisable on an accelerated basis, if the Corporation or the surviving or acquiring corporation, as the case may be, shall have taken such action, including but not limited to the assumption of options granted under the Plan or the grant of substitute options

(in either case, with substantially similar terms or equivalent economic benefits as Options granted under the Plan), as in the opinion of the Administrator is equitable or appropriate to protect the rights and interests of participants under the Plan. For the purposes herein, if the Committee is acting as the Administrator authorized to make the determinations provided for in this Section 11(b), the Committee shall be appointed by the Board, two-thirds of the members of which shall have been Directors of the Corporation prior to the merger, share exchange, reorganization or other business combinations affecting the Corporation or an Affiliate.

## **12. Compliance with Code Section 409A.**

Notwithstanding any other provision in the Plan or an Option Agreement to the contrary, if and to the extent that Code Section 409A is deemed to apply to the Plan or any Option granted under the Plan, it is the general intention of the Corporation that the Plan and all such Options shall, to the extent practicable, comply with, or be exempt from, Code Section 409A, and the Plan and any such Option shall, to the extent practicable, be construed in accordance therewith. Deferrals pursuant to an Option otherwise exempt from Code Section 409A in a manner that would cause Code Section 409A to apply shall not be permitted unless such deferrals are in compliance with Code Section 409A. Without in any way limiting the effect of the foregoing, (i) in the event that Code Section 409A requires that any special terms, provisions or conditions be included in the Plan or any Option, then such terms, provisions and conditions shall, to the extent practicable, be deemed to be made a part of the Plan or Option, as applicable; and (ii) terms used in the Plan or an Option Agreement shall be construed in accordance with Code Section 409A if and to the extent required. Further, in the event that the Plan or any Option shall be deemed not to comply with Code Section 409A, then neither the Corporation, the Administrator nor its or their designees or agents shall be liable to any Participant or other person for actions, decisions or determinations made in good faith.

## **13. General Provisions.**

(a) *Shareholder Rights:* Except as otherwise determined by the Administrator, a Participant and his legal representative, legatees or distributees shall not be deemed to be the holder of any shares subject to an Option and shall not have any rights of a shareholder unless and until certificates for such shares have been issued and delivered to him or them under the Plan (or in the case of uncertificated shares, other written notice of ownership in accordance with applicable laws shall have been provided). A certificate or certificates for shares of Common Stock acquired upon exercise of an Option shall be promptly issued in the name of the Participant or his beneficiary and distributed to the Participant or his beneficiary (or, in the case of uncertificated shares, other written notice of ownership in accordance with applicable laws shall be provided) as soon as practicable following receipt of notice of exercise and payment of the Option Price (except as may otherwise be determined by the Corporation in the event of payment of the Option Price pursuant to Section 7(g) (iii)).

(b) *Withholding:* If and to the extent required by applicable laws, rules or regulations, the Corporation shall withhold all required local, state, federal, foreign and other taxes and any other amount required to be withheld by any governmental authority or law from any amount payable with respect to an Option. Prior to the delivery or transfer of any certificate for shares or any other benefit conferred under the Plan, the Corporation shall require any recipient of an Option to pay to the Corporation in cash the amount of any tax or other amount required by any governmental authority to be withheld and paid over by the Corporation to such authority for the account of such recipient. Notwithstanding the foregoing, the Administrator may establish

procedures to permit a recipient to satisfy such obligation in whole or in part, and any local, state, federal, foreign or other income tax obligations relating to such an Option, by electing (the "election") to have the Corporation withhold shares of Common Stock from the shares to which the recipient is entitled. The number of shares to be withheld shall have a Fair Market Value as of the date that the amount of tax to be withheld is determined as nearly equal as possible to (but not exceeding) the amount of such obligations being satisfied. Each election must be made in writing to the Administrator in accordance with election procedures established by the Administrator.

(c) *Section 16(b) Compliance:* To the extent that any Participants in the Plan are subject to Section 16(b) of the Exchange Act, it is the general intention of the Corporation that transactions under the Plan shall comply with Rule 16b-3 under the Exchange Act and that the Plan shall be construed in favor of such Plan transactions meeting the requirements of Rule 16b-3 or any successor rules thereto.

(d) *Unfunded Plan; No Effect on Other Plans:*

(i) The Plan shall be unfunded, and the Corporation shall not be required to create a trust or segregate any assets that may at any time be represented by Options under the Plan. The Plan shall not establish any fiduciary relationship between the Corporation and any Participant or other person. Neither a Participant nor any other person shall, by reason of the Plan, acquire any right in or title to any assets, funds or property of the Corporation or any Affiliate, including, without limitation, any specific funds, assets or other property which the Corporation or any Affiliate, in their discretion, may set aside in anticipation of a liability under the Plan. A Participant shall have only a contractual right to the Common Stock or other amounts, if any, payable under the Plan, unsecured by any assets of the Corporation or any Affiliate. Nothing contained in the Plan shall constitute a guarantee that the assets of such entities shall be sufficient to pay any benefits to any person.

(ii) The amount of any compensation deemed to be received by a Participant pursuant to an Option shall not constitute compensation with respect to which any other benefits of such Participant are determined, except as otherwise specifically provided by the terms of such plan or as may be determined by the Administrator.

(iii) The adoption of the Plan shall not affect any other stock incentive or other compensation plans in effect for the Corporation or any Affiliate, nor shall the Plan preclude the Corporation from establishing any other forms of stock incentive or other compensation for employees or service providers of the Corporation or any Affiliate.

(e) *Applicable Law:* The Plan shall be governed by and construed in accordance with the laws of the State of North Carolina, without regard to the conflict of laws provisions of any state, and in accordance with applicable federal laws of the United States.

(f) *Beneficiary Designation:* The Administrator may permit a Participant to designate in writing a person or persons as beneficiary, which beneficiary shall be entitled to receive settlement of Options (if any) to which the Participant is otherwise entitled in the event of death. In the absence of such designation by a Participant, and in the event of the Participant's death, the estate

of the Participant shall be treated as beneficiary for purposes of the Plan, unless the Administrator determines otherwise. The Administrator shall have sole discretion to approve and interpret the form or forms of such beneficiary designation. A beneficiary, legal guardian, legal representative or other person claiming any rights pursuant to the Plan is subject to all terms and conditions of the Plan and any Option Agreement applicable to the Participant, except to the extent that the Plan and/or Option Agreement provide otherwise, and to any additional restrictions deemed necessary or appropriate by the Administrator.

(g) *Gender and Number*: Except where otherwise indicated by the context, words in any gender shall include any other gender, words in the singular shall include the plural and words in the plural shall include the singular.

(h) *Severability*: If any provision of the Plan shall be held illegal or invalid for any reason, such illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

(i) *Rules of Construction*: Headings are given to the Sections of this Plan solely as a convenience to facilitate reference. The reference to any statute, regulation or other provision of law shall be construed to refer to any amendment to or successor of such provision of law.

(j) *Successors and Assigns*: The Plan shall be binding upon the Corporation, its successors and assigns, and Participants, their executors, administrators and permitted transferees and beneficiaries.

(k) *Right of Offset*: Notwithstanding any other provision of the Plan or an Option Agreement, the Corporation may (subject to any Code Section 409A considerations) reduce the amount of any benefit otherwise distributable to or on behalf of a Participant by the amount of any obligation of the Participant to the Corporation that is or becomes due and payable.

**QORVO, INC.**

**(As Assumed by Qorvo, Inc. and  
Amended Effective January 1, 2015)**

**(Formerly, the NONEMPLOYEE DIRECTORS' STOCK OPTION PLAN OF

**NONEMPLOYEE DIRECTORS' STOCK OPTION PLAN**

**OF**

**QORVO, INC.**

**(As Assumed by Qorvo, Inc. and  
Amended Effective January 1, 2015)**

**(Formerly, the NONEMPLOYEE DIRECTORS' STOCK OPTION PLAN OF  
RF MICRO DEVICES, INC)**

**1. Purpose.**

The purposes of the Nonemployee Directors' Stock Option Plan of RF Micro Devices, Inc., as amended and restated through June 13, 2003 (the "Plan"), are to compensate nonemployee members of the Board of Directors (the "Board") of RF Micro Devices, Inc. (the "Corporation") for their service on the Board, encourage and enable such members to acquire or to increase their holdings of common stock of the Corporation (the "Common Stock") in order to promote a closer identification of their interests with those of the Corporation and its shareholders, thereby further stimulating their efforts to enhance the efficiency, soundness, profitability, growth and shareholder value of the Corporation, and allow the Corporation to attract and retain qualified nonemployee members of the Board. These purposes will be carried out through the granting of stock options to nonemployee Directors. Such options include options granted to nonemployee Directors upon consummation of an initial public offering, and, with respect to nonemployee Directors elected to the Board after consummation of an initial public offering, upon the initial election or appointment to the Board (collectively, "Initial Awards"), and options granted to nonemployee Directors on an annual basis after consummation of an initial public offering ("Annual Awards"). Initial Awards and Annual Awards are referred to collectively herein as "Options" and individually as an "Option." Such Options are not intended to qualify for treatment as incentive stock options described in Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"). For the purposes herein, a "nonemployee Director" shall mean a Director who is not at the time an option is granted an employee of the Corporation or a related corporation.

**2. Administration of the Plan.**

(a) The Plan shall be administered by the Board of Directors of the Corporation, or, upon its delegation, by the Compensation Committee of the Board (the "Committee"). To the extent deemed necessary or advisable by the Board, the Committee shall include no fewer than the minimum number of "non-employee directors," as such term is defined in Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), as may be required by Rule 16b-3 or any successor rule. For the purposes herein, the Board and, upon its delegation of administrative authority to the Committee, the Committee, shall (except for references to the Board in Section 13) be referred to herein as the "Administrator."

(b) Any action of the Administrator may be taken by a written instrument signed by all of the members of the Administrator and any action so taken by written consent shall be as fully effective as if it had been taken by a majority of the members at a meeting duly held and called. Subject to the provisions of the Plan, the Administrator shall have full and final authority, in its

discretion, to establish, amend and rescind rules and regulations for the administration of the Plan; to construe and interpret the Plan, the rules and regulations, and the agreements evidencing Options granted under the Plan; and to make all other determinations deemed necessary or advisable for administering the Plan. In addition, the Administrator shall have complete authority, in its discretion, to accelerate the date that any Option shall become exercisable in whole or in part, even if such Option was not otherwise exercisable, without any obligation to accelerate any other Option granted to any person. No member of the Board or Committee, as applicable, shall be liable while acting as Administrator for any action or determination made in good faith with respect to the Plan or any Option or agreement.

**3. Effective Date; Term of the Plan.**

The effective date of the Plan was June 6, 1997, the date of consummation of an initial public offering (as defined in Section 6(a)(i) herein) (the "Public Offering Date"). The Plan was amended and restated effective January 26, 1999, and further amended and restated effective March 27, 2001 and June 13, 2003. Options may be granted under the Plan on or after the effective date, but not after the tenth anniversary of the Public Offering Date.

