RFMD Earns Samsung's Quality Grand Award as Best Quality Supplier

GUMI, South Korea and GREENSBORO, N.C., Feb. 10, 2014 (GLOBE NEWSWIRE) -- RFMD (Nasdaq:RFMD), a global leader in the design and manufacture of high-performance radio frequency solutions, today announced that Samsung has presented RFMD with its Quality Grand Award at a ceremony held last week at Samsung Electronics' smartphone manufacturing operations in Gumi, South Korea. The award recognizes RFMD's superior execution in product quality and customer satisfaction and was presented to RFMD on behalf of its Cellular Products Group (CPG) team. RFMD was selected as the best quality supplier among Samsung Mobile's approximately 450 global suppliers.

RFMD is a key supplier to Samsung Electronics, which is the world's leading provider of mobile devices. RFMD provides Samsung a full and growing suite of RF solutions that enable the critical wireless link that makes wireless devices truly mobile.

"This award is testament to our global team's ability to execute to the highest standards of quality as recognized by the world's number one provider of mobile devices," said Bob Bruggeworth, RFMD president and CEO. "This underscores RFMD's ability to provide outstanding quality and service while delivering in very high volumes to support the successful rollout of Samsung's newest mobile products."

About RFMD

RFMD (Nasdaq:RFMD) is a global leader in the design and manufacture of high-performance radio frequency solutions. RFMD's products enable worldwide mobility, provide enhanced connectivity, and support advanced functionality in the mobile device, wireless infrastructure, wireless local area network (WLAN or Wi-Fi), cable television (CATV)/broadband, Smart Energy/advanced metering infrastructure (AMI), and aerospace and defense markets. RFMD is recognized for its diverse portfolio of semiconductor technologies and RF systems expertise and is a preferred supplier to the world's leading mobile device, customer premises, and communications equipment providers. RFMD is an ISO 9001-, ISO 14001-, and ISO/TS 16949-certified manufacturer with worldwide engineering, design, sales and service facilities.