**4. Shares of Common Stock Subject to the Plan.**

Subject to adjustments as provided in this Section 4, the number of shares of Common Stock that may be issued pursuant to Options shall not exceed in the aggregate 200,000 shares of authorized but unissued Common Stock. Such shares shall be authorized but unissued shares or shares purchased on the open market or by private purchase. The Corporation hereby reserves sufficient authorized shares to provide for the exercise of Options granted under the Plan. Any shares subject to an Option which, for any reason, expires or is terminated unexercised as to such shares may again be subject to an Option granted under the Plan. If there is any change in the shares of Common Stock because of a merger, consolidation or reorganization involving the Corporation or a related corporation, or if the Board declares a stock dividend or stock split distributable in shares of Common Stock, or if there is a similar change in the capital structure of the Corporation or a related corporation affecting the Common Stock, the number of shares of Common Stock reserved for issuance under the Plan shall be correspondingly adjusted, and the Administrator shall make such adjustments to Options or to any provisions of the Plan as the Administrator deems equitable to prevent dilution or enlargement of Options or as may otherwise be advisable.

**5. Eligibility.**

An Option may be granted only to an individual who is a nonemployee Director on the date the Option is granted. An eligible participant in the Plan is referred to herein as a "nonemployee Director" or a "Director."

**6. Grant of Options, etc.**

(a) Initial Awards.

(i) Initial Awards Upon Completion of Initial Public Offering. Each nonemployee Director in service at the time of consummation of an initial public offering of the Common Stock shall receive an Option for 10,000 shares of Common Stock. The grant of such Initial Award shall be effective concurrently with the consummation of such initial

public offering. For the purposes of the Plan, the phrase “consummation of an initial public offering” shall mean the closing of a firm commitment underwritten public offering of the Company’s Common Stock pursuant to a registration statement on Form S-1 filed under the Securities Act of 1933, as amended (the “Securities Act”).

(ii) Initial Awards Upon Initial Election or Appointment to the Board. Each nonemployee Director who is first elected or appointed to the Board after consummation of an initial public offering and prior to March 27, 2001 shall receive an Option to purchase 10,000 shares of Common Stock. Each nonemployee Director who is first elected or appointed to the Board on or after March 27, 2001 shall receive an Option to purchase 20,000 shares of Common Stock. The date of grant of such an Initial Award shall be the fifth business day after the date of the annual meeting of shareholders as to those nonemployee Directors who are first elected at an annual meeting of shareholders and the fifth business day after the date of election or appointment to the Board as to those nonemployee Directors who are first elected or appointed to the Board other than at an annual meeting of shareholders.

(b) Annual Awards.

(i) Each nonemployee Director who is re-elected to the Board by the shareholders of the Company at an annual or other meeting of the shareholders occurring after consummation of an initial public offering and before the 1999 Annual Meeting of Shareholders shall be granted, on an annual basis, an Option to purchase 5,000 shares of Common Stock. The date of grant of such an Annual Award shall be the fifth business day after the date of the annual or other shareholders meeting at which such Director is re-elected.

(ii) Each nonemployee Director who is re-elected to the Board by the shareholders of the Company at an annual or other meeting of the shareholders commencing with the 1999 Annual Meeting of Shareholders and ending immediately prior to the 2001 Annual Meeting of Shareholders shall be granted, on an annual basis, an Option to purchase 10,000 shares of the Common Stock. The date of grant of such an Annual Award shall be the fifth business day after the date of the annual or other shareholders meeting at which such Director is re-elected.

(iii) Commencing with the 2001 Annual Meeting of Shareholders, each nonemployee Director who is re-elected to the Board by the shareholders of the Company at an annual or other meeting of the shareholders shall be granted, on an annual basis, an Option to purchase 20,000 shares of the Common Stock. The date of grant of such an Annual Award shall be the fifth business day after the date of the annual or other shareholders meeting at which such Director is re-elected.

7. Option Price.

The price per share of Common Stock at which an Option may be exercised (the “Option Price”) shall be the fair market value per share of the Common Stock on the date the Option is granted. For this purpose, “fair market value” shall be determined in accordance with the following provisions: (i) if the shares of Common Stock are listed for trading on the New York Stock Exchange or the American Stock Exchange, the fair market value shall be the closing sales price per share of the shares on the New York Stock Exchange or the American Stock Exchange (as applicable) on the date immediately preceding the date the Option is granted or such other determination is made (each,

a “valuation date”), or, if there is no transaction on such date, then on the trading date nearest preceding the valuation date for which closing price information is available, and, provided further, if the shares are quoted on the Nasdaq National Market or the Nasdaq SmallCap Market of the Nasdaq National Market but are not listed for trading on the New York Stock Exchange or the American Stock Exchange, the fair market value shall be the closing sales price per share for such stock (or the closing bid, if no sales were reported) as quoted on such system on the date immediately preceding the valuation date for which such information is available; or (ii) if the shares of Common Stock are not listed or reported in any of the foregoing, then fair market value shall be determined in good faith in accordance with the applicable provisions of Section 20.2031-2 of the Federal Estate Tax Regulations, or in any other manner consistent with the Code and accompanying regulations.

**8. Option Period and Limitations on the Right to Exercise Options.**

(a) The term of an Option (the “Option Period”) shall be ten years from the date of grant. Initial Awards shall become exercisable as provided in Section 8(a)(i) below, and Annual Awards shall become exercisable as provided in Section 8(a)(ii) below. To the extent that all or part of an Option becomes exercisable but is not exercised, such Option shall accumulate and be exercisable by the Director in whole or in part at any time before the expiration of the Option Period. The total number of shares that may be acquired upon the exercise of an Initial Award or Annual Award shall be rounded down to the nearest whole share. No fractional shares shall be issued. Any Option or portion thereof not exercised before expiration of the Option Period shall terminate.

(i) Initial Awards. Initial Awards that are granted upon consummation of an initial public offering shall vest and become exercisable in full immediately upon the date of grant. Initial Awards that are granted after consummation of an initial public offering and prior to January 26, 1999 shall vest and become exercisable in three equal installments on each of the first three anniversaries of the date of grant. Initial Awards that are granted after January 26, 1999 shall vest and become exercisable in three equal installments on the date of grant and on each of the first and second anniversaries of the date of grant.

(ii) Annual Awards. An Annual Award granted prior to the 1999 Annual Meeting of Shareholders shall vest and become exercisable in three equal installments on each of the first three anniversaries of the date of grant. Commencing with Annual Awards granted in conjunction with the 1999 Annual Meeting of Shareholders and for each Annual Award granted thereafter, such Annual Award shall vest and become exercisable in three equal installments on the date of grant and on each of the first and second anniversaries of the date of grant.

(b) No Option shall be exercised unless the Director is, at the time of exercise, a nonemployee Director and has been a Director continuously since the date the Option was granted. Notwithstanding the foregoing, the following provisions shall apply:

(i) With respect to Options granted on or after the effective date of the Plan and prior to July 22, 2003, if a Director’s service on the Board terminates for any reason (including death), that portion of any such Option which was exercisable immediately before such termination may be exercised by the Director (or, in the event of his death, by such person or persons as shall have acquired the right to exercise the Option by will or the laws of intestate succession) at any time within 180 days following the date of such termination, and after such 180-day period, such Options shall terminate.

(ii) With respect to Options granted on or after July 22, 2003, if a Director’s service on the Board terminates for any reason (including death), that portion of any such Option which was exercisable immediately before such termination may be exercised by the Director (or, in the event of his death, by such person or persons as shall have acquired the right to exercise the Option by will or the laws of intestate succession) until the earlier of (A) the expiration of the 24-month period following the date of such termination of service or (B) the close of the Option Period, and, after such date, such Option will terminate.

(c) An Option shall be exercised by giving written notice to the Administrator or its designee at such time and place as the Administrator shall direct. Such notice shall specify the number of shares to be purchased pursuant to an Option and the aggregate purchase price to be paid therefor, and shall be accompanied by the payment of such purchase price. Such payment shall be in the form of (i) cash; (ii) delivery (by either actual delivery or attestation) of shares of Common Stock owned by the Director at the time of exercise; (iii) shares of Common Stock withheld upon exercise; (iv) delivery of written notice of exercise to the Administrator and delivery to a broker of written notice of exercise and irrevocable instructions to promptly deliver to the Corporation the amount of sale or loan proceeds to pay the Option Price; or (v) a combination of such methods. Shares of Common Stock tendered or withheld in payment upon the exercise of an Option shall be valued at their fair market value on the date of exercise, as determined in accordance with Section 7 herein.

(d) A Director or his legal representative, legatees or distributees shall not be deemed to be the holder of any shares subject to an Option and shall not have any rights as a shareholder with respect to such shares unless and until certificates for such shares are issued to him or them under the Plan. A certificate or certificates for shares of Common Stock acquired upon exercise of an Option shall be issued in the name of the Director (or his beneficiary) and distributed to the Director (or his beneficiary) as soon as practicable following receipt of notice of exercise and payment of the purchase price.

**9. Nontransferability of Options.**

(a) An Option shall not be transferable other than by will or the laws of intestate succession, except as (i) may be otherwise provided in an individual option agreement and (ii) may be permitted by the Administrator in a manner consistent with the registration provisions of the Securities Act. Except as may be permitted by the preceding sentence, an Option shall be exercisable during the Director's lifetime only by him or by his guardian or legal representative.

(b) To the extent required by Rule 16b-3, shares of Common Stock acquired upon exercise of an Option shall not, without the consent of the Administrator, be disposed of by the Director until the expiration of six months after the date the Option was granted.

**10. Certain Definitions.**

For purposes of the Plan, the following terms shall have the meaning indicated:

(a) "Related corporation" means any parent, subsidiary or predecessor of the Corporation.

(b) "Parent" or "parent corporation" shall mean any corporation (other than the Corporation) in an unbroken chain of corporations ending with the Corporation if, at the time as of

which a determination is being made, each corporation other than the Corporation owns stock possessing fifty percent or more of the total combined voting power of all classes of stock in another corporation in the chain.

(c) “Subsidiary” or “subsidiary corporation” means any corporation (other than the Corporation) in an unbroken chain of corporations beginning with the Corporation if, at the time as of which a determination is being made, each corporation other than the last corporation in the unbroken chain owns stock possessing fifty percent or more of the total combined voting power of all classes of stock in another corporation in the chain.

(d) “Predecessor” or “predecessor corporation” means a corporation which was a party to a transaction described in Section 424(a) of the Code (or which would be so described if a substitution or assumption under that section had occurred) with the Corporation, or a corporation which is a parent or subsidiary of the Corporation, or a predecessor of any such corporation.

#### **11. Stock Option Agreement.**

The grant of any Option under the Plan shall be evidenced by the execution of an agreement (the “Agreement”) between the Corporation and the Director. Each such Agreement shall set forth the date of grant of the Option, the Option Price, the Option Period and any other applicable terms and conditions.

#### **12. Restrictions on Shares.**

The Corporation may impose such restrictions on any Options or shares issued pursuant to the exercise of Options granted hereunder as it may deem advisable, including without limitation restrictions under the Securities Act and the requirements of any applicable self-regulatory organization and any blue sky or securities laws applicable to such shares. Notwithstanding any other Plan provision to the contrary, the Corporation shall not be obligated to issue, deliver or transfer shares of Common Stock under the Plan or to take any other action unless such action is in compliance with applicable laws, rules and regulations (including but not limited to the requirements of the federal securities laws). The Corporation may cause a restrictive legend to be placed on any certificate issued pursuant to the exercise of an Option granted hereunder in such form as may be prescribed from time to time by applicable laws and regulations or as may be advised by legal counsel to the Corporation.

#### **13. Amendment or Termination.**

The Plan and any Option may be amended or terminated by action of the Board; provided, that (i) amendment or termination of an Option shall not, without the consent of a nonemployee Director, adversely affect the rights of such nonemployee Director with respect to an outstanding Option held by such nonemployee Director; and (ii) approval of an amendment to the Plan by the shareholders of the Corporation shall be required to the extent, if any, that shareholder approval of such amendment is required by applicable law, rule or regulation. The term of the Plan shall end on the earlier of: (i) the effective date of termination of the Plan by the Board or (ii) the date that Options have been granted to purchase all of the aggregate shares which are available for Options hereunder. Any Options outstanding at the end of the term shall continue to be outstanding and exercisable for the remainder of the applicable Option Period.

**14. Section 16(b) Compliance.**

It is the general intent of the Corporation that transactions under the Plan shall comply in all respects with Rule 16b-3 under the Exchange Act, and, if any Plan provision is later found not to be in compliance with Section 16 of the Exchange Act, the provision shall be deemed null and void, and in all events the Plan shall be construed in favor of Plan transactions meeting the requirements of Rule 16b-3 or successor rules applicable to the Plan.

**15. Applicable Law.**

Except as otherwise provided herein, the Plan shall be construed and enforced according to the laws of the State of North Carolina, without regard to the principles of conflicts of laws.

**16. Change of Control.**

(a) Notwithstanding any other provision of the Plan to the contrary, in the event of a Change of Control (as defined in Section 16(c) herein), all Options outstanding as of the date of such Change of Control shall become fully exercisable, whether or not then otherwise exercisable.

(b) Notwithstanding the foregoing, in the event of a merger, share exchange, reorganization or other business combination affecting the Corporation or a related corporation, the Administrator may, in its sole and absolute discretion, determine that any or all Options granted pursuant to the Plan shall not become exercisable on an accelerated basis, if the board of directors of the surviving or acquiring corporation, as the case may be, shall have taken such action, including but not limited to the assumption of Options granted under the Plan or the grant of substitute awards (in either case, with substantially similar terms as Options granted under the Plan), as in the opinion of the Administrator is equitable or appropriate to protect the rights and interests of participants under the Plan. For the purposes herein, if the Committee is acting as the Administrator authorized to make the determinations provided for in this Section 16(b), the Committee shall be appointed by the Board of Directors, two-thirds of the members of which shall have been directors of the Corporation prior to the merger, share exchange, reorganization or other business combinations affecting the Corporation or a related corporation.

(c) For the purposes herein, a "Change of Control" shall be deemed to have occurred on the earliest of the following dates:

(i) The date any entity or person shall have become the beneficial owner of, or shall have obtained voting control over, fifty-one percent (51%) or more of the outstanding Common Stock of the Corporation;

(ii) The date the shareholders of the Corporation approve a definitive agreement (A) to merge or consolidate the Corporation with or into another corporation, in which the Corporation is not the continuing or surviving corporation or pursuant to which any shares of Common Stock of the Corporation would be converted into cash, securities or other property of another corporation, other than a merger or consolidation of the Corporation in which holders of Common Stock immediately prior to the merger or consolidation have the same proportionate ownership of Common Stock of the surviving corporation immediately after the merger as immediately before, or (B) to sell or otherwise dispose of all or substantially all the assets of the Corporation; or

(iii) The date there shall have been a change in a majority of the Board of Directors of the Corporation within a 12-month period unless the nomination for election by the Corporation's shareholders of each new director was approved by the vote of two-thirds of the directors then still in office who were in office at the beginning of the 12-month period.

For purposes herein, the term “person” shall mean any individual, corporation, partnership, group, association or other person, as such term is defined in Section 13(d)(3) or Section 14(d)(2) of the Exchange Act, other than the Corporation, a subsidiary of the Corporation or any employee benefit plan(s) sponsored or maintained by the Corporation or any subsidiary thereof, and the term “beneficial owner” shall have the meaning given the term in Rule 13d-3 under the Exchange Act.

**17. No Right to Continued Service.**

Nothing in the Plan shall confer upon a Director any right to continue in the service of the Corporation or a related corporation or to interfere in any way with the right of the Corporation or related corporation to terminate a Director’s service at any time. Except as otherwise expressly provided in the Plan, all rights of the Director under the Plan with respect to the unexercised portion of an Option shall terminate immediately upon termination of the services of the Director with the Corporation as a director.

**18. Unfunded Plan; Retirement Plans.**

(a) Neither a Director nor any other person shall, by reason of the Plan, acquire any right in or title to any assets, funds or property of the Corporation or any related corporation, including, without limitation, any specific funds, assets or other property which the Corporation or any related corporation, in their discretion, may set aside in anticipation of a liability under the Plan. A Director shall have only a contractual right to the Common Stock or amounts, if any, payable under the Plan, unsecured by any assets of the Corporation or any related corporation. Nothing contained in the Plan shall constitute a guarantee that the assets of such corporations shall be sufficient to pay any benefits to any person.

(b) In no event shall any amounts accrued, distributable or payable under the Plan be treated as compensation for the purpose of determining the amount of contributions or benefits to which any person shall be entitled under any retirement plan sponsored by the Corporation or a related corporation that is intended to be a qualified plan within the meaning of Section 401(a) of the Code.

IN WITNESS WHEREOF, this Nonemployee Directors' Stock Option Plan of RF Micro Devices, Inc., as amended and restated through June 13, 2003, has been executed in behalf of the Corporation effective as of the 13th day of June, 2003.

2015 INDUCEMENT STOCK PLAN

2015 INDUCEMENT STOCK PLAN

1. **Definitions**

In addition to other terms defined herein or in an Award Agreement, the following terms shall have the meanings given below:

(a) Administrator means the Board, and, upon its delegation of all or part of its authority to administer the Plan to the Committee, the Committee.

(b) Affiliate means any Parent or Subsidiary of the Company, and also includes any other business entity which is controlled by, under common control with or controls the Company; provided, however, that the term "Affiliate" shall be construed in a manner in accordance with the registration provisions of applicable federal securities laws if and to the extent required.

(c) Applicable Law means any applicable laws, rules or regulations (or similar guidance), including but not limited to the Securities Act, the Exchange Act, the Code and the listing or other rules of any applicable stock exchange (including but not limited to the Listing Rule).

(d) Award means, individually or collectively, a grant under the Plan of a Nonqualified Option; a Stock Appreciation Right (including a Related SAR or a Freestanding SAR); a Restricted Award (including a Restricted Stock Award or a Restricted Unit Award); a Performance Award (including a Performance Share Award or a Performance Unit Award); a Phantom Stock Award, an Other Stock-Based Award; a Dividend Equivalent Award; and/or any other award granted under the Plan.

(e) Award Agreement means an award agreement (which may be in written or electronic form, in the Administrator's discretion, and which includes any amendment or supplement thereto) between the Company and a Participant specifying the terms, conditions and restrictions of an Award granted to the Participant. An Award Agreement may also state such other terms, conditions and restrictions, including but not limited to terms, conditions and restrictions applicable to shares of Common Stock or any other benefit underlying an Award, as may be established by the Administrator.

(f) Base Price means, with respect to an SAR, the initial price assigned to the SAR.

(g) Board or Board of Directors means the Board of Directors of the Company.

(h) Cause means, unless the Administrator determines otherwise, a Participant's termination of employment or service resulting from the Participant's (i) termination for "Cause" as defined under the Participant's employment, change in control, consulting or other agreement with the Company or an Affiliate, if any, or (ii) if the Participant has not entered into any such agreement (or, if any such agreement does not define "Cause"), then the Participant's termination shall be for "Cause" if termination results due to the Participant's (A) dishonesty; (B) failure to perform his duties for the Company or an Affiliate; or (C) engaging in fraudulent conduct or conduct that could be materially damaging to the Company without a reasonable good faith belief that such conduct was in the best interest of the Company. The determination of "Cause" shall be made by the Administrator and its determination shall be final and conclusive. Without in any way limiting the effect of the foregoing, for purposes of the Plan and an Award, a Participant's employment or service shall be deemed to have terminated for Cause if, after the Participant's employment or service has terminated, facts and circumstances are discovered that would have justified, in the opinion of the Administrator, a termination for Cause.

(i) A Change of Control shall (except as may be otherwise provided in a change in control agreement entered into with a Participant or as may be otherwise required, if at all, under Code Section 409A) be deemed to have occurred on the earliest of the following dates:

(i) The date any entity or person shall have become the beneficial owner of, or shall have obtained voting control over, more than fifty percent (50%) of the total voting power of the Company's then outstanding voting stock;

(ii) The date of the consummation of (A) a merger, consolidation or reorganization of the Company (or similar transaction involving the Company), in which the holders of the Common Stock immediately prior to the transaction have voting control over less than fifty percent (50%) of the voting securities of the surviving corporation immediately after such transaction, or (B) the sale or disposition of all or substantially all the assets of the Company; or

(iii) The date there shall have been a change in a majority of the Board within a 12-month period unless the nomination for election by the Company's stockholders of each new Director was approved by the vote of two-thirds of the members of the Board (or a committee of the Board, if nominations are approved by a Board committee rather than the Board) then still in office who were in office at the beginning of the 12-month period.

(For the purposes herein, the term "person" shall mean any individual, corporation, partnership, group, association or other person, as such term is defined in Section 13(d)(3) or Section 14(d)(2) of the Exchange Act, other than the Company, its Affiliates or any employee benefit plan(s) sponsored or maintained by the Company or any Affiliate, and the term "beneficial owner" shall have the meaning given the term in Rule 13d-3 under the Exchange Act.)

For the purposes of clarity, a transaction shall not constitute a Change of Control if its principal purpose is to change the state of the Company's incorporation, create a holding company that would be owned in substantially the same proportions by the persons who held the Company's securities immediately before such transaction or is another transaction of other similar effect.

Notwithstanding the preceding provisions of Section 1(i), in the event that any Awards granted under the Plan are deemed to be deferred compensation subject to (and not exempt from) the provisions of Code Section 409A, then distributions related to such Awards to be made upon a Change of Control may be permitted, in the Administrator's discretion, upon the occurrence of one or more of the following events (as they are defined and interpreted under Code Section 409A): (A) a change in the ownership of the Company; (B) a change in effective control of the Company; or (C) a change in the ownership of a substantial portion of the assets of the Company.

The Administrator shall have full and final authority, in its discretion (subject to any Code Section 409A considerations), to determine whether a Change of Control of the Company has occurred, the date of the occurrence of such Change of Control and any incidental matters relating thereto.

(j) Code means the Internal Revenue Code of 1986, as amended. Any reference herein to a specific Code section shall be deemed to include all related regulations or other guidance with respect to such Code section.

(k) Committee means the Compensation Committee of the Board.

(l) Common Stock means the common stock of the Company, \$.0001 par value, or any successor securities thereto.

(m) Company means Qorvo, Inc., a Delaware corporation, or any successor thereto.

(n) Director means a member of the Board or of the board of directors of an Affiliate.

(o) Disability shall, except as may be otherwise determined by the Administrator (taking into account any Code Section 409A considerations), as applied to any Participant, having the meaning given in any Award Agreement, employment agreement, change in control agreement, consulting agreement or other similar agreement, if any, to which the Participant is a party, or, if there is no such agreement (or if such agreement does not define "Disability"), "Disability" shall mean the inability of the Participant to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death, or which has lasted or can be expected to last for a continuous period of not less than 12 months. The Administrator shall have authority to determine if a Disability has occurred.

(p) Displacement shall, except as may be otherwise determined by the Administrator (taking into account any Code Section 409A considerations), as applied to any Participant, be as defined in any Award Agreement, employment agreement, change in control agreement, consulting agreement or other similar agreement, if any, to which the Participant is a party, or, if there is no such agreement (or if such agreement does not define "Displacement"), "Displacement" shall mean the termination of the Participant's employment or service due to the elimination of the Participant's job or position without fault on the part of the Participant. The Administrator shall have authority to determine if a Displacement has occurred.

(q) Dividend Equivalent Awards shall mean a right granted to a Participant pursuant to Section 13 to receive the equivalent value (in cash or shares of Common Stock) of dividends paid on Common Stock.

(r) Effective Date means the effective date of the Plan, as provided in Section 4.

(s) Employee means any person who is an employee of the Company or any Affiliate (including entities which become Affiliates after the Effective Date of the Plan) who is newly hired by the Company or any Affiliate or rehired following a bona fide period of interruption of employment (or who is otherwise eligible to be a Participant in the Plan under the Listing Rule). For this purpose, an individual shall be considered to be an Employee only if there exists between the individual and the Company or an Affiliate the legal and bona fide relationship of employer and employee (taking into account Code Section 409A considerations if and to the extent applicable).

(t) Exchange Act means the Securities Exchange Act of 1934, as amended.

(u) Fair Market Value per share of the Common Stock shall be established in good faith by the Administrator and, unless otherwise determined by the Administrator, the Fair Market Value shall be determined in accordance with the following provisions: (A) if the shares of Common Stock are listed for trading on The NASDAQ Stock Market ("NASDAQ") or another national or regional stock exchange, the Fair Market Value shall be the closing sales price per share of the shares on NASDAQ or other principal stock exchange on which such securities are listed on the date immediately preceding the date an Option is granted or other determination is made (such date of determination being referred to herein as a "valuation date"), or, if there is no transaction on such date, then on the trading date nearest preceding the valuation date for which closing price information is available, and, provided further, if the shares are not

listed for trading on NASDAQ or another stock exchange but are regularly quoted on an automated quotation system (including the OTC Bulletin Board) or by a recognized securities dealer, the Fair Market Value shall be the closing sales price for such shares as quoted on such system or by such securities dealer on the valuation date, but if selling prices are not reported, the Fair Market Value of a share of Common Stock shall be the mean between the high bid and low asked prices for the Common Stock on the date immediately preceding the valuation date (or, if no such prices were reported on that date, on the last date such prices were reported), as reported in The Wall Street Journal or such other source as the Administrator deems reliable; or (B) if the shares of Common Stock are not listed or reported in any of the foregoing, then the Fair Market Value shall be determined by the Administrator based on such valuation measures or other factors as it deems appropriate. Notwithstanding the foregoing, Fair Market Value shall be determined in accordance with Code Section 409A if and to the extent required.

(v) Freestanding SAR means an SAR that is granted without relation to an Option, as provided in Section 8.

(w) Good Reason means, unless the Administrator determines otherwise, in the context of a Change of Control, a Participant's termination of employment or service resulting from the Participant's (i) termination for "Good Reason" as defined under the Participant's employment, change in control, consulting or other agreement with the Company or an Affiliate, if any, or (ii) if the Participant has not entered into any agreement (or, if any such agreement does not define "Good Reason"), then, a Participant's termination shall be for "Good Reason" if termination results due to any of the following without the Participant's consent: (A) a material reduction in the Participant's base salary as in effect immediately prior to the date of the Change of Control, (B) the assignment to the Participant of duties or responsibilities materially inconsistent with, or a material diminution in, the Participant's position, authority, duties or responsibilities as in effect immediately prior to the Change of Control, or (C) the relocation of the Participant's principal place of employment by more than 50 miles from the location at which the Participant was stationed immediately prior to the Change of Control. Notwithstanding the foregoing, with respect to Directors, unless the Administrator determines otherwise, a Director's termination from service on the Board shall be for "Good Reason" if the Participant ceases to serve as a Director or, if the Company is not the surviving company in the Change of Control event, a member of the board of directors of the surviving entity, in either case, due to the Participant's failure to be nominated to serve as a director of such entity or the Participant's failure to be elected to serve as a director of such entity, but not due to the Participant's decision not to continue service on the Board or the board of directors of the surviving entity, as the case may be. An event or condition that would otherwise constitute "Good Reason" shall constitute Good Reason only if the Company fails to rescind or cure such event or condition within 30 days after receipt from the Participant of written notice of the event which constitutes Good Reason, and Good Reason shall cease to exist for any event or condition described herein on the 60<sup>th</sup> day following the later of the occurrence or the Participant's knowledge thereof, unless the Participant has given the Company written notice thereof prior to such date. The determination of "Good Reason" shall be made by the Administrator and its determination shall be final and conclusive.

Without limiting the foregoing, such criteria may relate to the Company, one or more of its Affiliates or one or more of its divisions, units, partnerships, joint ventures or minority investments, facilities, product lines or products or any combination of the foregoing. The targeted level or levels of performance with respect to such business criteria may be established at such levels and on such terms as the Administrator may determine, in its discretion, including but not limited to on an absolute basis, in relation to performance in a prior performance period, and/or relative to one or more peer group companies or indices, or any combination thereof. Such performance factors may be adjusted or modified due to extraordinary items, transactions, events or developments, or in recognition of, or in anticipation of, any other unusual or nonrecurring events affecting the Company or the financial statements of the Company, or in response to, or in anticipation of, changes in Applicable Law, accounting principles or business conditions, in each case as determined by the Administrator.

## **2. Purpose**

The purposes of the Plan are to provide a material inducement for the best available persons to become Employees of the Company or its Affiliates, to attract and retain such Employees and to align the interests of such persons with the interests of the Company and its stockholders. These purposes may be carried out through the granting of Awards to selected Participants, including the granting of: Options in the form of Nonqualified Options; SARs in the form of Freestanding SARs and/or Related SARs; Restricted Awards in the form of Restricted Stock Awards and/or Restricted Stock Units; Performance Awards in the form of Performance Shares and/or Performance Units; Phantom Stock Awards; Other Stock-Based Awards; and/or Dividend Equivalent Awards.

Each Award granted under the Plan is intended to qualify as an employee inducement award under the Listing Rule. As such, it is expressly intended that approval of the Company’s stockholders not be required as a condition of the effectiveness of the Plan, and the Plan’s provisions shall be interpreted in a manner consistent with such intent and the Listing Rule.

## **3. Administration of the Plan**

(a) The Plan shall be administered by the Board or, upon its delegation, by the Committee. All grants of Awards shall be approved by the Committee (each member of which shall qualify as an “independent director” under applicable NASDAQ rules if and to the extent required) or by a majority of the Company’s “independent directors,” as such term is defined under applicable NASDAQ rules, or otherwise in accordance with the Listing Rule. In addition, to the extent required under Rule 16b-3 adopted under the Exchange Act, the Committee shall be comprised solely of two or more “non-employee directors,” as such term is defined in Rule 16b-3, or as may otherwise be permitted under Rule 16b-3.

(b) Subject to the provisions of the Plan, the Administrator shall have full and final authority in its discretion to take any action with respect to the Plan including, without limitation, the authority to (i) determine all matters relating to Awards, including selection of individuals to be granted Awards, the types of Awards, the number of shares of Common Stock, if any, subject to an Award, and all terms, conditions, restrictions and limitations of an Award; (ii) prescribe the form or forms of Award Agreements evidencing any Awards granted under the Plan; (iii) establish, amend and rescind rules and

regulations for the administration of the Plan; and (iv) construe and interpret the Plan, Awards and Award Agreements made under the Plan, to interpret rules and regulations for administering the Plan and to make all other determinations deemed necessary or advisable for administering the Plan. In addition, (i) the Administrator shall have the authority, in its sole discretion, to accelerate the date that any Award which was not otherwise exercisable, vested or earned shall become exercisable, vested or earned in whole or in part without any obligation to accelerate such date with respect to any other Award granted to any recipient; and (ii) the Administrator may in its sole discretion modify or extend the terms and conditions for exercise, vesting or earning of an Award (in each case, taking into account any Code Section 409A considerations). The Administrator may determine that a Participant's rights, payments and/or benefits with respect to an Award (including but not limited to any shares issued or issuable and/or cash paid or payable with respect to an Award) shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but shall not be limited to, termination of employment for Cause, violation of policies of the Company or an Affiliate, breach of non-solicitation, noncompetition, confidentiality or other restrictive covenants that may apply to the Participant, other conduct by the Participant that is determined by the Administrator to be detrimental to the business or reputation of the Company or any Affiliate, and/or other circumstances where such reduction, cancellation, forfeiture or recoupment is required by Applicable Law. In addition, the Administrator shall have the authority and discretion to establish terms and conditions of Awards (including but not limited to the establishment of subplans) as the Administrator determines to be necessary or appropriate to conform to the applicable requirements or practices of jurisdictions outside of the United States. In addition to action by meeting in accordance with Applicable Law, any action of the Administrator with respect to the Plan may be taken by a written instrument signed by all of the members of the Board or Committee, as appropriate, and any such action so taken by written consent shall be as fully effective as if it had been taken by a majority of the members at a meeting duly held and called. All determinations of the Administrator with respect to the Plan and any Award or Award Agreement will be final and binding on the Company and all persons having or claiming an interest in any Award granted under the Plan. No member of the Board or Committee, as applicable, shall be liable while acting as Administrator for any action or determination made in good faith with respect to the Plan, an Award or an Award Agreement. The members of the Board or Committee, as applicable, shall be entitled to indemnification and reimbursement in the manner and to the fullest extent provided in the Company's certificate of incorporation and/or bylaws and/or pursuant to Applicable Law.

(c) Notwithstanding the other provisions of Section 3, the Board may expressly delegate to one or more officers of the Company or a special committee consisting of one or more directors who are also officers of the Company the authority, within specified parameters, to make certain determinations reserved for the Administrator in the Plan and summarized in Section 3(b) with respect to such Awards (subject to any restrictions imposed by Applicable Law and such terms and conditions as may be established by the Administrator); provided, however, that, (i) all issuances of securities under the Plan are approved by either the Committee or a majority of the Company's "independent directors," as defined under applicable NASDAQ rules (or as may otherwise be permitted under the Listing Rule), and (ii) if and to the extent required by Section 16 of the Exchange Act, the Participant, at the time of said grant or other determination, is not deemed to be an officer or director of the Company within the meaning of Section 16 of the Exchange Act. In addition, the Administrator may delegate to one or more officers or employees of the Company the authority to manage the record-keeping and other routine administrative duties under the Plan, subject to compliance with any conditions established by the Administrator and the requirements of Applicable Law.

#### 4. Effective Date

The Effective Date of the Plan shall be January 1, 2015 (the "Effective Date"). The Plan shall continue in effect until terminated by the Board pursuant to Section 16(a). Awards that are outstanding at the termination of the Plan shall continue in accordance with their terms, unless otherwise provided in the Plan or an Award Agreement.

#### 5. Shares of Stock Subject to the Plan; Award Limitations

(a) *Shares of Stock Subject to the Plan:* Subject to adjustments as provided in Section 5(c), the maximum number of shares of Common Stock that may be issued pursuant to Awards granted under the Plan shall not exceed the sum of (i) 250,000 shares (which number includes (A) approximately 116,209 shares that were previously available for the grant of awards as of the Effective Date under the Prior Plan and (B) approximately 133,791 newly authorized but unissued shares as of the Effective Date), and (ii) any shares subject to an award granted under the Prior Plan, which award is outstanding on the Effective Date but is later forfeited, cancelled, terminated or lapses for any reason. Shares delivered under the Plan shall be authorized but unissued shares, treasury shares or shares purchased on the open market or by private purchase. The Company hereby reserves sufficient authorized shares of Common Stock to meet the grant of Awards hereunder.

(b) *Shares Not Subject to Limitations:* The following will not be applied to the share limitations of Section 5(a) above: (i) dividends, including dividends paid in shares, or dividend equivalents paid in cash in connection with outstanding Awards; (ii) Awards which are settled in cash rather than the issuance of shares; (iii) any shares subject to an Award if the Award is forfeited, cancelled, terminated, expires or lapses for any reason without the issuance of shares underlying the Award or any shares subject to an Award which shares are forfeited to, or repurchased or reacquired by, the Company; and (iv) any shares surrendered by a Participant or withheld by the Company to pay the Option Price or purchase price for an Award or shares or used to satisfy any tax withholding requirements in connection with the exercise, vesting or earning of an Award if, in accordance with the terms of the Plan, a Participant pays such Option Price or purchase price or satisfies such tax withholding requirements by either tendering previously owned shares or having the Company withhold shares. Further, (i) shares issued under the Plan through the settlement, assumption or substitution of outstanding awards granted by another entity or obligations to grant future awards as a condition of or in connection with a merger, acquisition or similar transaction involving the Company acquiring another entity shall not reduce the maximum number of shares of Common Stock available for delivery under the Plan; and (ii) available shares under a stockholder approved plan of an acquired company (as appropriately adjusted to reflect the transaction) may be used for Awards under the Plan (subject to applicable stock exchange listing requirements) and will not reduce the maximum number of shares available under the Plan.

(c) *Adjustments; Right to Issue Additional Securities:* If there is any change in the outstanding shares of Common Stock because of a merger, consolidation or reorganization involving the Company, or if the Board declares a stock dividend, stock split distributable in shares of Common Stock or reverse stock split, combination or reclassification of the Common Stock, or if there is a similar change in the capital stock structure of the Company affecting the Common Stock (excluding conversion of convertible securities by the Company and/or the exercise of warrants by their holders), then the number of shares of Common Stock reserved for issuance under the Plan shall be correspondingly adjusted, and the Administrator shall make such adjustments to Awards or to any provisions of this Plan as the Administrator deems equitable to prevent dilution or enlargement of Awards or as may otherwise be advisable. Nothing in the Plan, an Award or an Award Agreement shall limit the ability of the Company to issue additional securities (including but not limited to the issuance of other options or other derivative securities, warrants, additional shares or classes of Common Stock, preferred stock and/or other convertible securities).

## 6. Eligibility

Awards (a) may only be granted to Employees who (i) were not previously an Employee or Director of the Company or an Affiliate or (ii) have completed a bona fide period of non-employment by the Company or an Affiliate, and (b) must be granted as an inducement material to any such person entering into employment with the Company or an Affiliate, or as otherwise permitted under the Listing Rule. A Director or Independent Contractor is not eligible to participate in the Plan unless he is also an Employee or unless otherwise permitted under the Listing Rule. Without limiting the eligibility provisions stated herein, Awards may also be granted to eligible Employees in connection with a merger or acquisition (or similar transaction) if otherwise permitted under the terms of the Plan. An eligible Employee who is selected by the Administrator as an individual to whom an Award shall be granted is referred to as a "Participant".

## 7. Options

(a) *Grant of Options*: Subject to the limitations of the Plan, the Administrator may in its discretion grant Options to such eligible individuals in such numbers, subject to such terms and conditions, and at such times as the Administrator shall determine. Such Options shall be Nonqualified Options and shall not be designated as incentive stock options under Code Section 422. An Option may be granted with or without a Related SAR.

(b) *Option Price*: The Option Price per share at which an Option may be exercised shall be established by the Administrator and stated in the Award Agreement evidencing the grant of the Option; provided, that (i) the Option Price of an Option shall be no less than 100% of the Fair Market Value per share of the Common Stock as determined on the date the Option is granted; and (ii) in no event shall the Option Price per share of any Option be less than the par value, if any, per share of the Common Stock. Notwithstanding the foregoing, the Administrator may in its discretion authorize the grant of substitute or assumed options of an acquired entity with an Option Price not equal to 100% of the Fair Market Value of the stock on the date of grant, if the terms of such substitution or assumption otherwise comply, to the extent deemed applicable, with Code Section 409A.

(c) *Date of Grant*: An Option shall be considered to be granted on the date that the Administrator acts to grant the Option, or on such later date as may be established by the Administrator in accordance with Applicable Law.

(d) *Option Period and Limitations on the Right to Exercise Options*:

(i) The Option Period shall be determined by the Administrator at the time the Option is granted and shall be stated in the Award Agreement. The Option Period shall not extend more than 10 years from the date on which the Option is granted. Any Option or portion thereof not exercised before expiration of the Option Period shall terminate. The period or periods during which, and the terms and conditions pursuant to which, an Option may vest and become exercisable shall be determined by the Administrator in its discretion, subject to the terms of the Plan.

(ii) An Option may be exercised by giving written notice to the Company in form acceptable to the Administrator at such place and subject to such conditions as may be established by the Administrator or its designee. Such notice shall specify the number of shares to be

purchased pursuant to an Option and the aggregate purchase price to be paid therefor and shall be accompanied by payment of such purchase price. Unless an Award Agreement provides otherwise, such payment shall be in the form of cash or cash equivalent; provided that, except where prohibited by the Administrator or Applicable Law (and subject to such terms and conditions as may be established by the Administrator), payment may also be made:

- (A) By delivery (by either actual delivery or attestation) of shares of Common Stock owned by the Participant for such time period, if any, as may be determined by the Administrator;
- (B) By shares of Common Stock withheld upon exercise;
- (C) By delivery of written notice of exercise to the Company and delivery to a broker of written notice of exercise and irrevocable instructions to promptly deliver to the Company the amount of sale or loan proceeds to pay the Option Price;
- (D) By such other payment methods as may be approved by the Administrator and which are acceptable under Applicable Law; or
- (E) By any combination of the foregoing methods.

Shares delivered or withheld in payment on the exercise of an Option shall be valued at their Fair Market Value on the date of exercise, as determined by the Administrator or its designee.

(iii) The Administrator shall determine the extent, if any, to which a Participant may have the right to exercise an Option following termination of the Participant's employment or service with the Company. Such rights, if any, shall be subject to the sole discretion of the Administrator, shall be stated in the individual Award Agreement, need not be uniform among all Options issued pursuant to this Section 7, and may reflect distinctions based on the reasons for termination of employment or service. The Administrator also shall have authority, in its sole discretion (taking into account any Code Section 409A considerations), to accelerate the date for exercising all or any part of an Option which was not otherwise vested and exercisable, extend the period during which an Option may be exercised, modify the other terms and conditions of exercise, or any combination of the foregoing.

(e) *Nontransferability of Options:* Options shall not be transferable (including by sale, assignment, pledge or hypothecation) other than by will or the laws of intestate succession, except for transfers (for no consideration) if and to the extent permitted by the Administrator in a manner consistent with the registration provisions of the Securities Act. Except as may be permitted by the preceding, an Option shall be exercisable during the Participant's lifetime only by him or by his guardian or legal representative. The designation of a beneficiary in accordance with the Plan does not constitute a transfer.

## 8. Stock Appreciation Rights

(a) *Grant of SARs:* Subject to the limitations of the Plan, the Administrator may in its discretion grant SARs to such eligible individuals, in such numbers, upon such terms and at such times as the Administrator shall determine. SARs may be granted to the holder of an Option (a "Related Option") with respect to all or a portion of the shares of Common Stock subject to the Related Option (a "Related SAR") or may be granted separately to an eligible individual (a "Freestanding SAR"). The Base Price per share of an SAR shall be no less than 100% of the Fair Market Value per share of the Common Stock on

the date the SAR is granted. Notwithstanding the foregoing, the Administrator may in its discretion authorize the grant of substitute or assumed SARs of an acquired entity with a Base Price per share not equal to at least 100% of the Fair Market Value of the stock on the date of grant, if the terms of such substitution or assumption otherwise comply, to the extent deemed applicable, with Code Section 409A. An SAR shall be considered to be granted on the date that the Administrator acts to grant the SAR, or on such other date as may be established by the Administrator in accordance with Applicable Law.

(b) *Related SARs*: A Related SAR may be granted either concurrently with the grant of the Related Option or at any time thereafter prior to the complete exercise, termination, expiration or cancellation of such Related Option. The Base Price of a Related SAR shall be equal to the Option Price of the Related Option. Related SARs shall be exercisable only at the time and to the extent that the Related Option is exercisable (and may be subject to such additional limitations on exercisability as the Administrator may provide in an Award Agreement), and in no event after the complete termination or full exercise of the Related Option. Upon the exercise of a Related SAR granted in connection with a Related Option, the Option shall be canceled to the extent of the number of shares as to which the SAR is exercised, and upon the exercise of a Related Option, the Related SAR shall be canceled to the extent of the number of shares as to which the Related Option is exercised or surrendered.

(c) *Freestanding SARs*: An SAR may be granted without relationship to an Option (as defined above, a "Freestanding SAR") and, in such case, will be exercisable upon such terms and subject to such conditions as may be determined by the Administrator, subject to the terms of the Plan.

(d) *Exercise of SARs*:

(i) Subject to the terms of the Plan, SARs shall be vested and exercisable in whole or in part upon such terms and conditions as may be established by the Administrator. The period during which an SAR may be exercisable shall not exceed 10 years from the date of grant or, in the case of Related SARs, such shorter Option Period as may apply to the Related Option. Any SAR or portion thereof not exercised before expiration of the period established by the Administrator shall terminate.

(ii) SARs may be exercised by giving written notice to the Company in form acceptable to the Administrator at such place and subject to such terms and conditions as may be established by the Administrator or its designee. Unless the Administrator determines otherwise, the date of exercise of an SAR shall mean the date on which the Company shall have received proper notice from the Participant of the exercise of such SAR.

(iii) The Administrator shall determine the extent, if any, to which a Participant may have the right to exercise an SAR following termination of the Participant's employment or service with the Company. Such rights, if any, shall be determined in the sole discretion of the Administrator, shall be stated in the individual Award Agreement, need not be uniform among all SARs issued pursuant to this Section 8, and may reflect distinctions based on the reasons for termination of employment or service. The Administrator also may, in its sole discretion (taking into account any Code Section 409A considerations), accelerate the date for exercising all or any part of an SAR which was not otherwise exercisable on the Termination Date, extend the period during which an SAR may be exercised, modify the terms and conditions to exercise, or any combination of the foregoing.

(e) *Payment Upon Exercise*: Subject to the limitations of the Plan, upon the exercise of an SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying (i) the excess, if any, of the Fair Market Value of a share of Common Stock on the date of

exercise of the SAR over the Base Price of the SAR by (ii) the number of shares of Common Stock with respect to which the SAR is being exercised. The consideration payable upon exercise of an SAR shall be paid in cash, shares of Common Stock (valued at Fair Market Value on the date of exercise of the SAR) or a combination of cash and shares of Common Stock, as determined by the Administrator.

(f) *Nontransferability*: Unless the Administrator determines otherwise, SARs shall not be transferable (including by sale, assignment, pledge or hypothecation) other than by will or the laws of intestate succession, except for transfers (for no consideration) if and to the extent permitted by the Administrator in a manner consistent with the registration provisions of the Securities Act. Except as may be permitted by the preceding sentence, SARs may be exercised during the Participant's lifetime only by him or by his guardian or legal representative. The designation of a beneficiary in accordance with the Plan does not constitute a transfer.

## 9. Restricted Awards

(a) *Grant of Restricted Awards*: Subject to the limitations of the Plan, the Administrator may in its discretion grant Restricted Awards to such individuals, for such numbers of shares of Common Stock, upon such terms and at such times as the Administrator shall determine. Such Restricted Awards may be in the form of Restricted Stock Awards and/or Restricted Stock Units that are subject to certain conditions, which conditions must be met in order for the Restricted Award to vest and be earned (in whole or in part) and no longer subject to forfeiture. Restricted Stock Awards shall be payable in shares of Common Stock. Restricted Stock Units shall be payable in cash or shares of Common Stock, or partly in cash and partly in shares of Common Stock, in accordance with the terms of the Plan and the discretion of the Administrator. The Administrator shall determine the nature, length and starting date of the period, if any, during which a Restricted Award may be earned (the "Restriction Period"), and shall determine the conditions which must be met in order for a Restricted Award to be granted or to vest or be earned (in whole or in part), which conditions may include, but are not limited to, payment of a stipulated purchase price, attainment of performance objectives, continued service or employment for a certain period of time, a combination of attainment of performance objectives and continued service, Retirement, Displacement, Disability, death, or any combination of such conditions. In the case of Restricted Awards based upon performance criteria, or a combination of performance criteria and continued service, the Administrator shall determine the Performance Measures applicable to such Restricted Awards (subject to Section 1(hh)).

(b) *Vesting of Restricted Awards*: Subject to the terms of the Plan (and taking into account any Code Section 409A considerations), the Administrator shall have sole authority to determine whether and to what degree Restricted Awards have vested and been earned and are payable and to establish and interpret the terms and conditions of Restricted Awards. The Administrator, in its sole discretion, may (subject to any Code Section 409A considerations) accelerate the date that any Restricted Award granted to a Participant shall be deemed to be vested or earned in whole or in part, without any obligation to accelerate such date with respect to other Restricted Awards granted to any Participant.

(c) *Termination of Employment or Service; Forfeiture*: Unless the Administrator determines otherwise, if the employment or service of a Participant shall be terminated for any reason (whether by the Company or the Participant and whether voluntary or involuntary) and all or any part of a Restricted Award has not vested or been earned pursuant to the terms of the Plan and related Award Agreement, such Award, to the extent not then vested or earned, shall be forfeited immediately upon such termination and the Participant shall have no further rights with respect thereto.

(d) *Share Certificates; Escrow*: Unless the Administrator determines otherwise, a certificate or certificates representing the shares of Common Stock subject to a Restricted Stock Award shall be

issued in the name of the Participant (or, in the case of uncertificated shares, other written evidence of ownership in accordance with Applicable Law shall be provided) after the Award has been granted. Notwithstanding the foregoing, the Administrator may require that (i) a Participant deliver the certificate(s) (or other instruments) for such shares to the Administrator or its designee to be held in escrow until the Restricted Stock Award vests and is no longer subject to a substantial risk of forfeiture (in which case the shares will be promptly released to the Participant) or is forfeited (in which case the shares shall be returned to the Company); and/or (ii) a Participant deliver to the Company a stock power, endorsed in blank (or similar instrument), relating to the shares subject to the Restricted Stock Award which are subject to forfeiture. Unless the Administrator determines otherwise, a certificate or certificate representing shares of Common Stock issuable pursuant to a Restricted Stock Unit shall be issued in the name of the Participant (or, in the case of uncertificated shares, other written evidence of ownership in accordance with Applicable Law shall be provided) promptly after the Award (or portion thereof) has vested and is distributable.

(e) *Nontransferability*: Unless the Administrator determines otherwise, Restricted Awards that have not vested shall not be transferable (including by sale, assignment, pledge or hypothecation) other than transfers (for no consideration) by will or the laws of intestate succession, and the recipient of a Restricted Award shall not sell, transfer, assign, pledge or otherwise encumber shares subject to the Award until the Restriction Period has expired and until all conditions to vesting have been met. The designation of a beneficiary in accordance with the Plan does not constitute a transfer.

## 10. Performance Awards

(a) *Grant of Performance Awards*: Subject to the terms of the Plan, the Administrator may in its discretion grant Performance Awards to such eligible individuals upon such terms and conditions and at such times as the Administrator shall determine. Performance Awards may be in the form of Performance Shares and/or Performance Units. An Award of a Performance Share is a grant of a right to receive shares of Common Stock, the cash value thereof, or a combination thereof (in the Administrator's discretion), which is contingent upon the achievement of performance or other objectives during a specified period and which has a value on the date of grant equal to the Fair Market Value of a share of Common Stock. An Award of a Performance Unit is a grant of a right to receive shares of Common Stock or a designated dollar value amount of Common Stock which is contingent upon the achievement of performance or other objectives during a specified period, and which has an initial value determined in a dollar amount established by the Administrator at the time of grant. The Administrator shall have discretion to determine the number of Performance Units and/or Performance Shares granted to any Participant. The Administrator shall determine the nature, length and starting date of the period during which a Performance Award may be earned (the "Performance Period"), and shall determine the conditions which must be met in order for a Performance Award to be granted or to vest or be earned (in whole or in part), which conditions may include but are not limited to payment of a stipulated purchase price, attainment of performance objectives, continued service or employment for a certain period of time, or a combination of any such conditions. Subject to Section 1(hh), the Administrator shall determine the Performance Measures to be used in valuing Performance Awards.

(b) *Earning of Performance Awards*: Subject to the terms of the Plan (and taking into account any Code Section 409A considerations), the Administrator shall have sole authority to determine whether and to what degree Performance Awards have been earned and are payable and to interpret the terms and conditions of Performance Awards and the provisions of Section 10. The Administrator, in its sole discretion, may (subject to any Code Section 409A considerations) accelerate the date that any Performance Award granted to a Participant shall be deemed to be earned in whole or in part, without any obligation to accelerate such date with respect to other Awards granted to any Participant.

(c) *Form of Payment*: Payment of the amount to which a Participant shall be entitled upon earning a Performance Award shall be made in cash, shares of Common Stock, or a combination of cash and shares of Common Stock, as determined by the Administrator in its sole discretion. Payment may be made in a lump sum or upon such terms as may be established by the Administrator (taking into account any Code Section 409A considerations).

(d) *Termination of Employment or Service; Forfeiture*: Unless the Administrator determines otherwise (taking into account any Code Section 409A considerations), if the employment or service of a Participant shall terminate for any reason (whether by the Company or the Participant and whether voluntary or involuntary) and the Participant has not earned all or part of a Performance Award pursuant to the terms of the Plan and related Award Agreement, such Award, to the extent not then earned, shall be forfeited immediately upon such termination and the Participant shall have no further rights with respect thereto.

(e) *Nontransferability*: Unless the Administrator determines otherwise, Performance Awards which have not been earned shall not be transferable (including by sale, assignment, pledge or hypothecation) other than transfers (for no consideration) by will or the laws of intestate succession, and the recipient of a Performance Award shall not sell, transfer, assign, pledge or otherwise encumber any shares or any other benefit subject to the Award until the Performance Period has expired and the conditions to earning the Award have been met. The designation of a beneficiary in accordance with the Plan does not constitute a transfer.

## **11. Phantom Stock Awards**

(a) *Grant of Phantom Stock Awards*: Subject to the terms of the Plan, the Administrator may in its discretion grant Phantom Stock Awards to such eligible individuals, in such numbers, upon such terms and at such times as the Administrator shall determine. A Phantom Stock Award is an Award to a Participant of a number of hypothetical share units with respect to shares of Common Stock, with a value based on the Fair Market Value of a share of Common Stock.

(b) *Vesting of Phantom Stock Awards*: Subject to the terms of the Plan (and taking into account any Code Section 409A considerations), the Administrator shall have sole authority to determine whether and to what degree Phantom Stock Awards have vested and are payable and to interpret the terms and conditions of Phantom Stock Awards. The Administrator, in its sole discretion, may (subject to any Code Section 409A considerations) accelerate the date that any Phantom Stock Award granted to a Participant shall be deemed to be earned in whole or in part, without any obligation to accelerate such date with respect to other Awards granted to any Participant.

(c) *Termination of Employment or Service; Forfeiture*: Unless the Administrator determines otherwise (taking into account any Code Section 409A considerations), if the employment or service of a Participant shall be terminated for any reason (whether by the Company or the Participant and whether voluntary or involuntary) and all or any part of a Phantom Stock Award has not vested and become payable pursuant to the terms of the Plan and related Award Agreement, such Award, to the extent not then vested or earned, shall be forfeited immediately upon such termination and the Participant shall have no further rights with respect thereto.

(d) *Payment of Phantom Stock Awards*: Upon vesting of all or a part of a Phantom Stock Award and satisfaction of such other terms and conditions as may be established by the Administrator, the Participant shall be entitled to a payment of an amount equal to the Fair Market Value of one share of Common Stock with respect to each such Phantom Stock unit which has vested and is payable. Payment may be made, in the discretion of the Administrator, in cash or in shares of Common Stock valued at their

Fair Market Value on the applicable vesting date or dates (or other date or dates determined by the Administrator), or in a combination thereof. Payment may be made in a lump sum or upon such terms as may be established by the Administrator (taking into account any Code Section 409A considerations).

(e) *Nontransferability*: Unless the Administrator determines otherwise, (i) Phantom Stock Awards shall not be transferable (including by sale, assignment, pledge or hypothecation) other than transfers (for no consideration) by will or the laws of intestate succession and (ii) shares of Common Stock (if any) subject to a Phantom Stock Award may not be sold, transferred, assigned, pledged or otherwise encumbered until the Phantom Stock Award has vested and all other conditions established by the Administrator have been met. The designation of a beneficiary in accordance with the Plan does not constitute a transfer.

## **12. Other Stock-Based Awards**

The Administrator shall have the authority to grant Other Stock-Based Awards. Such Other Stock-Based Awards may be valued in whole or in part by reference to, or otherwise based on or related to, shares of Common Stock or Awards for shares of Common Stock, including but not limited to Other Stock-Based Awards granted in lieu of bonus, salary or other compensation, Other Stock-Based Awards granted with vesting or performance conditions, and/or Other Stock-Based Awards granted without being subject to vesting or performance conditions. Subject to the provisions of the Plan, the Administrator shall determine the number of shares of Common Stock to be awarded to a Participant under (or otherwise related to) such Other Stock-Based Awards; whether such Other Stock-Based Awards shall be settled in cash, shares of Common Stock or a combination of cash and shares of Common Stock; and the other terms and conditions of such Awards. Unless the Administrator determines otherwise, (i) Other Stock-Based Awards shall not be transferable (including by sale, assignment, pledge or hypothecation) other than transfers (for no consideration) by will or the laws of intestate succession, and (ii) shares of Common Stock (if any) subject to an Other Stock-Based Award may not be sold, transferred, assigned, pledged or otherwise encumbered until the Other Stock-Based Award has vested and all other conditions established by the Administrator have been met. The designation of a beneficiary in accordance with the Plan does not constitute a transfer.

## **13. Dividends and Dividend Equivalents**

The Administrator may, in its sole discretion, provide that Awards other than Options and SARs earn dividends or dividend equivalents; provided, however, that dividends and dividend equivalents, if any, on unearned or unvested performance-based Awards shall not be paid (even if accrued) unless and until the underlying Award (or portion thereof) has vested and/or been earned. Such dividends or dividend equivalents may be paid currently or may be credited to a Participant's account. Any crediting of dividends or dividend equivalents may be subject to such additional restrictions and conditions as the Administrator may establish, including reinvestment in additional shares of Common Stock or share equivalents. Notwithstanding the other provisions herein, any dividends or dividend equivalent rights related to an Award shall be structured in a manner so as to avoid causing the Award and related dividends or dividend equivalent rights to be subject to Code Section 409A or shall otherwise be structured so that the Award and dividends or dividend equivalent rights are in compliance with Code Section 409A.

## 14. Change of Control

(a) *General*: Notwithstanding any other provision in the Plan to the contrary, and unless an individual Award Agreement provides otherwise, the following provisions shall apply in the event of a Change of Control:

(i) To the extent that the successor or surviving company in the Change of Control event does not assume or substitute for an Award (or in which the Company is the ultimate parent corporation and does not continue the Award) on substantially similar terms or with substantially equivalent economic benefits (as determined by the Administrator) as Awards outstanding under the Plan immediately prior to the Change of Control event, (A) all outstanding Options and SARs shall become fully vested and exercisable, whether or not then otherwise vested and exercisable; and (B) any restrictions, including but not limited to the Restriction Period, Performance Period and/or performance criteria applicable to any outstanding Award other than Options or SARs shall be deemed to have been met, and such Awards shall become fully vested, earned and payable to the fullest extent of the original grant of the applicable Award.

(ii) Further, in the event that an Award is substituted, assumed or continued as provided in Section 14(a)(i) herein, the Award will nonetheless become vested (and, in the case of Options and SARs, exercisable) in full if the employment or service of the Participant is terminated within six months before (in which case vesting shall not occur until the effective date of the Change of Control) or one year (or such other period after a Change of Control as may be stated in a Participant's change in control agreement, employment agreement or similar agreement, if applicable) after the effective date of a Change of Control if such termination of employment or service (A) is by the Company not for Cause or (B) is by the Participant for Good Reason. For clarification, for the purposes of this Section 14, the "Company" shall include any successor to the Company.

(b) *Effect of Change in Control or Other Agreement; Effect on Performance-Based Awards*: Notwithstanding any other provision of the Plan to the contrary, and unless an individual Award Agreement expressly provides otherwise, in the event that a Participant has entered into a change in control agreement, employment agreement or similar agreement with the Company, the Participant shall be entitled to the greater of the benefits provided upon a change of control of the Company under this Plan or the respective change in control agreement, employment agreement or similar agreement, and such change in control agreement, employment agreement or similar agreement shall not be construed to reduce in any way the benefits otherwise provided to a Participant upon the occurrence of a Change of Control as defined in the Plan. In addition, for clarity, performance-based Awards that vest pursuant to Section 14(a)(i) or Section 14(a)(ii) herein shall be deemed to be vested and earned at target unless the Administrator determines otherwise (in an Award Agreement or by other action).

## 15. Withholding

The Company shall withhold all required local, state, federal, foreign and other taxes and any other amount required to be withheld by any governmental authority or law from any amount payable in cash with respect to an Award. Prior to the delivery or transfer of any certificate for shares or any other benefit conferred under the Plan, the Company shall require any Participant or other person to pay to the Company in cash the amount of any tax or other amount required by any governmental authority to be withheld and paid over by the Company to such authority for the account of such recipient. Notwithstanding the foregoing, the Administrator may in its discretion establish procedures to permit a recipient to satisfy such obligation in whole or in part, and any local, state, federal, foreign or other income tax obligations relating to such an Award, by electing (the "election") to have the Company withhold shares of Common Stock from the shares to which the recipient is otherwise entitled. The number of shares to be withheld shall have a Fair Market Value as of the date that the amount of tax to be withheld is determined as nearly equal as possible to (but not exceeding) the amount of such obligations being satisfied. Each election must be made in writing to the Administrator in accordance with election procedures established by the Administrator.

## 16. Amendment and Termination of the Plan and Awards

(a) *Amendment and Termination of Plan:* The Plan may be amended, altered, suspended and/or terminated at any time by the Board; provided, that (i) approval of an amendment to the Plan by the stockholders of the Company shall be required to the extent, if any, that stockholder approval of such amendment is required by Applicable Law; and (ii) except for adjustments made pursuant to Section 5(c) the Company may not, without obtaining stockholder approval, (A) amend the terms of outstanding Options or SARs to reduce the Option Price or Base Price of such outstanding Options or SARs; (B) exchange outstanding Options or SARs for cash, for Options or SARs with an Option Price or Base Price that is less than the Option Price or Base Price of the original Option or SAR, or for other equity awards at a time when the original Option or SAR has an Option Price or Base Price, as the case may be, above the Fair Market Value of the Common Stock; or (C) take other action with respect to Options or SARs that would be treated as a repricing under the rules of the principal stock exchange on which shares of the Common Stock are listed.

(b) *Amendment and Termination of Awards:* The Administrator may amend, alter, suspend and/or terminate any Award granted under the Plan, prospectively or retroactively, but such amendment, alteration, suspension or termination of an Award shall not, without the written consent of the recipient of an outstanding Award, materially adversely affect the rights of the recipient with respect to the Award.

(c) *Amendments to Comply with Applicable Law:* Notwithstanding Section 16(a) and Section 16(b) herein, the following provisions shall apply:

(i) The Administrator shall have unilateral authority to amend the Plan and any Award (without Participant consent) to the extent necessary to comply with Applicable Law or changes to Applicable Law (including but in no way limited to Code Section 409A and federal securities laws).

(ii) The Administrator shall have unilateral authority to make adjustments to the terms and conditions of Awards in recognition of unusual or nonrecurring events affecting the Company or any Affiliate, or the financial statements of the Company or any Affiliate, or of changes in Applicable Law, or accounting principles, if the Administrator determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or necessary or appropriate to comply with applicable accounting principles or Applicable Law.

## 17. Compliance with Applicable Law

The Company may impose such restrictions on Awards, shares of Common Stock and any other benefits underlying Awards hereunder as it may deem advisable, including without limitation restrictions under the federal securities laws, the requirements of any stock exchange or similar organization and any blue sky, state or foreign securities or other laws applicable to such securities. Notwithstanding any other Plan provision to the contrary, the Company shall not be obligated to issue, deliver or transfer shares of Common Stock under the Plan, make any other distribution of benefits under the Plan, or take any other action, unless such delivery, distribution or action is in compliance with Applicable Law (including but not limited to the requirements of the Securities Act). The Company will be under no obligation to register shares of Common Stock or other securities with the Securities and Exchange Commission or to effect compliance with the exemption, registration, qualification or listing requirements of any state securities laws, stock exchange or similar organization, and the Company will have no liability for any inability or failure to do so. The Company may cause a restrictive legend or legends to be placed on any certificate issued pursuant to an Award hereunder in such form as may be prescribed from time to time by Applicable Law or as may be advised by legal counsel.

## **18. No Right or Obligation of Continued Employment or Service or to Awards**

Neither the Plan, an Award, an Award Agreement nor any other action related to the Plan shall confer upon a Participant any right to continue in the employ or service of the Company or an Affiliate or interfere in any way with the right of the Company or an Affiliate to terminate the Participant's employment or service at any time. Except as otherwise provided in the Plan, an Award Agreement or as may be determined by the Administrator, all rights of a Participant with respect to an Award shall terminate upon the termination of the Participant's employment or service. In addition, no person shall have any right to be granted an Award, and the Company shall have no obligation to treat Participants or Awards uniformly.

## **19. General Provisions**

(a) *Stockholder Rights*: Except as otherwise determined by the Administrator (and subject to the provisions of Section 9(d) regarding Restricted Awards and Section 13 regarding dividends and Dividend Equivalent Awards), a Participant and his legal representative, legatees or distributees shall not be deemed to be the holder of any shares of Common Stock subject to an Award and shall not have any rights of a stockholder unless and until certificates for such shares have been issued and delivered to him or them under the Plan. A certificate or certificates for shares of Common Stock acquired upon exercise of an Option or SAR shall be issued in the name of the Participant or his beneficiary and distributed to the Participant or his beneficiary (or, in the case of uncertificated shares, other written notice of ownership in accordance with Applicable Law shall be provided) as soon as practicable following receipt of notice of exercise and, with respect to Options, payment of the Option Price (except as may otherwise be determined by the Company in the event of payment of the Option Price pursuant to Section 7(d)(ii)(C)). Except as otherwise provided in Section 9(d) regarding Restricted Stock Awards or otherwise determined by the Administrator, a certificate for any shares of Common Stock issuable pursuant to a Restricted Award, Performance Award, Phantom Stock Award or Other Stock-Based Award shall be issued in the name of the Participant or his beneficiary and distributed to the Participant or his beneficiary (or, in the case of uncertificated shares, other written notice of ownership in accordance with Applicable Law shall be provided) after the Award (or portion thereof) has vested and been earned.

(b) *Section 16(b) Compliance*: To the extent that any Participants in the Plan are subject to Section 16(b) of the Exchange Act, it is the general intention of the Company that transactions under the Plan shall comply with Rule 16b-3 under the Exchange Act and that the Plan shall be construed in favor of such Plan transactions meeting the requirements of Rule 16b-3 or any successor rules thereto. Notwithstanding anything in the Plan to the contrary, the Administrator, in its sole and absolute discretion, may bifurcate the Plan so as to restrict, limit or condition the use of any provision of the Plan to Participants who are officers or directors subject to Section 16 of the Exchange Act without so restricting, limiting or conditioning the Plan with respect to other Participants.

(c) *Unfunded Plan; No Effect on Other Plans*:

(i) The Plan shall be unfunded, and the Company shall not be required to create a trust or segregate any assets that may at any time be represented by Awards under the Plan. The Plan shall not establish any fiduciary relationship between the Company and any Participant or other person. Neither a Participant nor any other person shall, by reason of the Plan, acquire any right in or title to any assets, funds or property of the Company or any Affiliate, including, without limitation, any specific funds, assets or other property which the Company or any

Affiliate, in their discretion, may set aside in anticipation of a liability under the Plan. A Participant shall have only a contractual right to shares of Common Stock or other amounts, if any, payable under the Plan, unsecured by any assets of the Company or any Affiliate. Nothing contained in the Plan shall constitute a guarantee that the assets of such entities shall be sufficient to pay any benefits to any person.

(ii) The amount of any compensation deemed to be received by a Participant pursuant to an Award shall not constitute compensation with respect to which any other employee benefits of such Participant are determined, including, without limitation, benefits under any bonus, pension, profit sharing, life insurance or salary continuation plan, except as otherwise specifically provided by the terms of such plan or as may be determined by the Administrator.

(iii) The adoption of the Plan shall not affect any other stock incentive or other compensation plans in effect for the Company or any Affiliate, nor shall the Plan preclude the Company from establishing any other forms of stock incentive or other compensation for employees or service providers of the Company or any Affiliate.

(d) *Governing Law*: The Plan shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to the conflict of laws provisions of any state, and in accordance with applicable federal laws of the United States.

(e) *Beneficiary Designation*: The Administrator may, in its discretion, permit a Participant to designate in writing a person or persons as beneficiary, which beneficiary shall be entitled to receive settlement of Awards (if any) to which the Participant is otherwise entitled in the event of death. In the absence of such designation by a Participant, and in the event of the Participant's death, the estate of the Participant shall be treated as beneficiary for purposes of the Plan, unless the Administrator determines otherwise. The Administrator shall have discretion to approve and interpret the form or forms of such beneficiary designation. A beneficiary, legal guardian, legal representative or other person claiming any rights pursuant to the Plan is subject to all terms and conditions of the Plan and any Award Agreement applicable to the Participant, except to the extent that the Plan and/or Award Agreement provide otherwise, and to any additional restrictions deemed necessary or appropriate by the Administrator.

(f) *Gender and Number*: Except where otherwise indicated by the context, words in any gender shall include any other gender, words in the singular shall include the plural and words in the plural shall include the singular.

(g) *Severability*: If any provision of the Plan shall be held illegal or invalid for any reason, such illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

(h) *Rules of Construction*: Headings are given to the sections of the Plan solely as a convenience to facilitate reference. The reference to any statute, regulation or other provision of law shall (unless the Administrator determines otherwise) be construed to refer to any amendment to or successor of such provision of law.

(i) *Successors and Assigns*: The Plan shall be binding upon the Company, its successors and assigns, and Participants, their executors, administrators and permitted transferees and beneficiaries.

(j) *Award Agreement*: The grant of any Award under the Plan shall be evidenced by an Award Agreement between the Company and the Participant. Such Award Agreement may state terms, conditions and restrictions applicable to the Award and any may state such other terms, conditions and restrictions, including but not limited to terms, conditions and restrictions applicable to shares of Common Stock (or other benefits) subject to an Award, as may be established by the Administrator.

(k) *Right of Offset*: Notwithstanding any other provision of the Plan or an Award Agreement, the Company may (subject to any Code Section 409A considerations) reduce the amount of any payment or benefit otherwise payable to or on behalf of a Participant by the amount of any obligation of the Participant to or on behalf of the Company or an Affiliate that is or becomes due and payable.

(l) *Uncertified Shares*: Notwithstanding anything in the Plan to the contrary, to the extent the Plan provides for the issuance of stock certificates to reflect the issuance of shares of Common Stock, the issuance may, in the Company's discretion, be effected on a non-certificated basis, to the extent not prohibited by the Company's certificate of incorporation or bylaws or by Applicable Law (including but not limited to applicable state corporate law and the applicable rules of any stock exchange on which the Common Stock may be traded).

(m) *Income and Other Taxes*: Participants are solely responsible and liable for the satisfaction of all taxes and penalties that may arise in connection with Awards (including but not limited to any taxes arising under Code Section 409A), and the Company shall not have any obligation to indemnify or otherwise hold any Participant harmless from any or all of such taxes. The Company shall have no responsibility to take or refrain from taking any actions in order to achieve a certain tax result for a Participant or any other person.

(n) *Effect of Certain Changes in Status*: Notwithstanding the other terms of the Plan or an Award Agreement, the Administrator has sole discretion to determine (taking into account any Code Section 409A considerations), at the time of grant of an Award or at any time thereafter, the effect, if any, on Awards (including but not limited to modifying the vesting, exercisability and/or earning of Awards) granted to a Participant if the Participant's status as an Employee changes, including but not limited to a change from full-time to part-time, or vice versa, or if other similar changes in the nature or scope of the Participant's employment or service occur.

(o) *Deferrals*: The Administrator may permit or require a Participant to defer such Participant's receipt of the payment of cash or the delivery of shares of Common Stock that would otherwise be payable with respect to an Award. Any such deferral shall be subject to such terms and conditions as may be established by the Administrator and to any applicable Code Section 409A requirements.

(p) *Fractional Shares*: Except as otherwise provided in an Award Agreement or determined by the Administrator, (i) the total number of shares issuable pursuant to the exercise, vesting or earning of an Award shall be rounded down to the nearest whole share, and (ii) no fractional shares shall be issued. The Administrator may, in its discretion, determine that a fractional share shall be settled in cash.

(q) *Compliance with Recoupment, Ownership and Other Policies or Agreements*: Notwithstanding anything in the Plan to the contrary, the Administrator may, at any time, consistent with, but without limiting, the authority granted in Section 3(b) herein, in its discretion provide that an Award or benefits related to an Award shall be forfeited and/or recouped if the Participant, during employment or service or following termination of employment or service for any reason, engages in certain specified conduct, including but not limited to violation of policies of the Company or an Affiliate, breach of non-solicitation, noncompetition, confidentiality or other restrictive covenants, or other conduct by the Participant that is determined by the Administrator to be detrimental to the business or reputation of the Company or any Affiliate. In addition, without limiting the effect of the foregoing, as a condition to the grant of an Award or receipt or retention of shares of Common Stock, cash or any other benefit under the

Plan, the Administrator may, at any time, require that a Participant agree to abide by any equity retention policy, stock ownership guidelines, compensation recovery policy and/or other policies adopted by the Company or an Affiliate, each as in effect from time to time and to the extent applicable to the Participant. Further, each Participant shall be subject to such compensation recovery, recoupment, forfeiture or other similar provisions as may apply under Applicable Law.

## **20. Compliance with Code Section 409A**

Notwithstanding any other provision in the Plan or an Award Agreement to the contrary, if and to the extent that Code Section 409A is deemed to apply to the Plan or any Award, it is the general intention of the Company that the Plan and all such Awards shall, to the extent practicable, comply with, or be exempt from, Code Section 409A, and the Plan and any such Award Agreement shall, to the extent practicable, be construed in accordance therewith. Deferrals of shares or any other benefit issuable pursuant to an Award otherwise exempt from Code Section 409A in a manner that would cause Code Section 409A to apply shall not be permitted unless such deferrals are in compliance with, or exempt from, Code Section 409A. In the event that the Company (or a successor thereto) has any stock which is publicly traded on an established securities market or otherwise, distributions that are subject to Code Section 409A to any Participant who is a "specified employee" (as defined under Code Section 409A) upon a separation from service may only be made following the expiration of the six-month period after the date of separation from service (with such distributions to be made during the seventh month following separation of service), or, if earlier than the end of the six-month period, the date of death of the specified employee, or as otherwise permitted under Code Section 409A. Without in any way limiting the effect of any of the foregoing, (i) in the event that Code Section 409A requires that any special terms, provisions or conditions be included in the Plan or any Award Agreement, then such terms, provisions and conditions shall, to the extent practicable, be deemed to be made a part of the Plan or Award Agreement, as applicable, and (ii) terms used in the Plan or an Award Agreement shall be construed in accordance with Code Section 409A if and to the extent required. Further, in the event that the Plan or any Award shall be deemed not to comply with Code Section 409A, then neither the Company, the Administrator nor its or their designees or agents shall be liable to any Participant or other person for actions, decisions or determinations made in good faith.
